Constitution

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I. Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II. Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) Sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III. Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV. Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V. Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also). They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI. Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII. The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII. Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2).

Article IX. Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

By-Law I. Parlimentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parlimentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

His selection shall be upon recommendation of the Missions Committee and on vote by the Association in annual meeting, or between meetings of the Association, by its Executive Commitee. The relationship between the Association and its Missionary may be terminated by either party upon the giving of reasonable notice.

Section 2. The Associational Missionary shall, under direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the associational committees and organizations. He shall also make a written report to the Missions and Executive Committees in their quarterly meetings.

Section 7. THE FINANCE COMMITTEE:

This Committee shall be composed of five members and the Treasurer. It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of each Associational year, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIALS:

This Committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

Section 9. THE ASSOCIATIONAL COORDINATING COMMITTEE:

This Committee shall be composed of the Associational Missionary, who shall serve as chairman, the Moderator, and heads of the Associational organizations. Its duties shall be to plan and correlate the activities of the Associationl organizations.

By-Law IX. Amendments

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an association pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later group to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing The Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually.)

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

4. Inform member churches of their record of giving.

LIBERTY BAPTIST ASSOCIATION

ONE HUNDRED TWENTY-NINTH ANNUAL SESSION

September 26 and 27, 1961

THEME: "MY CHURCH REACHING OUT"

TUESDAY MORNING SESSION

Churchland Baptist Church

At 9:30 A.M., the Davis Brothers began the musical prelude, continuing until 9:45. At this time, Moderator Leonard Rollins convened the one hundred and twenty-ninth session of the Liberty Baptist Association. Mr. Richard Conrad was at the organ, and Mrs. Donald Black was at the piano. Mr. Carey Davis led the congregation in singing "All Hail the Power." Rev. Fred Jurney, pastor at Southside Baptist Church, Thomasville, led the devotional exercises. He read from the epistle to the Hebrews and closed with prayer.

The body then turned to matter of its organization. The chair called for the election of a sessions clerk and recognized Rev. Bennie Crawford, Chairman of the Committee on Nominations, for the committee's recommendation. Rev. Crawford submitted the name of Rev. Robert Nation, Pastor of the Wallburg Baptist Church and present clerk of Liberty Association. Motion and second that Rev. Nation be elected by acclamation. The body so ordered the election.

Rev. George Shore, Pstor of Denton First Baptist Church, was recognized, as Chairman of the Committee on Order of Business. Bro. Shore offered the printed program as the order of business for this session, noting the need for a change at the 1:30 P. M. hour, this item to be heard at 10:25 on Wednesday morning instead. In this condition, the Association then accepted this agenda for its business.

The registrars reported that 33 of our 42 churches had, at this early hour, already registered 151 messengers and that 58 visitors were now in attendance. Rev. J. O. Walton, host pastor, offered words of welcome and gave instructions concerning the church facilities available for the convenience of the guests. There were no committee appointments to be heard at this hour.

Next item of business was the recognition of new pastors who had come to Liberty Baptist since we last met. Rev. Ted Williams, Missionary to the Association, asked such men to come forward. The following men responded: Rev. W. F. Bowen, pastor at Clear View; Rev. Lloyd Elliott, East End; Rev. Parks Harris, Greenwood; Rev. Hoyt Adams, Glennanna; Dr. William H. Williams, interim at Lexington First. Rev. Ted Williams offered the welcome of the Association to these men who had come to work with us and among us.

REPORT OF THE EXECUTIVE COMMITTEE

The following report was given by Rev. Robert Nation, as Secretary of the Executive Committee.

The Executive Committee of the Liberty Baptist Association met four times during the year: November, February, May and September. Rev. Leonard Rollins served as moderator in each case.

The November meeting concerned itself with these matters: Treasurer John Penninger, Jr. stated that $1,000. had been paid on the money which the Association owed to the Jersey Baptist Church. Interest has been paid for a year and another thirty days in order to make the next interest due date coincide with the associational year. The Committee approved this action.

Motion and second that the association request from the state convention aid in the same amount as they requested and received for the previous year. The motion was sustained.

A report was received concerning the Tick Ridge Mission. Motion and second that the association authorize the request of the Abbotts Creek Baptist Church, as the sponsoring church, for $2,500. from the General Board for the purchase of a building site for this work. It was so ordered.

Rev. F. Stanley Hardee requested that a motion which he had made in the annual meeting regarding the method of nominating the moderator and vice moderator be stricken from the record. The decision of the Committee was as worded as follows: "That we reaffirm our faith in the past procedure of nominating the moderator." The body gave unanimous approval.

The report of the clerk to the Committee was that the minutes were being printed at a cost of approximately $383 and that delivery had been promised within the next two weeks.

February, 1961: Associational Missionary Ted Williams brought a report of the action of the General Board regarding various requests from our association for financial aid for the year. All had been approved as requested except one. This exception represented only a slight reduction in the amount and not a rejection of the project.

The name of Rev. Sam O'Neal was presented as subject to the approval of the Committee as R. A. leader for Liberty Baptist. The group approved the nomination and ordered the election of Rev. O'Neal.

Treasurer John Jenninger referred to a bill received for moneys spent on the Evangelistic Conference. The bill was in the amount of $68.02 and represented the cost of programs and postage. The Committee was

asked to state the source from which this bill should be paid. On motion and second, the Treasurer was instructed to take this amount from the $100. excess Central Training School budget allocation.

Bro. Ted Williams discussed the genuine need that was being felt for a new mimeograph for the work of the association. He offered possible sources of income sufficient to purchase such a machine. Action taken was to the effect that the chair appoint a committee of two or three to study the matter and empowered to act according to their best judgment. Chairman Rollins named the following to serve: Rev. Ted Williams, Rev. Roger Williams, and Rev. George Shore.

May, 1961: After ample discussion concerning the mission of the Greenwood Baptist Church, motion was offered by Rev. J. O. Walton and seconded by Rev. Richard McQueen that the Committee approve the church's application to the Baptist State Convention for aid for a church site. The motion carried.

The resignation of Mr. Horace Buchanan as president of the Associational Brotherhood was accepted. The Committee on Nominations submitted the name of Mr. John Roberts to fill this vacancy. He was then elected by acclamation by the members.

Rev. Kenneth Miller gave the report of the committee studying a possible "associational Sunday" in the churches. The report, adopted by the Executive Committee, contained three main emphases: (1) That a week of prayer for associational missions be observed this year during June 25-July 1 and each year thereafter on the date suggested in the directory of the Baptist State Convention; (2) That a program of suggested emphasis be prepared by the associational missionary and mailed to each church to be used as the church may think best; (3) That each church prayerfully consider sharing the support of the associational work.

September, 1961: Only two matters were acted upon in this meeting. Motion and second that the clerk be allowed to use his own judgment as to whether or not the minutes should be proof-read before printing. This requires about two additional weeks of time when the minutes are being printed far from home.

Motion by Bro. Vernon Sparrow and second by Bro. Kenneth Miller that the trustees be instructed to authorize the painting of the exterior of the associational pastorium and such parts of the interior as may need it, provided the money is available to do so. The motion carried.

The average attendance for the meetings was 28; absences averaged about 76.

Respectfully submitted,
Robert Nation, Clerk
Executive Committee

The above items represented only the more important matters handled by the committee during the year. The report was adopted.

At this hour the registration of messengers had reached 164 messengers from 36 churches. There were now 106 visitors registered.

Moderator Rollins asked for our cooperation with **The Lexington Dispatch** in the making of pictures for the paper. Several pictures were made of the general officers of the association, as well as of the entire assembly.

Miscellaneous business was called for at this time. Chairman Rollins read section 1, article 2, dealing with church membership in the association. He asked that this section of our constitution be waived at this time in order to accept the Hillcrest Baptist Church into our Association. It was stated that this is a newly formed church, coming as the result of the work of the Abbotts Creek Baptist Church. They had worked with our proper committees and had duly applied for admission into our Liberty Baptist Association. On motion and second that this article in our constitution be waived for this session only, the avenue was opened by which we could receive this church at once. The motion carried without opposition. It was then requested that the pastor of the sponsoring church, Rev. W. H. Walton of Abbotts Creek, make the motion to receive the Hillcrest Baptist Church under watchcare for one year and then into full fellowship if it seemed wise at that time. The motion was made and seconded and carried unanimously. Rev. Rollins called such members of this new church as were present to come forward, and they were cordially welcomed into this new and significant relationship.

Minutes from the organizational meeting reveal that such a meeting was held on August 6, 1961. Some 125 friends were in attendance. After the conclusion of the devotions, the body elected Rev. Carl Hemphill as moderator and Bro. Numa Everhart as secretary. The organizing council was composed of Rev. Ted Williams, Rev. Troy York, Rev. A. C. Moody, and Rev. Carl Hemphill. Mr. Sammy Young, clerk of the mission, read the records. They gave historical data, church covenant, articles of faith, constitution and by-laws. Rev. Ted Williams made the motion to approve the mission as a duly organized missionary Baptist church. The motion carried unanimously.

Bro. Sammy Young presented the names of forty-two persons who would be charter members. It was moved, seconded, and approved that the present officers of the mission would be declared the officers of the new church. Moderator Hemphill then declared the mission to be a duly constituted and approved missionary Baptist church.

Rev. A. C. Moody, pastor of the Southside Baptist Church of High Point, preached the sermon, using as his subject, "The Church that Jesus Built." He listed four guiding principles: (1) Democratic government, (2) Pure doctrine, (3) Simple worship, and (4) Adequate ministry. The meeting adjourned following the right hand of fellowship being extended to the new church. The music was under the direction of Rev. W. H. Walton and Mr. Carey Davis.

REPORT ON BROTHERHOOD

This report was brought by John Roberts, Editor of **Charity and Children.** Mr. Roberts stated that he had planned to have Rev. Sam O'Neal to give his R. A. report. However, Rev. O'Neal was unable to be present, and Mr. Roberts read, also, the R. A. report which has been prepared by Rev. O'Neal. These are the two reports:

One of the great joys and privileges afforded Baptist men is membership in the Brotherhood. Men in many of our churches have learned to appreciate the value of Brotherhood, and although growth in membership is slow it is nonetheless consistent.

In the Liberty Baptist Association 15 churches had Brotherhood organi-

zations at the time of the last official tabulation. These organizations range in size from 10 to 75 members for a total of 396 men enrolled.

The Brotherhood Commission for the Southern Baptist Convention reports more than 700,000 men in Brotherhood. This indicates that the slogan of recent years, "A Million Men For Christ," may soon become a reality.

The Brotherhood is intended to discover the particular talents and abilities of all men and to enlist them more fully in the total church program. The church can become stronger in its work and witness by availing itself of the services of its men in the areas of personal witnessing, stewardship and world missions.

One of the major concerns of Brotherhood is work with the Royal Ambassadors, which was assumed by the Brotherhood five years ago. Interestingly, our churches which have one of these organizations almost always have the other. All but two of our churches reporting Brotherhood organizations also report organized Royal Ambassador chapters. Two churches report R.A. chapters with an absence of Brotherhood work.

Brotherhood work in the Liberty Association is as strong as the united efforts of hundreds of dedicated Christian men who are willing to give of time, talents, and money in their witness for Christ. Yet it is weakened by the indifference of hundreds more who are content to have their name on the church roll while taking no interest in opportunities for greater service.

The greatest opportunity for service is with Royal Ambassadors, boys of 9 through 17 who can be given much in Christian training and leadership by the men in the church. The Royal Ambassador program will be completely reorganized during the new associational year, with materials and leadership provided through the Baptist State Convention. This will make the program more attractive and more effective with both men and boys.

The cry of Brotherhood is for more men for a stronger witness, and a more effective work with our men of tomorrow.

Respectfully submitted,
John E. Roberts, Ass'nal President

REPORT ON ASSOCIATIONAL R. A.

During the past year much has been accomplished in our associational R. A. program. For this we are grateful to God. Also this report would not be possible had it not been for the loyal support and cooperation of several individuals in our association. To them I say a personal word of thanks.

Rev. Bill Jackson, State R. A. Secretary, was with us at the Rich Fork Church and presented the new R. A. program to our associational R. A. leaders. During the summer many of our boys participated in the associational R. A. baseball league. Perhaps the highlight of our year's R. A. activities came in August with our associational R. A. camp at Camp Albert Butler near Roaring Gap, N. C. Forty-five of our boys along with nine counselors and staff members attended the camp. This was a time of inspiration, information, and recreation enjoyed by all on the beautiful mountain top. The camp could not have been without the help of many throughout our association. Thank you so very much. Especially

to our associational missionary and the other men who went to camp and assisted in such a wonderful way a word of thanks is necessary.

Respectfully submitted,
Sam H. O'Neal

REPORT ON WOMAN'S MISSIONARY UNION

The next item on the agenda, the report on the Woman's Missionary Union, was brought by Mrs. Paul Kesler, Associational President of the W. M. U. The report was read and accepted by a unanimous vote. The report follows:

"Christ for the whole wide world," was the W. M. U. hymn for the past year. Women and young people of this association have been trying to make this possible as they have prayed, studied, witnessed and become more aware of the needs of the world.

Many meetings for the promotion, information and inspiration have been held during the year. October was a month of leadership training. Each Thursday night was set aside for this purpose, the first one being used for leadership conferences. 150 women from 22 churches attended. The remaining three Thursday nights were devoted to leadership accreditation courses in W. M. S., Y. W. A., G. A., and Sunbeams. 145 leaders and W. M. S. members now hold leadership accreditation cards.

This was a year of prayer and most reports indicate the observance of the Foreign and Home Mission weeks of prayer. Offerings for each of these causes have increased.

January 23rd the W. M. S. members and the Brotherhood held a missions rally. 350 men and women attended and were inspired by the program.

The annual W. M. U. meeting was held April 20th with Summerville Church. Mr. and Mrs. Bertis Fair brought inspiring and informative messages on their work among the migrants. Miss Kathryn Bullard, State W. M. S. Director, reminded us of the opportunities that are ours as we are privileged to serve Christ through W. M. U.

The most outstanding work among our youth organizations was with the G. A. Mrs. J. H. Godfrey, G .A. Director, has been responsible for this growth and interest of these leaders and girls. Last year 458 girls attended Junior and Intermediate meetings planned by the girls and Mrs. Godfrey. Surely, much remains to be done but we are so grateful for our consecrated Director.

Looking forward to another year. We see many opportunities and needs in our W. M. U. work. Our goal to see young people's organizations along with a W. M. S. in every church has not been met. However, let us work and pray more as we become aware of the needs of the world. "The Love of Christ constrains us to share His Love with all mankind."

Respectfully submitted,
Mrs. Paul Kesler, Ass'nal President

REPORT ON HOME MISSIONS

The Moderator called for the Home Missions report. Mrs. Leonard Rollins responded with an interesting report, further enhanced by visual

aids. The report received the approval of the body and is here entered in the record.

Miss Fannie Heck, in her last presidential message to W. M. U. in 1915, admonished: "Strive for the conversion of those around you as faithfully as for the heathen." That "striving" is the work of the Home Mission Board and all who cooperate with it. These are the highlights of Home Missions:

Pioneer Missions: A major share of the personnel and resources and 62 percent of the budget of the Home Mission Board are used in 30 states of the northern and western sections of the nation. Dr. Courts Redford reports that we have 2,335 churches in these states where we had only 79 in 1940.

12,000 of 30,000: The growth of new churches and missions has been accelerated by the 30,000 movement. The latest report by C. C. Warren showed 11,817 started by January 1, 1961.

Site Funds Strengthened: Strengthening of the mission board's church site fund has come through a waiving of interest for 2½ years on site loans, and an allocation of $250,000.00 from the Annie Armstrong Offering in 1961 to the Church Loans Division.

Church Extension Year: To begin the effort to start 6,000 churches and missions in 1962, more than 800 student missionaries were enlisted in 1961.

Home Mission Territory Increases: Hawaii Baptists have asked the Evangelism Division for assistance, and other home mission programs will be started on these islands when requested. A survey of Puerto Rico is being made by the Home Board of needs and opportunities among the island's 2½ million inhabitants.

Cuba Reports Growth: Revivals in the 4 provinces where Southern Baptists sponsor work resulted in 5,116 conversions, and gifts to the churches increased by 20 percent.

Detroit Named as Big City: Detroit was allotted $100,000.00 for loans with which to purchase sites and buildings in the "Big Cities" program.

Chaplains: Six hundred and sixty-four Southern Baptist ministers serve as chaplains for the military, institutions, and industry in the United States, with an additional 768 commissioned in reserve forces, Student programs, or the National Guard.

Missionaries: A home mission budget in excess of $4 million (60 per cent from the Cooperative Program and 40 percent from the Annie Armstrong offering) supported 2,035 missionaries during the past year. These workers reported 51,463 baptisms .

Needs: Despite a record force, urgent personnel needs were announced by Glendon McCullough, personnel secretary, for Good Will Centers, Japanese, Russian, Spanish, and Italian work. "We need more than 270 workers now to fill requests, some vacant for two years because qualified personnel have not been found," he said.

Respectfully submitted,
Mrs. Leonard Rollins

RESOLUTION CONCERNING G. WILSON MILLER

Bro. Sam J. Smith, beloved member of Lexington First Baptist, asked for the privilege of putting a resolution before the body. He submitted the following:

Whereas God in His infinite wisdom has seen fit during the last year to remove from our councils, Bro. G. Wilson Miller;

And whereas he attended the sessions of this body for a period of nearly 70 years, first as a delegate from the old Liberty Church, in honor of which this Association was named, then after moving to Lexington, as a delegate from that church.

And whereas he was deeply devoted to the causes of the Denomination and work of the Association, serving on committees, giving reports and in many other ways, including being Moderator of this body five times, in 1931, 1932, 1933, 1934 and 1938.

Therefore, be it resolved that the minutes of this the 1961 session be dedicated to his memory. This being so noted on a front fly leaf of the minutes along with a picture of him.

Respectfully submitted,
Sam J. Smith

The motion received a second and the unanimous approval of the body. The assembly rose and stood for a moment in silence as a tribute to our departed friend.

The Chair recognized a number of visitors from beyond the boundary of our association. Those recognized at this time, as well as others who visited with us at a later session were: R. H. Buie, High Point; Rev. E. C. Roach, Pastor at New London; Rev. Gilmer Beck, Pastor at Cleveland; Rev. and Mrs. R. N. Honeycutt, interim at Smith Grove; Rev. and Mrs. Robert Taylor, Grapevine Baptist Church; Mr. and Mrs. W. H. Feezor, Salisbury; Rev. W. A. Poole, Superintendent of Homes for Aging; Mr. and Mrs. James Olive, Homes for Aging, Winston-Salem; Mrs. Charlie Walton, Salisbury; Dr. Douglas Branch, Executive Secretary for North Carolina Baptist, Raleigh; Mr. J. Raymond Nelson, Mars Hill College; Mrs. Nora Wilder, Raleigh; Dr. Roger M. Smith, Foreign Mission Board, Richmond, Va.; Dr. Carl Bates, First Baptist Church, Charlotte; Dr. Eugene Poston, Gardner-Webb College; Dr. W. K. McGee, North Carolina Baptist Hospital, Winston-Salem; George McCutter, Campbell College; Mr. Marse Grant, Editor Biblical Recorder, Raleigh; Mr. Nicholson, Wake Forest College.

Morning Worship Service—

Host Pastor, Rev. J. O. Walton, offered helpful hints about things to come, how to get down to the meal in the quickest manner, etc., church facilities, etc.

Bro. Carey Davis, Associational Secretary of Church Music, presented the new East Davidson High School glee club. Composed of some 22 members, they sang two selections. These were a special arrangement of "Jesus Saves" and "How Great Thou Art." Mr. Davis had the congregation to join the singing of the final chorus. It was a fine atmosphere which prevailed as we prepared for the annual sermon.

Rev. Roy J. Smith, Pastor of Jersey Baptist and alternate for the

preacher of the annual sermon, read the Scripture. It was found in Mark's Gospel, 1:35-39. He led in the prayer before the message.

Rev. W. H. Walton, Pastor of the Abbotts Creek Baptist Church, preached the annual sermon. He spoke on an assigned subject and from an assigned text. The text was Mark 1:38, and the subject was "Going Elsewhere." Bro. Walton's words were incisive and thought provoking, calling upon us to follow our Master's example. Dr. William H. Williams pronounced the benediction and sought God's blessing upon the table blessing soon to be enjoyed. Thus, were we adjourned until the convening of the afternoon session.

TUESDAY AFTERNOON SESSION

Churchland Baptist Church

The song which opened the afternoon session was "Saviour, Like A Shepherd Lead Us." It was led by Mr. Carey Davis, With Mr. Richard Conrad at the organ and Mrs. Charlie Smith at the piano.

Rev. Parks Harris, new pastor at Greenwood Baptist Church, led the devotions. He was taking the place of Rev. James Bolick who could not be present. Rev. Harris read from Matthew 9:36-38 and closed with offering prayer.

REPORT ON CHRISTIAN LITERATURE

The Chair called now for the report on Christian Literature. Mr. John Roberts, Editor of Charity and Children, gave the report. The report was adopted, and Mr. Marse Grant, Editor of The Biblical Recorder spoke to the report. He compared the meager work that we Baptists are doing with the printed word to what some other denominations are doing. He used Our Sunday Visitor, a Catholic weekly, as an example.

North Carolina Baptists are fortunate to be able to report a substantial increase in Christian literature during this year. More kinds and more copies of Christian papers and periodicals are going into our homes than ever before. This increase is not only keeping pace; it is gaining on our growth in membership.

We have little way of knowing the extent to which the Christian literature is read after it reaches the home, but the enthusiasm with which it is received has never been greater.

Members of the Liberty Baptist Association have a strong tie with the publications in our state, Charity and Children and the Biblical Recorder.

Charity and Children, published in our own association by the Baptist Children's Homes in Thomasville, is now reaching more people than ever before. It goes into every association and most of the churches of the state and is sent on a complimentary basis to every pastor and Sunday School superintendent.

In the Liberty Association 29 churches subscribe for Charity and Children in bulk form for 1,069 subscriptions.

The Biblical Recorder is the official publication of the Baptist State Convention. It has a steadily growing circulation which is now higher than ever before.

The Biblical Recorder is also sent on a complimentary basis to every pastor and Sunday school superintendent. This summer a new experiment in winning readers was tried — the Recorder was sent for two months on a trial basis to every family in any church which would request it and provide a mailing list.

Most of us are personally acquainted with the Recorder editor, Marse Grant, and many of us know him as a close friend.

Periodicals and publications available for every home through the Southern Baptist Convention and its agencies include Home Life Magazine, The Commission, and Home Missions. Available for those interested are the Sunday School Builder, Training Union Magazine, The Church Musician, and Church Adminstration.

Our women and girls should have Royal Service, The Window, and Tell. The men and boys should all receive the Brotherhood Journal and Ambassador Life.

The most effective way to suppress bad literature is to supplant it with good literature. Throughout North Carolina and the Southern Baptist Convention our Christian literature is available to take its rightful place at the head of the list of wholesome reading matter.

Respectfully submitted,
John E. Roberts

Mr. Nicholson from Wake Forest College was recognized to speak briefly concerning the work of the North Carolina Baptist Historical Commission. He called attention to the value of our Baptist records for future generations and urged closer attention to this matter in the local churches.

REPORT OF ASSOCIATIONAL MISSIONARY

Associational Missionary Ted Williams reported concerning his work for the past year. After reading his report, Bro. Williams asked Rev. Roy Smith to give an evaluation of the Church Achievement Program. Bro. Smith related those values which his own church seemed to have received from it. These reports were received as information only.

Dr. Douglas M. Branch, speaking in Nashville, Tennessee two years ago made the following statement: "The association is a symbol of the togetherness of Baptists." Within the past year cooperating churches of the Liberty Baptist Association have demonstrated the truth of this statement. The record that has been written is the result of churches working cooperatively in the implementation of the Great Commission of our Lord here in Davidson County.

Much of the work done is in the realm of the intangible, yet facts and figures speak for themselves. During the past year your Missionary has been in the churches 131 different times — in some capacity other than just visiting. He has preached, taught or spoken 106 times, has had 236 individual conferences, 52 group conferences, and 55 committee meetings. In all of the work he has driven 28,940 miles.

As was stated in the report last year, the most significant and far reaching work has been the Church Community Surveys. Four churches have had the program during the year — Jersey Baptist Church, Rich Fork Baptist Church, Southside Baptist Church, and Reeds Baptist

Church. (A map of the Reeds community prepared during their survey is on display in the auditorium today.) A Mission Survey was conducted in the Tyro community. Several weeks have already been spent in preparation for the city-wide Church Community Survey of Thomasville scheduled for this October 20 - 28. We highly recommend this Survey program to all of the churches of the Association.

Just recently a completely new Church Achivement Program has been launched by the Church Development Department of the Baptist State Convention. It was the privilege of your Missionary to serve on the committee which prepared the new program. Our own Coordinating Committee of the Association has studied this new program and has voted to approve it and recommend it to the churches. (Jersey Baptist Church participated in the Church Achievement Program during the past year, and has just recently submitted to the Church Development Department the record of achievement. I am asking Brother Roy J. Smith, pastor of Jersey Church, to give a very brief testimony of what this program has meant to his church.)

In other areas of service, your Missionary has assisted in several Church Community Surveys in other parts of the state as an approved worker of the Church Development Department. During the annual North Carolina Conference of Associational Missionaries this past July, he received the distinct honor of being elected as president of this group.

May our spirit in the Association continue to be one of TOGETHERNESS and may we pray that God's Kingdom will come and His will be done through our combined efforts.

Respectfully submitted,
Ted W. Williams, Missionary

The registration committee offered the final tally for the day and reported that 36 churches had registered 177 messengers, and 106 visitors had signed by this time. These figures did not include numerous others, possibly both messengers and guests, who had failed to register. Additional messengers and friends were expected at subsequent sessions.

It was noted that Dr. Douglas Branch, scheduled to speak on "The 30,000 Movement" had not arrived and possibly would not arrive in time to speak during the afternoon session.

The report of the Associational Mission Committee was deleted as per vote of the morning acceptance of the day's order of business.

Mr. George McCutter, representative from Campbell College brought words of greeting from that good Baptist school and solicited our continued support of its kingdom work.

A call was made for other visitors from beyond the limits of our Association to stand and be recognized. No new ones had arrived since the last ones were recognized.

Mr. Carey Davis directed the musical period, as we sang "Amazing Grace."

REPORT ON EVANGELISM

Rev. Rollins recognized Rev. F. Stanley Hardee, Pastor of Thomasville First Church, for the purpose of bringing the report on evangelism. The report was given and was adopted by a vote of the assembly.

As Baptists we have believed by statement if not always by example, that "Evangelism is the carrying out of the Great Commission of Jesus Christ. This includes making disciples, baptizing converts into the fellowship of a New Testament Church, and teaching them that they may mature in the faith which was once delivered unto the saints. Evangelism is the heart of God's work on earth," and should be the primary concern of every saved member of a local church.

The first section of our report deals with this year's stewardship in this area of "first" concern.

(1) We have sought during the year to keep the matter of evangelism before our churches by regular discussions in our Pastor's Conferences, and through obtaining monthly reports of baptisms and other additions to the local churches.

(2) In January we conducted one of the most successful Evangelism Clinics ever held in the State of North Carolina. Directed by Dr. A. L. Parker it was one of the best attended meetings of our Association this year.

(3) Our statistical report for the year as compared to other years is as follows:

	1959	1960	1961
Baptisms	475	463	471
Letters, others	560	392	451
Total Additions	1046	855	922

The second section anticipates with great optimism the work of our coming year.

(1) For more than a year we have been laying the ground work for our BAPTIST JUBILEE REVIVALS in all the churches of our Association next April 1-15. Every church has been asked to commit itself to participate in this county-wide effort. To date some 22 churches have voted to share in this simultaneous effort.

(2) Already many of these churches have their revival preachers lined up, and we encourage others to do so immediately so we can begin to finalize plans together.

(3) Dr. Forest Feezor, native of our county, and former Secretary of the Convention in Texas, is to preach in First Baptist, Thomasville, and direct the Baptist Jubilee Revival Crusade in the county where he was reared. Already Dr. Feezor and I have spent many hours talking and corresponding about our proposed plans.

(4) We have plans for the greatest Associational Evangelism Clinic ever to be held on January 11th, at the First Baptist Church, Thomasville, when Dr. Julian Hopkins and Mr. Gary Hartcock will help us launch our 1962 effort.

(5) Our Baptist Jubilee Revival Rally, at which time our whole Association will be challenged to join in a Mass Evangelism Rally, will be held on March 12. Consideration has been given to the largest places in the county to meet due to the anticipated overflow crowd. Dr. R. Archie Ellis, former president of the Baptist State Convention of North Carolina will preach at the mighty meeting.

(6) There is a section of our Associational Budget which you will note carefully to assist in the executing of these plans. But, we ask

every church to consider additional co-operative expenses, and to be prepared to share in the best promotion, publicity, and effort which human Baptists can promote.

(7) Plans are already set up for regular meetings of the Baptist Jubilee Revival Committee and I want to assure you that through every channel God provides for us, we shall seek to make meaningful this "County-Wide Crusade." Nothing less than every church participating will bring us a strong measure of satisfaction. And, if your church cannot have two weeks of meetings, we urge you to join with us during April 1-8 in the all out effort to reach folks for the "faith."

Respectfully submitted,
F. Stanley Hardee

Rev. Hardee then presented Dr. Carl Bates, Pastor of the First Baptist Church, Charlotte, N. C. The pastor of this great 3,500-member church spoke concerning the Great Commission. This was the concluding message of the day, and the day closed on high ground. It was a stirring challenge to every thoughtful and earnest Christian. Rev. W. F. Bowen, Pastor of the Clear View Baptist Church pronounced the benediction. We stood adjourned until 9:45, Wednesday, September 27.

WEDNESDAY MORNING SESSION

Smith Grove Baptist Church

The musical prelude was provided by the Davis Brothers, from 9:30 to 9:45. Mr. Carey Davis then led the congregational singing, using the hymn, "Holy, Holy, Holy." He was accompanied by Mrs. Charlie Smith, Associational pianist.

The session was called to the order of the day's business by Moderator Leonard Rollins. Rev. Ben J. McIver, Pastor of the Erlanger Baptist Church, conducted the morning devotions. He called upon Dr. Douglas Branch to lead in prayer, following which he read from the Gospel according to Luke, the 5th chapter. He added words concerning the experience of the Apostles fishing and catching nothing.

REPORT ON CHURCH MUSIC

Mr. Carey, esteemed member of the Abbotts Creek Baptist Church and Associational Secretary of Church Music, brought this report. The report was read to the assembly and promptly adopted. This is the report:

Music has the peculiar advantage of an emotional appeal, both in appreciation and in expression, which most other subjects do not have.

Music has always been identified with worship from the earliest Biblical times to the present.

Music is one of the most potent factors the world knows for influence upon the lives and emotions of man. Baptist are a singing people, they recognize that music is a dynamic force of worship, education and evangelism. There is more thought put on music to worship the Lord today than there has been since the beginning of the Christian age. Through Music we can get hold of God many times when nothing else can seem to get through to the Throne of Grace.

The following is information received from some of our churches and are an estimate of choir members and church music activities we have in the Association:

The Average Choir Members in Each Church: Adults — 25; Youth (10-16 years) — 25
Total Pianists in the Association — 185; Total Song Leaders — 185
Total organists — 60
Instruments in churches: Pianos — 150; Organs — 30

Let's each church in the Liberty Association strive to put more emphasis on the music of our church. This New Year, if at all possible, we should have a trained music director to teach our singers — especially the youth of our churches.

SOME OF OUR PLANS THIS YEAR—

1. Carol sing in December
2. An Associational Training School
3. Hymn Sing.

Respectfully submitted,
Carey J. Davis

Mr. Davis then urged a more whole-hearted cooperation on the part of the pastors with the music ministry of the association.

REPORT ON AMERICAN BIBLE SOCIETY

The Chair recognized Rev. W. H. Walton for this report. The adopted report read as follows:

The Bible is the book of all books and a definite need of every individual.

A Chinese college student said, "We students want to know Jesus. We must have this Book."

Another said, "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

These two statements express a great need that can be accomplished by and through the American Bible Society. The world must have the Bible because it presents Christ Jesus, the only hope of man and nation. Each person must have the Bible in his own language.

The Bible is the essential tool for missions and evangelism. The Bible itself is a missionary. It can go where the missionary cannot go. It can stay on the field after the missionary has been forced to leave and will keep on speaking to many hearts. But we must remember that in many lands people cannot afford the cost of just printing the Bible.

The American Bible Society helps missionaries translate the Bible. It publishes without note or comment and distributes without profit and usually below cost. In cases of special need, the scriptures are furnished without charge. The American Bible Society is an active partner of the Southern Baptist Convention and serves every form of our work around the world.

In 1960 the American Bible Society rejoiced that some parts of the Bible had been published in 1165 languages, the full Bible in 221, the New Testament in 277.

The American Bible Society gave over one million scripture volumes for distribution by chaplains to armed forces and veterans hospitals which served as a vital link between the home, the church, and the service men.

The American Bible Society observed its 125th anniversary of supplying, far below cost, scriptures for the blind in Braille and other raised-letter systems and also talking books and records. It has made available records of parts of the Bible in 30 languages and others are being prepared .

The American Bible Society has helped the Korean Bible Society to distribute more than a million scripture volumes in one single year, and has been encouraged by the interest in Japan where for the last five years almost 2 million scripture distributions were made.

In 1960 the American Bible Society distributed throughout the world 23 million volumes of scripture. This is an increase of over 5 million over 1959.

Southern Baptists support the American Bible Society upon whom they can depend for Bibles in poverty stricken areas. In 1960 Southern Baptists gave to the Society $151,626.00 while the Methodists gave $151,934.00. Gifts from all churches in the United States totaled $1,001,768.00.

The world-wide need for Bibles is still great. May we challenge our churches to support this much needed and most worthy cause.

Respectfully submitted,
W. H. Walton

REPORT ON TRAINING UNION

Bro. Vernon Sparrow, Superintendent of Mills Home, brought the report. Following its reading, the conference approved the report. The report is given below.

During the past year, the Associational Training Union Officers have sought to encourage the churches of the Liberty Association to realize the importance and the imperative of training in church membership. We as officers desire to be used more and more by the member churches in providing help in building better Training Unions. The activities promoted last year were as follows:

At "M" Night on December 5, 1960 at the Mills Home Church, there were 531 people present from 22 churches with 17 pastors and 20 Training Union Directors. Rev. William L. Bennett from Greensboro was the speaker. The Central Training School was held at Mills Home, March 20-24 with courses offered in all the Training Union Manuals for the various departments. The Training Union Tournaments were conducted at the Central School with participants in all four departments. Several of the Junior Memory Work participants went on to the Region and State Tournaments and were declared State winners. Our better speaker winner, Miss Nell Hoyle, received second place honors at the Regional Tournament. Associational Youth Night was observed at the Liberty Baptist Church on April 8 with Mr. and Mrs. W. A. Mitchner of Oxford bringing a Foreign Missions Message and showing slides of Mission Fields in Central America. There were 120 young people present from 11 churches.

As we pledge ourselves to work harder during 1961-62 to promote more effective Training Union Work, we recommend the following goals:

3 additional churches with Training Union
250 gain in Training Union Enrollment
200 Training Union Study Course Awards
12 churches observing Church Membership Week in March
15 churches observing Youth Week.
550 goal for "M" Night attendance
200 goal for Youth Night attendance.

We solicit your support and your earnest prayers in attaining these goals.

Respectfully submitted,
Vernon S. Sparrow, Director

REPORT ON SUNDAY SCHOOLS

Rev. Don Moore, Pastor of the Park Place Baptist Church, asked that the report be adopted without being read. The desired action was taken. This is the adopted report.

This year of 1960-61 has been a good one of expansion and growth for the Sunday Schools of Liberty Baptist Association. There continues however, an urgent need for Christian education in our local Sunday School programs.

Jersey Church was the only church to report a standard Sunday School. Missionary Ted W. Williams presented the award to the Jersey Church in August.

The Associational Vacation Bible School Clinic was held at Mills Home in April. Thirty-eight churches held Vacation Bible Schools during the year and two of them reported Standard of Excellence work. These were Park Place and Stoner's Grove.

The Associational Sunday School organization held quarterly mass meetings to promote some phase of Sunday School work. A Central Training School was held at Mills Home in March, with a total of 187 awards earned in Categories 15, 16, and 17. A grand total of 375 awards were earned during the year.

An efficiency rating of 93% and a grade of B were earned by the Associational Sunday School in a January, 1961 check-up by the Sunday School Board of the Southern Baptist Convention on a progress report.

Plans for 1961-62 include the observance of an Action-Night in September, 1962, a meeting which will roughly correspond to the Training Union's M-Night in December. Another goal is the 600 awards that the officers hope to see earned in our churches during the year. Our officers would also like to see at least 21 of our churches earning awards this year in Category 17.

Special emphasis will be given in 1961-62 to the Standard of Excellence as a guide for enlarging and developing the Sunday Schools.

It is also hoped that all 42 of our churches will observe Bible Study Week in January and have a Vacation Bible School during the summer of 1962.

Respectfully submitted,
Donald D. Moore

Bro. Moore then requested that he be allowed to use his allotted time in delineating those factors which appear to be detrimental to the purpose and work of the Sunday school. Saints in the wrong places were said to be the culprits.

REPORT ON MINISTERS' ANNUITY

Mr. Beamer Barnes, layman from Lexington First Baptist, brought a very helpful report on this phase of the minister's outlook. The report was as follows:

The Relief and Annuity Board no longer exists—name-wise, that is. The official name is now "Annuity Board of the Southern Baptist Convention."

Convention-wise in 1960, there was a 9% increase in membership over 1959. Total membership beginning January 1960 was 22,578. Four thousand of the participating churches are paying the full 10% dues of the pastor. This is an increase of 17% over 1959.

As of April 1 of this year, six States had enrolled more than 70% of their churches and pastors in the protection plan. Seven States were in the 60's percentage-wise and eleven showed participation between 50-60%. The District of Columbia's participation was 94% and the average participation of all States was 63%.

Over $2,700,000.00 were paid to more than 5,200 retired and disabled ministers and denominational workers or their widows during 1960. Since the Board's beginning in 1918, it has paid out benefits of over $34,000,000.00.

In the Liberty Baptist Association, 21 churches are participating in this vital program plus the Association on behalf of its missionary. Since there are 43 churches in our Association, you can see we are not percentage-wise keeping abreast of the total Convention participants.

It is felt all churches participating in the protection plan are keenly aware of its program and benefits; but, for those not currently informed, I believe the following facts should be mentioned:

1. All pastors, educational directors, and all church employees, in North Carolina, are eligible to participate in the plan.

2. The plan is set up for retirement, disability, and death benefits to the estate, widow or children.

3. The cost as originally set up is 5% paid by the participating church, 5% by the pastor, and 5% by the State Convention up to a maximum salary of $4,000.00. It is earnestly recommended that the church assume the pastor's five per cent and thereby pay 10% of the pastor's salary with the Convention's 5%. The amount of benefits, of course, is dependent upon the pastor's salary times the number of years he has participated in the program, with certain exceptions in the event of death or disability.

It is the earnest hope of the Southern Baptist Convention that our ministers. widows, orphans, and those suffering under disability while serving in the Master's Name shall not be reduced to abstract poverty nor subject to the shame of public charity. It is felt that no one could conscientiously say that our pastors are overpaid. Inflation and con-

tinuing spiral or inflation goes on sapping the purchasing power of those serving on a fixed salary. Neither is it right for a pastor serving the high cost of Christianity forced to take a side job, so to speak. Since most pastors have no degree of security, financial or otherwise, to absorb the shock of death or disability, I feel it imperative that our churches should and could give their pastors the protection plan offered by the Convention. Every non-participating church is therefore earnestly urged to seriously consider the enrollment of their pastor in the plan of protection sponsored by our Southern Baptist Convention.

Respectfully submitted,
Beamer Barnes

The report was adopted.

REPORT ON PUBLIC MORALS

Dr. F. M. Powell, former professor at Southern Seminary, read the following report and moved its adoption by the session. The motion was sustained, and the report is found below.

Perhaps it would be impossible to separate Public and Private Morals — but morals, public and private, fare pretty must as the late Mark Twain said about the weather: "Everybody talks about the weather but nobody does anything about it!" Jesus was concluding the Sermon on the Mount when He said: "Everyone therefore that heareth these words of mine and doeth them" shall be likened unto the prudent man who founded his house upon the rock — and he that just hears, was likened unto a foolish one who founded upon the sand. If Hurricane Esther had hit our mainland, as at first predicted, what a multitude of shambled shacks there should have been!

Human life and personality are still our cheapest commodity. Ruthless slaughter persists on our highways and skyways; immoralities and debaucheries, of unnamable sorts, flourish by day and by night, while we blandly nourish the damnable liquor traffic! We tolerate, if we do not encourage corrupt and dilatory court practices, as we "wink at" putrid and pernicious individuals and officials, high and low, local and nation wide!

Perhaps more intimately, we need to repent in sack cloth and ashes as we acknowledge that the majority of Liberty Baptists are "robbers," according to Malachi 3:10; that too many of us have no sustained interest in world missions, and that more than three-fourths of us never attend, or evidence concern for, the Sunday evening service or midweek prayer meeting! But for the Grace of our Lord, perhaps we all should be "cursed with a curse."

Respectfully submitted,
F. M. Powell

Mr. Carey Davis asked that we sing "Majestic Sweetness Sits Enthroned." Following the interlude of singing, the Chairman called for items of miscellaneous business.

Rev. Rollins called attention to the limitation on time regarding submitting materials to be included in the annual minutes of the Liberty Association. All church letters were called for not later than September 29 and all other items not later than September 30. Items coming later than that would risk being too late for inclusion.

Mr. Beamer Barnes referred to the present danger of atomic war and the resulting "fallout." He moved that a fallout shelter be provided for our associational missionary. After some good bit of discussion, some serious and some in a lighter vein, it was moved and seconded that "We direct the trustees to look into the matter and recommend such action to the Executive Committee as may seem wise. The Executive Committee shall be empowered to act as they may choose." The motion carried, with a very weak vote "pro" and none 'con."

Announcements were made by interim pastor, Rev. Honeycutt, of the host church, Smith Grove. He referred to the church facilities, made us welcome, etc. Also he presented the incoming pastor of the Smith Grove Church, Rev. Ray Billings.

Rev. Rollins read Section 2 of Article II from our Constitution, dealing with churches failing to report to or cooperate with the Association in other stated ways. It was noted that Sheets Memorial Baptist Church seemed not to have met these conditions. In compliance with the constitutional requirement, motion and second by Rev. Carl Hemphill and Rev. George Shore that the Chair appoint a committee to meet with and to ascertain the wishes of the church relative to continued membership in the Association. The motion passed unanimously. At a later hour, the Moderator named the following committee: Mr. Beamer Barnes, Chairman; Rev. Roy Smith, Rev. John Walton, Rev. Ted Williams, Rev. Leonard Rollins.

Any visitors present were given an opportunity to stand and be recognized. Mr. J. Raymond Nelson, representative from Mars Hill College, responded. He spoke very briefly about the college.

REPORT ON ASSOCIATIONAL MISSIONS

The report was read by Rev. Don Moore and was accepted by a vote of the conference. This is the report Rev. Moore gave.

From all measurable reports, this has been a productive, fruitful year for Liberty Baptist Associational Missions.

Under the competent leadership of our dedicated missionary, long strides were taken in the work and rapid advance was made. The church community potential surveys continue to strengthen our present churches and spotlight new areas in which to develop new work. During the year, surveys were conducted at Jersey, Reeds, Rich Fork, Southside, and a mission survey in the Tyro community.

The mission survey at Tyro revealed 121 prospects, besides the mission enrollment on the date of the survey (which was 80 in April), for a total potential of 201 at Tyro for a Baptist work.

Brother Tommy Wall is serving as pastor of the Tyro Mission.

Another notable advance in our missions program during the year came with the decision of Lexington First to establish its own missions committee to study and make recommendations regarding possible mission sites for sponsorship by the church. This committee is and will be working closely with the associational missions committee in the future. It is hoped that others of our churches will follow suit in this matter of continuing to seek potential mission sites.

Plans have been made for a city-wide survey of Thomasville by the Baptist churches. This survey is scheduled for October 20-27, 1961 and will be directed by Ernest C. Upchurch, Secretary of the Church Development Department of the North Carolina Baptist State Convention.

Respectfully submitted,
Donald D. Moore

REPORT ON TIME, PLACE, PREACHER

Rev. Fred Jurney served as chairman of this committee and brought the following recommendations, which were approved by the body.

By constitutional authority, our next regular Associational meeting will be held on Tuesday and Wednesday, September 25 and 26, 1962.

By previous vote at the annual meeting in 1957, the meeting will be held the first day with the Oakhill Baptist Church, and Walters Grove Baptist Church assisting. The second day will be held with the Richfork Baptist Church.

For the Preacher and alternate for the Annual Sermon, we recommend that the Sermon be preached by the Reverend Roy Smith, Pastor of Jersey Baptist Church and the alternate to be the Reverend Fred Jurney, Pastor of Southside Baptist Church.

Respectfully submitted,
Rev. Fred Jurney

REPORT ON ELECTION OF OFFICERS

Rev. Bennie Crawford was recognized as chairman of this committee. He, in turn, recognized Rev. Richard McQueen to help him read the recommendations or nominations. These names are listed in their proper places in the directory to be found at the front of this issue. It was noted that no provision was made for the continuance of the work of the historian. The committee then replied that this was just an oversight in recording the recommendations, that the name of Mr. Sam Smith had been approved by the committee. By common consent, it was added to the current listing. Following the suggestion of the committee the general officers were voted upon separately. They were approved, as were all the others listed as committee members. The latter was by a subsequent vote.

Upon question from the floor, it was noted that it was not necessary to vote on the associational missionary each year, as he is not subject to an annual call. Incoming committees on nominations were instructed to note this and delete such from their annual recommendations to the Association.

Motion and seconded and sustained that we understand such approval upon these committee appointments to extend, also, to those committees usually appointed a bit later to round out the Sunday School, Training Union, W. M. U. organizations.

REPORT ON STATE MISSIONS

Mr. R. E. Muth, Treasurer for Mills Homes, read this report. It was ratified by Associational action. This is the report:

Although the Divisions of State Missions are now serving in more than thirty phases of work, the emphasis is "For Growth In State Missions." There remain many unmet needs within the boundaries of North Carolina.

601 more Churches and Missions are needed now in addition to the 161 new Churches and 220 new Missions established only this year in cooperation with the "30,000 Movement."

A balanced approach to evangelism through clinics will be held in all 80 Associations between October 1, 1961 and March 31, 1962. These are designed to strengthen evangelism in the Churches with a special emphasis on personal evangelism and Baptist Jubilee Revivals.

Vacation Bible Schools in military areas are a new venture launched by the Sunday School Department last year, for children living in trailer parks near Fort Bragg. 27 accepted Christ and two permanent Mission Sunday Schools have been a direct result of this.

With dedicated, theologically trained B.S.U. Directors on 15 campuses, we still need 9 additional directors. Directors are the Christian workers on campus who are seeking to serve the churched and unchurched among the students and faculty.

The Training Union Department undergirds the local Church as it seeks to reach the 1300 churches in North Carolina without Training Union. Summer assemblies, Associational enlargement campaigns and leadership schools seek to help the local church enhance its program.

Each of the fifteen different departments have their own special needs and are worthy of our support. North Carolina is growing, changing, and developing rapidly. New industry and new people are moving into our state as never before. North Carolina Baptists must meet the challenge and take North Carolina for Christ for as missions are strengthened here at home, so are missions made stronger around the world.

Respectfully submitted,
R. E. Muth

Upon completion of the report by Bro. Muth, Dr. F. M. Powell called attention to the fact that Mr. and Mrs. Muth and family would be leaving our midst for work elsewhere and moved that we stand as a token of our esteem for this fine Christian family. The assembly arose as indicative of its approval.

The next item of business was an address by Dr. Douglas Branch, Executive Secretary for North Carolina Baptist. He used as his text, I Corinthians 3:9, "For we are laborers together with God." He gave us a better insight into the demands which our times will make upon us as Christians.

Following the address, there was a motion by Rev. Hemphill that we as an association go on record as approving the action of the general meeting held in Greensboro last May 4th. The motion received a second by Rev. Roger Williams, and it was sustained by a vote of the assembly. It may be stated here that the action referred to was in regard to our Christian stewardship in the field of Christian education.

Secretary of Music Carey Davis led in singing of "At the Cross." Announcements were made relative to the forthcoming lunch.

REPORT ON FOREIGN MISSIONS

Rev. C. M. Pegram asked that this report be adopted without being read. The time was approaching for the time for adjournment for lunch, and his wish was to give the speaker all the time possible. With his request having been granted, the speaker for the climax of the morning hour was announced and presented. Dr. Roger M. Smith, administrative assistant to Dr. Cauthen, Richmond, Virginia, spoke to us relative to the needs of the hour in the area of foreign missions.

Missionary Personnel: Many Places of Need

Appointments totaling 137 during 1960 and 31 from January to May 1961, bring the number of foreign missionaries in active service to 1,500. The appointment goal for all of 1961 is 160. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1960, there were 786 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work and religious education. "Strong emphasis must be made to the effect that we cannot take Advance for granted. It would be a dangerous thing indeed to assume that just because God has blessed us in the response of increasing numbers of those whom he has called that somehow these ranks will continue to swell regardless of what we do." Missionaries are serving 45 countries.

World Evangelization: The Ultimate Goal

Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in work of the churches in their stations.

National pastors number 2,447. Most of the churches have Sunday schools, and many have other church-affiliated organizations. The 3,399 churches and 6,522 chapels and mission points reported a Sunday school enrolment of 389,138. There were 31,107 baptisms during 1960, and church membership reached the 452,975 mark. (These figures include estimates for China.)

Education: Training National Leadership

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,023 Baptist schools, which enroll 159,352 students, are served by 5,347 national and 299 missionary teachers. Among the schools are 37 theological institutions with 1,378 students and 4 women's training schools with 275 students. Other schools range from kindergarten to college.

Medical Work: Unlimited Opportunity For Soul-winning

This ministry is carried on through personal contacts with the patients and their families, devotional services, distribution of literature, and follow-up visitation after patients leave the hospital.

Medical mission institutions include 18 hospitals and 72 clinics and dispensaries with a total of 1,233 beds. There are 55 missionary and 78 national physicians, plus 60 missionary and 249 national nurses. They served 286,907 patients during the year, of whom 29,255 were in-patients.

Cornerstone was laid for a Baptist hospital in Fortaleza Brazil (a project of Brazilian Baptist with only a token gift from Southern Baptist), in June, 1960.

Receipts: Advance Must Continue

Total contributions of Southern Baptists for Foreign Missions amounted to $17,312,163.35 during 1960. Funds from the 1960 Lottie Moon Christmas Offering totaled $8,238,471.07.

The advance section of the Cooperative Program (75 per cent of funds after Convention-wide budget is reached) came to $819,396.62 in 1960.

Home Office

One hundred and twenty-five people work at the Foregin Mission Board's home office, located at 3806 Monument Avenue, Richmond, Va. The Board's magazine "The Commission" reported an average circulation of 104,110 last year.

Respectfully submitted,
C. M. Peagram

Rev. Ray Billings, incoming pastor of the host church, Smith Grove, pronounced the benediction and offered thanks for the food. The meeting stood adjourned for the lunch hour.

WEDNESDAY AFTERNOON SESSION

Smith Grove Baptist Church

The session resumed with Mr. Richard Conrad, Minister of Music at the Wallburg Baptist Church, leading in congregational singing. The hymn was "Saviour Like A Shepherd Lead Us."

Rev. Ted Williams took charge of the devotionals, in the absence of Rev. Hoyt Adams. He read from Matthew 23 and called upon Rev. Robert Nation to lead in the prayer.

Rev. Carl Hemphill, Vice Moderator, took the chair and called for the next item of business on the agenda. He asked that Dr. W. R. Wagoner, General Superintendent of the North Carolina Children's Homes, explain a reference seen in the newspaper to the effect that "Southern Baptist had gone into the real estate business." Dr. Wagoner explained that his was a simple investment of money paid into the annuity program. This money can not be allowed to lay idle. It must earn interest in order that the annuity program be solvent at all times.

It was pointed out that the report on Foreign Missions had not been adopted in the morning session. Rev. C. M. Pegram moved the adoption of the report, and it was so ordered.

REPORT OF RESOLUTIONS COMMITTEE

In the absence of the program chairman of this committee, the report was read by Rev. Robert Nation. The following set of resolutions was adopted:

The Liberty Baptist Association wishes to express sincere appreciation to Churchland and Smith Grove Baptist Churches for entertaining the

129th session. These churches have worked faithfully to provide for the needs of each of us present.

We would also like to thank our Moderator, Leonard Rollins, for his leadership during the year and in this session here today. To our Clerk, Robert Nation, we would like to express our appreciation for his untiring work.

We appreciate the work of the host pastors for their leadership in providing for our needs.

We further commend the Program Committee for the excellent program and our deep appreciation for each denominational worker representing the various agencies who gave of their time and talents to appear on the program.

Our appreciation also goes to the Secretary of Church Music, Carey Davis and Mrs. Charlie Smith, and all who in any way helped with the music at this session.

Respectfully submitted,
Max Myers, Chairman
Resolution Committee

MEMORIAL SERVICE

As a tribute to our departed friends, Rev. B. V. Broadway conducted the following service. He read the names of 67 people who had passed to their rewards since last we met. He read suitable verses from the Gospel according to John, chapter 14. At his request, Bro. Carey Davis led us in singing "In the Sweet By and By," and then we prayed together. The names of the departed members of the Liberty Baptist Association are found elsewhere in this volume.

REPORT ON THE HOME FOR THE AGING

Rev. Jack Alexander, a minister from the membership of the Denton Church, brought this report. It was read and adopted. The following is the report he brought:

We are now in our eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are now finding happiness and peace, love and security, in their new home.

There are 130 people waiting for admission at the present time, lack of room is our greatest problem. We as North Carolina Baptist are doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof. This, our fourth home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962.

The Special Day offerings and special gifts are running 17% ahead of last year's gifts, and we are especially grateful to each church and to each individual for the support to the wonderful cause.

The appointment of Mr. C. O. Weaver of Greensboro, N .C. as Business Administrator of the Homes has proven to be one of the greatest blessings of the year. This dedicated layman is serving with unusual ability and is doing splendid in his work.

The average age of the residents of our homes is around 80, and we rejoice that the life-span is increasing. One of our residents, Aunt Fannie Drumright, reached her 100th birthday on July 6th. She is the first resident in our North Carolina Baptist Home to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the loving kindness of North Carolina Baptist through the tender care of our Homes.

The happiest times in the homes are when friends and members of North Carolina Baptist churches visit them. Won't you pray and continue the same support in the future that you have in the past.

Respectfully submitted,
John C. Mangum

Rev. W. A. Poole, Superintendent of the Homes for the Aging, was requested to speak concerning the Homes. This he did, briefly. Then introducing Mr. and Mrs. James Olive, members of the Home in Winston-Salem, he asked them to speak out of their hearts concerning the home. This they did very gladly and very effectively.

REPORT ON CHILDREN'S HOMES

The chairman scheduled to give this report was not present and no written report was given. It was stated that one would be forthcoming for the minutes, and it was voted by the association to receive it as such and to insert it in the minutes when it arrives.

Dr. W. R. Wagoner, Superintendent of the North Carolina Children's Homes, spoke of the work being done, noting its progress through the years until it has reached its present impressive status.

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 125. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering — 33 Per cent
Cooperative Program — 32 Per cent
Once a Month Offering — 18 Per cent
Special Gifts and Endowment — 17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before -- well over 52,000. Every family in every church should receive this Christian newspaper.

REPORT ON THE BAPTIST HOSPITAL

The report was offered by Rev. Richard McQueen, Pastor of the Stoner's Grove Baptist Church, and was adopted without reading. The report which was adopted is given here.

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics — 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

SOME OF THE NEWER SERVICES

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-ray Department a rapid film developer is now in use which greatly speeds the preparation of X-ray films.

One of the most recent additions is a Pastor's Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

THE MOST URGENT NEEDS

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent

record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

REPORT OF THE HISTORIAN

Mr. Sam J. Smith read the following report which was subsequently adopted into the associational record.

In keeping with a recommendation adopted at the 1959 session of the Association, this report will be a brief history of the Smith Grove and Churchland Churches.

Smith Grove Church

The Smith Grove Church was organized on October 26, 1908, under the direction and guidance of Rev. S. D. Swaim. The organization meeting was held in the old Beck School House. Pine Meeting House of Piney Baptist Church, which is now Churchland, granted letters of dismissal to 45 of its members to form the Smith Grove organization; the 45 were as follows: J. C. Beck, Margarett Beck, J. B. Brewer, Lula Brewer, R. H. Beck, Alice Clement Parks, Margarett R. Clement, L. A. Earnhart, Girtha Earnhart, Charles Earnhart, Margarett L. Earnhart, H. W. Grubb, Thirt Grubb, Sallie Green Robertson, Lula Gobble, J. R. Grubb, Docia Grubb, J. H. Grubb, Cora B. Grubb, Mollie H. Koonts, W. H. Smith, Mollie Smith, C. B. Simmerson, Sarah E. Simmerson, J. S. Pine Meeting House—Piney Baptist Church—Churchland

Just what date religious services were first held at this place is not known; it was most likely some time before 1800. The records show that in 1803 Benjamin Abbott for the consideration of $25.00 made a conveyance of two acres of land upon which to build a meeting house. The deed was made to a Board of Trustees consisting of Robert Bradshaw, Richard Barnes and Benjamin Abbott. This Board of Trustees represented four denominations, the Lutheran, Presbyterian, Baptist and Methodist and were set out in the deed as Revival Congregation.

The Baptist had no organized church until about 30 years after this. Some years before a church was organized by the Baptist, Fork Baptist Church, in what is now Davie County, had set up an arm or mission here.

In May 1837 the Fork church granted letters of dismissal to the following: Elisha Nunnaly, Elizabeth Nunnaly, Richard Barnes, Fannie Barnes, Nancy Barnes, Martha Hodgins, Ferabee Lookingbee, Wiley Coates, Thomas Hartley, Zilpha Hartley and Isaac, a colored man, to become the charter members and organize a church at what is now Churchland. Elder Joseph Pickler, pastor of the Fork church and Elder Joseph Wiseman, pastor of the Jersey church were invited as a Presbytery to recognize the newly organized church, this was done on May 17, 1837. The church was named Pine Meeting House. Elder Pickler was called as its first pastor, he served three years and was succeeded

by Elder Wiseman, who served for 4 years. The church was then without a pastor for a few years, then Elder C. W. Bessant was called.

According to records the Baptist continued to worship in the union church building which was erected on the two acre tract of land mentioned above. This land is now the old cemetery opposite the Primitive Baptist Church. The building on this tract of land erected by the Revival Congregation was 20 feet wide and 40 feet long, built of large long logs, with a gallery for slaves to occupy during worship services.

In 1875 the Baptist erected a house of worship of their own, on a tract of land near by which was donated by John Barnes and Henry Clement and the name of the church was changed to Piney Baptist Church. (The late Henry Sheets carried the church in his history of the association by the name of Pine Meeting House until the name was changed to Churchland). The parsonage now stands on this lot. About this time the church took new interest in Sunday Schools and all phases of mission work. A full time Sunday School was started and maintained. At that time most of the few churches that had Sunday Schools closed them for the winter. The church was now supporting all mission work fostered by the denomination; this interest lived and bore fruit not only on the mission fields of the world, but also on the local field at home.

In 1903, Rev. J. M. Bennett, who lived in the community and was pastor of the church at the time, called a community meeting to discuss what could be done to provide better educational advantages for the young people of the community. Churchland High School was organized as a result of that meeting. S. G. Hasty, a young Wake Forest graduate was called as the first principal and served as such for 15 years. Under his leadership the school became a large boarding school, partly maintained by the state, many young people of the community as well as many from adjoining counties were provided a Christian education and went on to pursue their education further in college and represented many professions in life. A large number of boys from the school became preachers.

For several years around 1905 the Churchland church had the largest membership of any church in the Liberty Association.

By 1918 the church and Sunday school had outgrown its plant, under the leadership of Rev. J. T. Gillespie, the church erected a new building consisting of an auditorium and eight Sunday school rooms, which was completed in the spring of 1920; again the name of the church was changed, this time to Churchland. Soon after this building was completed the first B.Y.P.U. and first W.M.U. were organized.

I do not know who the first president of the W.M.U. was but in 1924 it was Mrs. L. E. Rickard, nor the first president of the B.Y.P.U. but in 1925 it was Mrs. Lea Barnes.

In 1946 a seven room parsonage was built and the first full time pastor was called, he was Rev. V. L. Andrews.

By 1951 the Sunday School had again outgrown its building facilities, a plan for a new educational building was approved, the church launched on a campaign to raise funds to build the plant. Rev. W. F. Gentry was pastor at the time, work on the building was begun, but during the construction of the building Rev. Gentry accepted a call to the Walkertown Baptist Church. The work on the building was at a standstill for

a short while but in May 1953 Rev. J. O. Walton was called as pastor of the church and by Easter 1955 the educational plant was completely free of debt. The building consisted of 30 rooms, including a pastor's study and complete facilities for a departmental Sunday School.

But with the educational building completed the building fever of the church did not go to sleep; there was a great desire among its members to recast the front of the church and for a new modern church auditorium. A goal was set to raise at least $100.00 per week to do this work, this was carried forward for two years, the work on these two projects was begun in May 1957 and was completed by the last of that year with new pews in the auditorium and chimes installed. The chimes were installed as the result of an initial gift by a crippled boy, Lee Simmerson.

Rev. J. O. Walton is still pastor of this church; during the last eight years he has led them to great accomplishments in their building programs and in a Spiritual way. The pastor and people are due unstinted praise for their accomplishments. The church plant is valued at $150,000.00 free of debt.

In the one hundred and twenty-four years of history of the church it has had three names, (or four if we include The Revival Congregation). It has had four houses of worship. Its pastors in addition to the first three already mentioned have been as follows: Asariah Williams, John Cornish, H. Morton, S. F. Conrad, Wm. Turner, E. Allison, Henry Sheets, J. M. Bennett, Thomas Carrick, Jeff Lanning, S. D. Swaim, J. F. Fletcher, J. L. Carrick, Ben Ingram, J. T. Gillespie, June Carter, John F. Crouch, H. T. Penry, R. C. Foster, C. H. Foster, Earl Bradley, N. C. Teague, V. L. Andrews, W. F. Gentry, and the present pastor Rev. J. O. Walton.

Since 1924 the following have served as church clerks, A. C. Kesler, W. Hence Beck and A. W. Snider; As Sunday School Superintendents: Glenn Barnes, W. H. Lomax, Paul Kesler, and Willie Allbright; As church treasurers: L. E. Rickard, Aubrey Kesler, Graham Barnes and M. J. Kesler; As presidents of the W.M.U.: Mrs. L. E. Rickard, Mrs. W. A. Beeker, Mrs. B. C. Duncum, Mrs. Graham Barnes, Mrs. Odell Walser, Mrs. W. A. Hannah, Mrs. O. T. Davis, Mrs. Raymond Darr, and Mrs. Paul Kesler. The W.M.U. at Churchland has always been among the leaders in the Associational Group.

Before this year the Association had met with the church eight times, in 1839, 1870, 1883, 1891, 1904, 1921, 1937 and 1952. At the meeting in 1839 Eli Carroll was the Moderator, he also preached the annual sermon; this man can justly be called the father of Liberty Association.

Last year the church had a membership of 411 and 364 in the Sunday School.

We praise God for the people of these two churches, for those living and for the hundreds that have gone to Eternal Glory; we thank Him for the magnificent buildings of worship here and over the entire association; but God forbid that we should glory in anything save Jesus Christ and the Holy Spirit; the same Holy Spirit that dwelt in the old log building 125 years ago, and can dwell in no building except as it dwells in the hearts of human souls.

Respectfully submitted,
Sam. J. Smith.

REPORT ON CHRISTIAN EDUCATION

Rev. Bennie Crawford, Pastor of the Reeds Baptist Church, prepared and gave this report. He moved the adoption of the report, and its adoption followed: The following is the report on Christian Education.

The term "Christian Education" denotes every type of Christian training which we provide in our homes, churches, communities, schools, colleges and seminaries for the purpose of Christian growth. But in this report we are more directly concerned with the ministry of our seven Baptist colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

We are not satisfied to be only a good college, nor even a good Christian college. There must be the added Characteristics which are distinctive to the Baptist faith. Herein is our reason for being. Our colleges should offer opportunity for a thorough study of Baptist history and doctrine to all its students. Perhaps such courses should be required by those who are in training for church-related vocational service.

State colleges, by their very nature, work under certain restrictions which prevent them from doing this task. Of all people, Baptists do not expect the state to teach religion in any form. We have said throughout our history that this is the responsibility of the church. Our state colleges must deal with the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of secular education, Baptists with our homes, churches and colleges must witness to our faith as it is related not only to the means but also to the ultimate ends of life.

With this general concept of the Baptist colleges, our forefathers set about to provide colleges where Christian education would be provided not only for ministers and other church leaders, but for leadership in all areas of social activities. For some of our wise educators have foreseen that through secular education alone we are rapidly losing our early Christian education emphasis. Unless something is quickly done to change this trend we can find little hope for our churches and our Christian homes. There can be no Christian homes and churches in today's world when we cease to provide Christian education in Christian colleges.

The principal characteristic of a Christian college is to be found in the men and women who constitute its perosnnel — not in buildings and subject matter. These people determine largely the kind of Baptist denomination of the future. It is becoming more and more difficult each year to secure and keep dedicated and well-trained teachers in our colleges because of low salary standards of our schools. This needs to be corrected immediately in order to insure the future of our students and our colleges.

Now take a quick look at our young people who are living in our seven college communities for the greater part of each year. There are about 8,000 regular students enrolled, with about 2,000 in special work and summer school. Two-thirds of these are Baptists and one-third other denominations. Three-fourths of all Baptist students are in other than Baptist colleges. Of the Baptist students attending one of our seven colleges, one out of eight students is preparing either for the ministry or some other church-related vocation. Here we find our

Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The needs are many and much. The recent provision made through the Cooperative Program by our Convention can but only scratch the surface of such a great need, and at best, give a small promise of educational security to our Baptist youth of tomorrow.

What can we do to help?

1. Be informed and concerned. Read about our colleges and visit them.
2. Encourage our best students to attend.
3. Pray for these schools.
4. Support the Cooperative Program, especially the Program of Advance.
5. Promote and support Christian Education Day in our churches.

Respectfully submitted,
Bennie Crawford

Chairman Hemphill presented another Hemphill. He was Rev. Fritz Hemphill, President of Fruitland Baptist Institute, Hendersonville. Rev. Hemphill related to us something of what this school is attempting to do for men who have felt a call to Christian service and have not had the opportunity to prepare.

Moderator Rollins assumed the chair again and asked for other Baptist school representatives to stand and be recognized. Mr. J. Raymond Nelson spoke very briefly concerning Mars Hill College. Dr. Eugene Poston, President of Gardner-Webb College, then brought the message on Christian education. Before it was concluded, there had been born the conviction that Gardner-Webb College was in safe, Christian hands.

The Committee on Nominations, appointed by Rev. Rollins, was as follows: Roy Holder, Chairman, B. V. Broadway, Kenneth Miller, Mrs. Roger Williams, and Willard Myers. Chairman Rollins spoke words of appreciation concerning the program committee and the outstanding program which they had provided.

He then called Rev. Roger Williams, incoming Moderator, to the stand and presented to him the gavel, the sign and the symbol of the high office to which he had been elected by the Liberty Baptist Association. Rev. Williams accepted, with appropriate words of praise for the commendable job he had done. He asked that Rev. Rollins pronounce the benediction. And the 129th annual session of the Liberty Baptist Association had gone the way of all the earth and slept beside its 128 sister sessions.

Constitution

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I — Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II — Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III — Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV — Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V — Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Supeirntendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also). They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI — Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII — The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII — Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and soverign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2).

Article IX — Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

By-Law I — Parlimentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parlimentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

By-Law II — Associational Year

For the purpose of determining the period of time to be covered by the annual reports of the Associational officers and church letters to the Association, the Associational year shall begin September 1st and close August 31st.

By-Law III — New Churches

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other member churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the fellowship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies For the Establishment of Missions

1. Definite sponsorship by an established cooperating church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage the Mission from the beginning in giving a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant articles of faith, and constitution, the group will proceed at a later group to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing The Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

The attention of the Association was next directed to the application for membership in the Association by two new churches. Moderator Williams called on Rev. Leonard Rollins, Chairman of the Missions Committee for presentation of this question.

First, Tyro Baptist Church was presented with the recommendation that it be accepted under watchcare as provided in the Constitution. A proper second was given and the motion was carried.

Second, Hillside Park Baptist Church was presented for watchcare status by Chairman Rollins with the request that Section 1, Article 2, dealing with church membership in the Association be waived at this time in order to accept Hillside Park Baptist Church into our Association. It was stated that they had fulfilled all other requirements. Rev. Parks Harris, pastor of Greenwood Baptist Church, the mother church, gave a good explanation of the delay in meeting this particular requirement. Being satisfied with this explanation, the delegates accepted Rev. Rollins' motion and second by Rev. Charles Young as it voted its approval.

Pastor Raeford Cooke and several of the members of Hillside Park came to the front to be recognized and greeted.

Following this action, the Moderator entertained a motion for Hillcrest Baptist Church to be received into full fellowship in the Association. The motion made by Rev. Robert Nation was seconded and the vote of acceptance followed.

Rev. Robert Canipe, pastor of Hillcrest, and several of its members were greeted into this new relationship as Moderator Williams gave to them the right hand of fellowship in behalf of the Association.

During the past year several new pastors have come into our Association. Rev. Ted Williams, Associational Missionary, called the names of these as follows: Ray Billings, Smith Grove; Anthony Gurganus, Churchland; Herbert Baker, Denton, First; Hoke Coon, Lexington, First; R. C. Foster, New Friendship; James Helvey, Rich Fork; Gerald Hewitt, Welcome; Robert Canipe, Hillcrest; W. A. Knight, Glennanna; Raeford Cooke, Hillside Park; Tommy Wall, Tyro; Robert Moore, Walter's Grove. At this point Rev. Williams called for Dr. F. M. Powell who came with his humorous and warm remarks to extend a hand of welcome to these men.

REPORT OF THE EXECUTIVE COMMITTEE

The report that follows was read by Rev. Robert Nation, Secretary of the Executive Committee.

The Executive Committee of the Liberty Baptist Association convened four times since the last session of the Association adjourned. These meetings were called in October, February, May, and September. The report of this Committee to the Association is indicative rather than exhaustive in an effort to accommodate itself to a full program of business and inspiration.

October, 1961: Bro. Robert Carroll, member of last year's Finance Committee, reported that the customary audit of the Treasurer's records had been completed, and all was in perfect order. There were no questions, and this report was received by common consent.

The request of two of our sister churches for aid from the General Board was heard. These churches were Hasty and Calvary. On motion and second that these two applications be approved, some bit of pertinent discussion followed. This centered around the request of Calvary and was occasioned by the fact that aid was being requested for land which had already been purchased and paid for, and that this land was being used only as a parking area. Rev. J. C. Mangum, pastor of Calvary, was asked for a statement of clarification. He set forth the thinking and the position of the church to the satisfaction of the Committee.

When it was noted that other requests for aid from the General Board were expected but had not been received, motion to amend was offered. This motion was to the effect that in addition to approving these two requests, the Moderator, Chairman of Missions Committee, Associational Missionary be empowered to act upon the other requests, giving the Committee's approval to the usual ones, but excepting any new ones. This amendment was seconded and approved by committee vote. The motion as amended also was sustained.

February 26, 1962: Treasurer John Penninger stated that $65.00 had been spent on paint for the interior and exterior of the associational pastorium and for a small bit of guttering. Bro. Ted Williams painted the interior free, and The Dixie Foundation had painted the exterior without charge. The Treasurer, also, informed us that the old water heater in the pastorium had had to be replaced with a new one. This had been done as an emergensy measure, after consultation with the other trustees. The financial report was adopted first, following which action, Rev. Roy Smith moved that the $87.50 presently in the Pastorium fund be applied on the hot water heater and that the balance be taken from the general fund. Bro. Bennie Crawford's second was recognized, and the motion was sustained by voice vote.

Reports were given concerning three mission works: The Church Street Mission was asked to approach Lexington First about sponsoring this work and that it continue as a chapel and not think of an organizational status at this time. Concerning the Hillside Park Mission in Thomasville, recommendation was offered that we endorse their intention to organize. The Committee, also, presented the same recommendation concerning the Tyro Mission. Rev. J. C. Mangum, pastor of the sponsoring church for the Tyro work, spoke as to the benefits the church had received from this missionary outreach. Motion carried.

Jubilee Revival effort income had not quite matched the expenditures, there being a deficit of some $29.00 plus. Motion and second was heard that the treasurer be instructed to pay this deficit out of the general fund. Further, it was suggested and approved by common consent that the Treasurer and Jubilee Revival Chairman F. Stanley Hardee continue to look to the churches which had not paid their share of this expense.

Missions Chairman Leonard Rollins reported on the organization of the Tyro Mission in to church status and the Ledford Baptist Mission.

John Penninger stated that a bill had been received from the City of Lexington for $240.75 for curbs and gutter assessments on the associational pastorium. Roy Holder offered the following motion, seconded by Carl Hemphill: that we pay this bill by monthly installment at such rate as to liquidate the debt in 12 months, with the Finance Committee having the option to recommend to the Annual Meeting such action as would call for payments of larger dimensions. Motion sustained.

September 10, 1962: The matter of the Erlanger Baptist Church, being granted monetary recognition for having afforded our Missionary office space, was called before the body. After some discussion there was a motion and second that we write them a letter of appreciation, noting this fine contribution which they had made, but that we make no effort to place any monetary value on it. The motion carried, and the secretary was instructed to write the letter of appreciation. The secretary was also instructed to make this a part of his report to the Annual Meeting, thus making it a part of the Associational Minute.

Chairman of Missions, Leonard Rollins, reported on a meeting which his committee had held with the comparable committee from the Pilot Mountain Association regarding the establishing of a mission work in the Eller community. This community is on the line between these Associations. Action taken resulted in a request from the local committee that the Pilot Mountain Association assume responsibility for this work. A vote of the Pilot Mountain Missions Committee showed this to be the desire of that committee.

A request was received from the Tyro Baptist Church, asking the General Board for $2,500 assistance on the purchase of a church lot. Motion and second was heard that we recommend such a grant to the Board, after the information listed in the request had been checked and approved by the Missions Committee. Approved.

The body was informed that the Missions Committee had met with the Hillside Park Mission last December 8, at which time an intention was stated to apply for membership in the Liberty Baptist Association as soon as organizational status was achieved. Due to no fault of the Mission, they had not been able to organize when they had desired. This would make it impossible for them to give written intentions of applying three months prior to meeting of the Association. The discussion concerned itself with this problem. The concensus was that a suspension of the governing rules would be called for in order to admit them this year, and this being beyond the power of the Executive Committee, by common consent, we shall wait to ascertain the pleasure of the Association in session.

Respectfully submitted,
Robert Nation, Secretary
Executive Committee

Following the reading and approval of the report, Miss Sally McCrackin, Treasurer at Mills Home for 47 years, was recognized for her faithful attendance at the Executive meetings.

The registrars reported through the Clerk that there were 128 messengers representing 33 churches with more coming in. Twenty-one visitors had also been registered.

Former pastors of the Association were asked to stand. Those present were Rev. E. C. Roach, Rev. Robert Taylor, Rev. Hoyt Adams, and Rev. C. M. Pegram.

REPORT OF FINANCE COMMITTEE

The report of the Finance was also presented by Mr. John Penninger, Jr. in the absence of Rev. Roy Smith, who had recently left our locale to do mission work in the western part of the state.

Rev. Stanley Hardee brought up the question of salary for our Associational Missionary. It was noted on a statement from Dr. Spivey that our Missionary's salary was about $300 below other Associations of comparable strength. Rev. Kenneth Miller then added a word on the giving of our churches, to challenge them to raise their giving thus leading to a raise in our Missionary's salary. There being no further discussion Rev. Vernon Sparrow moved that the budget be amended to include a raise of $300 in salary for our Missionary. The amended budget was then approved by the delegates.

TUESDAY AFTERNOON SESSION

Oak Hill Memorial Baptist Church

The song which opened the afternoon session was "O For A Thousand Tongues." It was led by Mr. Carey Davis.

Rev. H. M. Baker, new pastor at First Baptist Church, Denton, led the devotions as he spoke of the Christians as the "Salt of the Earth and the Light of the World" in the program of World Missions. He said, "Missions is not an elective, it is an imperative."

A representative of Gardner Webb College, Mr. Tom McGraw, was recognized as he placed a number of brochures on the table for the messengers to take back to their churches.

Rev. Roger Williams, Moderator stepped down as he asked Vice Moderator Roy Holder to preside.

REPORT ON CHRISTIAN LITERATURE

Mr. Holder then called Mrs. Stanley Hardee, Jr., to bring the Report on Christian Literature. Following the reading of the report, it was adopted by the assembly.

We, as Baptists, are fortunate indeed to have such a vast wealth of Christian literature at our disposal. Our world today is in desperate need of the abiding truths that are found on the printed pages of our Baptist publications. As we take advantage of this valuable literature, we become better informed Baptists, and more effective Christians.

Our Southern Baptist literature is available to every state in the United States as well as many of our foreign countries. We realize anew how important it is that our Christian literature reach our foreign friends when we learn that Russia intends to spend $340 million by 1965 to extend the Soviet printing and publishing industry; thus spreading their Communist propaganda. How urgent is the need to supply Christian literature to our friends who are grasping for some belief which offers security, ere they become indoctrinated with Communism which is truly a fraud.

Home Life Magazine, Home Missions, and The Commission are available to every home throughout the Southern Baptist Convention. The Training Union Magazine, Sunday School Builder, The Church Musician, and Church Administration are provided for those interested in these particular areas of work.

There are publications for each member of every family. For the women and girls there is Royal Service, The Window, and Tell. For the men and boys there is the Brotherhood Journal and Ambassador Life.

We in Liberty Association are especially proud of our state publications, The Biblical Recorder, and Charity and Children. The Recorder editor, Marse Grant, and the Charity and Children editor, John Roberts are due resounding praise for the wonderful way they convey the local, state, and convention wide news through their respective printed pages.

Charity and Children is now reaching more people than ever before. It goes into every association and most of the churches throughout the state.

Even though the Biblical Recorder will be 130 years old next year, it continues to be as fresh and up to date as the morning headlines. Our state paper is solid and dependable, yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

The Recorder keeps us in touch each week with Baptist happenings around the world. It also serves as an open forum for discussion of issues in which all of us are interested. Because we are a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the Recorder during the past year.

More than 1,700 churches now have Recorder Clubs, but that number should be at least 2,000. This goal can be attained if pastors and church leaders put forth a special effort.

Today our world needs the message of Christ as never before. No country in the world has the printing resources comparable to ours. On the wings of the printed page, we can and must send this powerful message, the message of God and His love for a lost world.

Respectfully submitted,
Mrs. Stanley Hardee, Jr.

In line with the above report, Mr. Marse Grant, Biblical Recorder Editor, came to the platform and spoke of his responsibilities as editor of a Baptist publication. At the same time he pointed out that the constituents also have a responsibility. "These are sensitive days in which we must not run from controversy." Endeavoring 'to speak the truth in love' is my philosophy," said Mr. Grant. He gave a list of the sixteen churches in the Liberty Association which do not have Recorder Clubs.

REPORT ON BROTHERHOOD

The call for the report on Brotherhood brought Mr. John Roberts, Editor of Charity and Children, to the front. After the report was read it was adopted by the delegates.

One of the greatest privileges afforded the men of Liberty Baptist Association is membership in the Brotherhood. This organization provides for Christian fellowship and is a unique avenue for service. It has a distinct advantage of offering association and comradeship between the men of Brotherhood and the organization for boys — Royal Ambassadors.

It is encouraging to note in most of our churches which have a Brotherhood the men enlisted are enthusiastic and dedicated. Yet it is disappointing to realize that hardly one man in every four in this association is in Brotherhood. Our work lies clearly before us as we realize that every church has needs that can best be met by Brotherhood. We believe that in every age, God calls men!

Our growth is slow, but in most cases steady. The Brotherhood in one of our churches disbanded during the year, but we had new work established in three others for an overall gain of two.

The Liberty Association has Brotherhood in 20 churches this year. We look forward to the time when we can report an organization in every church of the association.

Under the leadership of the Rev. Carl Hemphill with able assistance from the Rev. Parks Harris. The Brotherhood is engaged in a program of work of transition to the new and highly organized program of RA work. As our men and boys become more familiar with this work and the materials are readily available we believe the program will be very strong. We plan during the coming year to undergird the ministry of the churches by participating in a statewide Brotherhood endeavor — RISE —Revivals In Stewardship Enlistment.

The men of Brotherhood appeal to every church to establish an organization, and warmly invite every man to join the Brotherhood in his church.

Respectfully submitted,
John E. Roberts, President

W. M. U. REPORT

The Moderator called for the report on Woman's Missionary Union. Mrs. Paul Kesler responded with a fine report which was adopted by the vote of the Association.

"That thy way may be known upon earth, thy saving health among all nations." Psalm 67:2. This has been the watchword for Woman's Missionary Union for 1961-62. As women have read and repeated these words during the year we have continued in an era of prayer.

World Awareness, Spiritual Life Development, Christian Witnessing, Sharing of Possessions, Educating Youth in Missions, Enlistment for Missions, Leadership Training and Advancement Reporting, have remained our Aims. Enlistment was our special emphasis for the year.

Two leadership conferences were conducted during October for local leaders by Associational Officers. 194 people from 24 churches attended these.

Later in October and November the Leadership accreditation courses were given and 65 women received leadership cards in W.M.S., G.A., Y.W.A., or Sunbeam organizations.

In February the W.M.S. members and Brotherhood came together for their annual meeting which was held with Reeds Church. Despite a postponement of the date to a week later, it was well attended.

April 19th the Annual Associational W.M.U. meeting was held with Rich Fork Church. 132 persons attended, representing some 26 churches. Special recognition was given the following churches for progress in their work.

Honor W. M. S. — Thomasville First; Liberty; Park Place

Honor G.A. — Reeds - Jr.; Thomasville - 9-10 yr.; Park Place - Jr.; Rich Fork - Jr.

Advanced W.M.S. — Lexington First (All 4 Societies); Reeds

Advanced Y.W.A. — Park Place, Southside

Advanced G.A. — Center Hill - Junior - Intermediate; First Lexington - Intermediate; Jersey - Intermediate; Carolina Avenue - Junior

Several other organizations were approved. We are grateful for the work of all of these leaders.

A Mission Study Institute was held on September 20th with Calvary Church. Forty-seven women attended representing 16 churches.

Annual reports will reveal more as they come in, however the mid-year ones revealed an increased effort in all areas of our work.

To each local officer and leader we say thank you for your cooperation and all the effort you have put into the work during the year. Without you we would have no report.

Respectfully submitted,
Mrs. Paul Kesler

REPORT OF ASSOCIATION MISSIONS COMMITTEE

The following report was read by Rev. Leonard Rollins and adopted into the associational record.

This has been a year of steady advance for Liberty Baptist Associational Missions. Your committee, working closely with the associational missionary, has attempted to follow through on every possible opportunity involving new areas of work. There have been victories and there have also been disappointments. Two new churches have been organized under the guidance and with the unanimous approval of the missions committee: Tyro Baptist Church on April 15, and Hillside Park Church on September 16. The Church Street Missionary Baptist Mission in Lexington did not become a permanent site for a mission chapel, and the First Baptist Church of Lexington will turn its attention in other directions for mission work.

A very significant meeting was held on July 31 at Baptist Hospital in Winston-Salem, involving the missions committee of our association and the missions committee of the Pilot Mountain Association. In a harmonious session the project in the Eller community was turned over to the Pilot Mountain missions committee with the request that they find a sponsoring church for this work. This request was accepted. This is a continuation of the spirit of cooperation demonstrated in the past between these two associations.

Work continues to be carried out in the field of community surveys, with Welcome being the latest church to undertake such a program. There are many areas outside the limits of our present Baptist churches that need to be reached, and your committee requests that you join us in prayer for these needs to be met.

Leonard Rollins

REPORT OF ASSOCIATIONAL MISSIONARY

Rev. Ted Williams was asked to make his report to the Association. The report he read is as follows:

The By-Laws of Liberty Association state that the Associational Missionary shall, under the direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the Associational Committees and organizations.

In an effort to fulfill these stated responsibilities, your Missionary has had the privilege of serving in the churches, in one way or another, 111

different times during the past associational year. He has preached or spoken 86 times. Under his direction 9 Church Community Surveys have been conducted, (Abbotts Creek, Oak Hill, Carolina Ave., Thomasville First, Greenwood, Clearview, Hasty, Community, and a mission survey of Lexington, sponsored by Lexington First). There have been 207 individual conferences, 52 group conferences, and 36 committee meetings. 30,947 miles have been traveled in the work, including 8,000 miles to the Southern Baptist Convention in San Francisco.

The past year is history. The new year with its challenge is before us. There is much for us to do together. The Calendar of Activities has been prepared by the Associational Coordinating Committee, setting forth the meetings and emphasis for 1963. Two of the major projects will involve the churches, that choose to participate, in the LONG-RANGE PROGRAM FOR SPIRITUAL ADVANCE. This is an effort to make all the services of the various divisions and departments of our Baptist State Convention available to the churches. The first step is the Associational-wide Church Community Survey, March 15 - 22. (For those churches that have already had the Survey Program, the effort will be simply to bring their survey up-to-date). The second step will come October 14 - 18 with Associational-wide Pastor-led Sunday School Enlargement Campaigns. Very soon now, we will be asking the churches to definitely commit themselves to these projects.

We ask that you pray for the work, and continue the fine spirit of cooperation that has made this association one of the finest to be found anywhere in the Southern Baptist Convention. You are a wonderful people and it is a great privilege to be associated with you as your Missionary.

Respectfully submitted,
Ted W. Williams

REPORT ON STATE MISSIONS

The report on State Missions was brought before the Association by Rev. Carl Hemphill. He asked that the report be adopted without reading and it was so ordered by the delegates. Mr. Hemphill then made a few pointed remarks concerning the history of Baptists, especially the separating of Primitive Baptists and Missionary Baptists. His unread report follows:

What is State Missions? What areas of work does it cover? Why has it been called the lifeline of Baptist growth in the State? What are some of the objectives of State Missions?

These are questions which arise often among North Carolina Baptists. They are honest and sincere questions and they emphasize how much remains to be done in educating our Baptist people as to the true nature of State Missions.

State Missions include no less than 17 ministries, all of them under the direction of the Divisions of Missions. Seven areas of work are administered directly by secretaries or directors. They are Church Development, Interracial Cooperation, Fruitland Baptist Institute, Ministry to the Deaf, Seminary Extension Program, Cherokee Ministry and Military Personnel. (All of these except Fruitland are promoted cooperatively with the Home Mission Board).

Ten areas of work are promoted and supervised by Missions Division Director E. Lowell Spivey. They are Associational Missions, Institutional Ministries (Samacrond, McCain, Leonard Training School and Odum Prison). Special Summer Mission Work (at Kerr Lake, Outer Banks, Pilot Mountain, Mission Center at Spray and George W. Truett Camp), Schools of Missions, Pastoral Aid, Church Lot Aid, Church Loans, 30,000 Movement and Work with Japanese.

More detailed information reveals the tremendous outreach of these ministries. For example, the Schools of Missions reached 200,000 people last year — The 30,000 Movement resulted in the establishment of 556 new missions and churches in the State. This year 161 missions and churches will be aided through pastoral assistance, new church lot gifts and church loans.

Is there any phase of Baptist work more vital than State Missions? Are we in the Liberty Baptist Association doing our part for this cause? I fear our records answer negatively for we only designated $3,946.00 in 1961 to State Missions. Should we not take a closer look at our stewardship?

Respectfully submitted,
Carl Hemphill

REPORT ON HOME MISSIONS

This report was presented by one who has first hand experience of missions in Brazil, Rev. H. M. Baker, pastor of Denton, First, recently come to labor in our association. Rev. Baker gave a personal testimony of the wonderful experiences that can come to those who have foreigners visit and live in their homes. Upon the proper motion and second the report was adopted.

Instead of a general report on the varied ministries of our Home Mission Board, I want to single out a special program of the Home Mission Board that deals with an urgent need at this time, and provides the churches of the Liberty Association a unique missionary opportunity.

All of us are familiar with the long and fruitful work that our Home Mission Board has undertaken in Cuba. We rejoice that this work is still being carried on under difficult circumstances, and we are grateful for the reports of unusual progress on the part of the Baptists of Cuba since Fidel Castro came to power. But the flight of thousands of Cubans to Florida has created an urgent need and a wonderful opportunity for direct missionary effort on our part.

Week by week many Cubans are seeking sanctuary here in our country. More than one-hundred-thousand Cubans have already arrived in the Miami area, and our Home Mission Board has been asked to coordinate Southern Baptist efforts to help these refugees from Cuba. A special committee has been appointed in our Baptist State Convention to work with the Home Mission Board in this special program for the relief and resettlement of Cuban refugees.

Under the terms of this program, the Federal Government will pay for the transportation of a Cuban family to a new home in any community where a Baptist church agrees to sponsor such a family. Sponsorship of a family involves securing adequate housing, and a guarantee of

the support of the Cuban refugee family until suitable employment can be found for this family. The Home Mission Board will be glad to supply any church with a list of the families now in Florida waiting for relocation.

There is also a need for foster homes to take care of Cuban children. These children are not available for adoption, and their care is paid for by the Federal Government working through a licensed child-caring agency in our state. The great need in this area is for foster homes for Cuban teenagers. Children under twelve are taken care of in Miami. These teenagers are not delinquents, but refugee children in need of a home and an opportunity to continue their schooling.

The relocation of families and foster parents for Cuban teenagers provide our greatest opportunity for service to Cuban refugees at this time. But there are other ways that we can help if we do not feel that we can undertake to relocate a family or provide for a child at this time.

January of 1963 has been designated as a month when North Carolina Baptists will seek to provide food for Cuban refugees in Miami. You will be hearing more about this special undertaking between now and January.

Any church, individual, or interested group can provide needed clothing all along. Refugees leaving Cuba are allowed to bring only three changes of clothes and ten dollars in cash. Clean and suitable clothing of all sorts can be used in the relief program all along.

The plight of the Cuban refugees provides us with a unique opportunity to be a blessing to others. Many of these refugees are non-active Catholics, people searching for a valid Christian experience. By sponsoring a Cuban family, accepting the responsibility for a child, or helping with the relief needs in Miami we can actively participate in a wonderful mission project. If you believe your church will be interested in helping write Rev. Clyde Davis at the Baptist State Convention headquarters in Raleigh for a list of families or the necessary information of the procedures to be followed. If you prefer you can contact me about this matter. As a member of the State Convention Committee for Cuban Refugees I will be happy to assist you in this matter.

Respectfully submitted,
Rev. H. M. Baker

REPORT ON FOREIGN MISSIONS

The next item on the agenda was the reading of the report on Foreign Missions and its adoption. That report presented by Rev. Bennie Crawford is given below.

"Any statistical survey is only a partial report of work accomplished in a year of missionary endeavor. For every baptism reported, there are many other people in some stage of inquiry about the gospel of Jesus. There is no way to measure the impact of Christian influence upon the ethical and moral standards of the countries where work is being done. In most lands Christian groups have an influence far out of proportion to their number." —Baker J. Cauthen

Missionary appointments during 1961 totaled 103 and 26 for the first quarter of 1962. This number brings the total number of foreign mission-

aries in active service to 1,563. The Board expects to have 2,000 missionaries by the close of Baptist Jubilee Advance in 1964.

At the end of 1961, there were 751 urgent rquests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education.

Southern Baptists now have missionaries under appointment to 51 political entities, from Argentina to Vietnam, and our mission program extended to two additional countries in 1961, and four others in early 1962. Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospitals, publications plants, goodwill centers. But all are interactive and the goal of each is evangelization. National pastors number 2,534. Most of the churches have Sunday schools, and many have other church-affiliated organizations. In 1961, the 3,627 churches and 6,815 chapels and mission points reported 419,744 enrolled in Sunday School, 34,364 baptisms, and 475,727 church members. Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,026 Baptist schools, which enrol 162,426 students, are served by 5,687 national and 305 missionary teachers. Among the schools are 38 theological institutions with 1,191 students and 6 women's training schools with 370 students.

Medical missions is expanding rapidly and is instrumental in training a large number of nationals in caring for their own people. These institutions include 18 hospitals and 56 clinics and dispensaries with a total of 1,036 beds. There are 56 missionaries and 96 national physicians, plus 55 missionary and 240 national nurses. They served 299,824 patients during the year.

Total contributions of Southern Baptists for Foreign Missions amounted to $17,935,615.82 during 1961. Funds from the 1961 Lottie Moon Christmas Offering totaled $9,315,754.78.

There are 125 people working at the Board's home office, 3806 Monument Ave., Richmond, Va.

The Clerk, Rev. William F. Bowen, Jr., presented the report of the registrars. Out of forty-four churches in the Liberty Association forty-two of them had registered 223 messengers. There were 47 visitors registered giving a grand total of 270 registered as of 2:25.

Mr. Carey Davis and his associates played "Must Jesus Bear the Cross Alone" and had the congregation join in the singing of the Hymn.

Out of his many years of serving Christ and the Baptists of North Carolina, Dr. E. L. Spivey came and warmed our hearts, and enlightened our minds as he presented the challenge of the "30,000 Movement." With the prayer of benediction, we stood adjourned until 9:40 Wednesday, September 26.

WEDNESDAY MORNING SESSION

Rich Fork Baptist Church

The musical prelude was by the Davis Brothers, accompanied at the organ by Mr. Richard Conrad and at the piano by Mrs. Charlie Smith.

The session was called to order by the Moderator, Roger Williams. Then the congregation was led by Mr. Carey Davis in the singing of "The Church's One Foundation."

Rev. Gerald Hewitt conducted the morning devotion as he read from the Scriptures, Hebrews 1:1ff and Ephesians 6. His comments related God's initative in world missions. He closed with prayer.

REPORT ON CHURCH MUSIC

This report was given by Mr. Carey Davis, a member of Abbott's Creek Baptist Church, and for twenty-five years Associational Music Leader. Upon its reading the report was promptly adopted.

Ever since man first discovered that he could make pleasing sounds by rapping dry bones together or pushing wind through a hollow reed civilization has depended on music for many things.

It has been well said that music is the universal language, it appeals to all mankind. The most natural expression of music is singing. History tells us men have used their voices to sing praises to their creator all down through the ages. The human voice is the worlds first and most magnificent instrument. Church music has come a long ways in our Association in the past 25 years. Since the Baptist State Convention put a full time Director of Church Music in our State, all kind of music literature and conference study courses are available to any church, music director or choir member. Songs and tunes that people like aren't necessarily fit for the church — after all, the objective is to please God, not a human audience. The congregation does not, or should not come to church to be entertained. The music is not addressed to the congregation, but to God.

25 years ago I stood as a young man trembling from head to foot before this Association to lead the singing. Since that day I have filled the place each year, having not missed a year. I feel I am a stronger Christian by having worked with so many fine Pastors, and the finest Moderators, Choir Directors, and devout Christian men and women of Liberty Association. I have seen many fine Pastors and Music Directors come and go in the past 25 years, and most all of them, especially the Music Directors, can tell us what is wrong with our Music Program in our Association, but when they move on to another field, everything seems to move along about as usual.

It is my prayer that all of our churches pledge themselves to work harder during 1962-63 to promote a more effective music program in our churches.

Respectfully submitted,
Carey J. Davis

REPORT ON AMERICAN BIBLE SOCIETY

This report was enthusiastically shared with us by Rev. Ben J. McIver, pastor of Erlanger Baptist Church. Prefacing his report he paid tribute to Mr. Carey Davis and his work. The report was adopted.

Among the oldest missionary societies in America today stands the American Bible Society. It was founded in 1816. There are now more than fifty denominations represented on its Advisory Council. National

Church bodies and hundreds of missionary societies in the United States and overseas are served by the American Bible Society. The worldwide program depends upon the gifts from individuals and churches. The American Bible Society turns to you and your church for its support to send the Gospel around the world. We are going to consider the principal areas of its activity.

First. The Society is constantly aiding translators by giving counsel and supervision and making contributions to help with expenses. Projects of translation are now going on almost continuously on every continent and on the islands of the seas. Thus, we see the language barrier is removed so that the Bible can be read in one's own tongue.

Second. Volumes of Scripture are published in many languages and bindings. Printing orders in a recent year reached 15 million volumes of Bibles,, Testaments and portions. The American Bible Society has centers of publication in the United States, Cairo, Bangkok, the British Isles, the Near East and the Far East.

Third. Volumes of Scriptures are distributed in the millions every year through more than 1,000 colporteurs and agencies of the Society. Many volumes are distributed by volunteer helpers, such as Christian workers, missionaries, pastors and evangelists.

Fourth. Encouragement is given to Bible reading. Annually there is sponsored a worldwide Bible reading program from Thanksgiving to Christmas. This includes the observance of Universal Bible Sunday. Leaflets and reading schedules and other materials are prepared to reach millions of people. Millions of people are reached by radio and television.

Fifth. The Society serves the blind. The Society since 1835 has supplied embossed Scriptures to the blind in 42 languages and systems. The entire Bible is supplied on Talking Book Records to all who cannot read with their fingers.

Yes, the Southern Baptist Convention is giving of its money to the American Bible Society to publish and distribute the Bible around the world. Yes, Baptists are doing their part a large part as a denomination to get the Bible out to all the world.

REPORT ON TRAINING UNION

In bringing this report Rev. Vernon Sparrow greeted and congratulated the three Training Unions organized during the past year. These were Community, Smith Grove, and Glennanna. The motion was made and the report was adopted.

We are happy to report the organization of two new Training Unions during the year: Community Baptist Church, Jack Lanier, Pastor, organized a new Training Union in October of 1961: Smith's Grove Baptist Church, Ray Billings, Pastor, organized a new Training Union on February 11, 1962.

Both of these churches began their Training Union work by having a study course for all ages in Training Union methods. Workers from the Greenwood Church assisted the Community Church with their study course. Workers from the Mills Home Church assisted Smith's Grove

with their study course and organization. We are happy to present certificates of recognition to these two churches at this time. Glennanna Church reorganized its Training Union and began a successful operation. A certificate of achievement is presented to this church.

A successful "M" Night program was held at First Baptist Church, Thomasville on December 4, 1961. Twenty-eight churches participated in this meeting with thirteen Training Union Directors, eighteen pastors for a total present of 421. Rev. R. O. Baker, Jr. from Cramertown, North Carolina was the inspirational speaker.

Under the direction of Rev. George Shore, Youth Director for the association, a successful Youth Night program was held at Mills Home on March 31 with 210 people present.

There were participants in all age group Tournaments at the Associational Tournament on March 19 and in Region 5 on April 19. Three of our Junior Memory Work participants were sent to Caswell Baptist Assembly — two of these were declared State Winners.

As we elect Rev. Kenneth Miller Training Union Director for Liberty Association, we pledge to him and his associates our prayerful support as they lead us to a higher plane of training in church membership for all of the Baptists in Liberty Association.

Vernon S. Sparrow, Director

REPORT ON SUNDAY SCHOOL

Mr. F. T. Bowman brought the report on Sunday School which was subsequently accepted on the vote of the messengers.

Because accurate and complete information is not available on accomplishments in the Sunday School, no report of progress is being made for last year. However, we wish to pledge ourselves to a strong program for next year.

During the year 1962-63 the Sunday School will follow the theme: Outreach for the Unreached — spearhead for Missions. Much emphasis will be placed upon the message of missions, giving particular attention to the unreached in our Association. Extra attention will be given to quality teaching in the Sunday School. This will mean more teachers in Teacher Training Programs.

Our goal for training awards in category 17 of the Church Study Course is 250, with no less than 30 churches participating. At least 25 churches should observe January Bible Study Week in January 1963. The suggested book for this week is "Studies in Matthew" by Roland Q. Leavell.

A clinic for Vacation Bible School workers will be held May 3, 1963. The goal for Vacation Bible Schools is 42.

Other goals for the year are:

Enrollment increase, 2 per cent
Standard Schools, 3
Standard Classes, 10
Standard Departments, 2
Attendance goal for action night in September 1963 is 250, representing at least 25 Churches

Your Associational Officers request your prayers, and we will be calling upon everyone for cooperation and participation as we move forward in a year of growth and development in our Bible teaching ministry.

Respectfully submitted,
F. T. Bowman

REPORT ON MINISTER'S ANNUITY

Pastor of the Welcome Baptist Church, Rev. Gerald Hewitt, read this report in the absence of Rev. John Walton, after the adoption of the report, Brother Hewitt emphasized the waiver clause until January 1, 1963 and urged its serious consideration by every minister.

BENEFITS PAID — A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers, or their families, who participated in one of the Board's retirement plans. The remainder was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, benefits totaling more than $37,304,916 have been paid.

NEW MEMBERS — Total membership in all plans of the Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enroled. At the end of the year 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor. The Institution Protection Program, for employees of colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

DELAY PENALTY IS "WAIVED" — In the April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Protection Plan for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the plan in recent months. At the end of the first quarter of this year, some 67% of all churches in the Convention had enrolled.

According to the Protection Plan certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The Waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of delayed entry. This adjustment was made effective with the May 31st checks.

After January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

FIELD WORK — The Annuity Board now has 14 field men working on a cooperative basis with 21 state conventions. Their program of education and promotion is conducted through state and associational meet-

ings, on college and seminary campuses, in local churches and through conferences with laymen and pastors.

Guy Cain, field representative for North Carolina has his offices at the state convention headquarters, 301 Hillsboro Street, in Raleigh. Contact him for meetings in your church or asssociation or for personal conferences. He will be glad to come and talk about the Annuity Board's ministry.

OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

REPORT ON PUBLIC MORALS

An active participant in the life of Liberty Association, Mr. Beamer Barnes, brought the report on Public Morals and it was adopted by the assembly.

Two years ago, I made a report on public morals to this Convention convinced that the strength or weakness of a nation is profoundly affected by its moral standards. At that time, I outlined five major areas of serious moral concern which were: alcohol, sex, crime, gambling, and excessive pleasures.

It was shocking then and disturbing now that America spent more on cigarettes alone than for things spiritual and over ten billion dollars for alcohol while barely giving two billion dollars for all religious causes; that the literature on sex, crime, and violence were a cause of great concern then and they still are. The report further indicated the present pursuit of excessive pleasure appeared rampant on every front; and the books of the Bible took second place to boats and beaches.

All of these evils, I submit, are still prevalent among us and are persistently eroding away our national moral standards. One result of this condition is the increasing number of divorces. Divorce destroys homes, divides families, creates hardships, and worst of all, so often shatters the faith of innocent children.

A few figures will illustrate the growing magnitude of divorce problems. In 1890 in the U. S. one-half of 1% of marriages ended in divorce courts. In 1920, it was 1.6%; 1950, 2.6%, and 1959, 2.3%. In 1958, there were 308,000 divorces in the United States. What about North Carolina? In 1958, there were 30,000 marriages and 8,670 divorces which is approximately 30%. Davidson County had 83 divorces. This to me is not only an unreasonable trend but a shocking indictment against both the religious and educational institutions of our State!

Basically, the cause of most divorces rest not upon any one essential weakness, but is primarily a result of, and proximately caused by, a general weakened moral fibre degenerated through the continual erosion of the moral standards.

Crime, I feel, is another basic result of a decaying moral character. In 1959, crimes in the United States concerning murder were up four per

cent, robbery down 4%, aggravated assaults up 5%, auto thefts up 2%, and larency increased 3% over 1958. Cars killed over 37,000 people in the nation. I searched the crime records of the Davidson County Court and found the following figures: In 1959, 4,540 criminal violations; 1960, 3,779; and 1961, 3,856. It is conservatively estimated that these crimes cost the violators $100,000.00 not counting the cost of law enforcement, court, penitentiary officials, loss of time, and aid to prisoners' families.

Apart from crime I feel that of all the evil forces affecting our generation that probably the leader at this time is the motion picture industry. Alcohol primarily affects the body and destructive as this may be, pictures and words have the irresistible tendency to mold the mind which can save or destroy the soul. For years the motion picture industry observed its self imposed code of ethics. For a time this act appeared to be in good faith. However, in recent years pictures have generally become more and more liberal in their interpretations of the code. Many movies, including television, over emphasize sex, depict gangsterism, violence, illicit love, and down right lewdness as if they were characteristic of our society. Along this line, I might add that pornography must be a flourishing business, and, according to Senator Estes Kefaufer, sales through the mails alone amounted to 700 million dollars a year.

Moreover, in March of this year Jenkins Lloyd Jones, editor of the Tulsa Tribune, in a public address stated: "Last week the screen industry solemnly announced that henceforth perversions and homosexuality would no longer be barred from the screen provided the subjects were handled with 'delicacy and taste'." I ask you solemnly: Can an industry sink to a lower level of depredation? Can a Christian sit idly by and back, and watch, the last vesture of human decency crumble?

Are we hopeless in these situations? I should say not! But, it is time that we take courage and positive action to let our righteous indignation be known. For I say to you, unless the Christian people take a firm and courageous stand there are no others who can, dare, or will. Dr. Norman Vincent Peale, a great Protestant pastor and writer, recently wrote an article entitled "Can Protestantism Survive?" He struck hard on Christian church people, and pastors for our failure to take a definite positive stand against evil wherever and whenever its sinister head appears. Dr. Peale warns Christian people that unless affirmative action is taken and a definite stand made by our Church, Protestantism will eventually perish for the lack of courage, stamina, and conviction to openly and publicly stand and fight the evil so boldly rampant among us.

So, while I submit to you the moral condition of our nation is not good, we still have hope and still have many noble and courageous Christians who will cry and fight against these degenerating moral influences. Let us, therefore, not grow weary. Let us take courage and action for we are not alone. For there stands with us the powerful word of God and God Himself who can give us the courage to stand boldly against the wiles of the devil and all of his satanic hosts.

I believe, Mr. President, that in lieu of a report on morals next year that a committee be appointed forthwith to study this grim and grievous problem and bring to this convention a positive plan of action to combat these evils affecting our moral standards.

Respectfully submitted,
Beamer Barnes

Moderator Williams asked Mr. Beamer Barnes to introduce his pastor, Rev. Hoke Coon of the First Baptist Church, Lexington, to speak on the assigned topic "Today's Moral Crisis." Brother Coon was clear and to the point as he drew parallels between the days of Jeremiah and our day. He aroused a desire in our hearts that we might let God use us as we become concerned about moral issues and come again to the great belief in the power of God to change men.

MISCELLANEOUS BUSINESS — Rev. Richard McQueen came to ask for an amendment to the order of business to include a report on Christian Education to be inserted before the address on Christian Education. It was so ordered by the assembly.

REPORT OF COMMITTEES

The Moderator called the chairman of the Special Committee to report on the Associational Membership of the Sheets Memorial Church, Mr. Beamer Barnes. Mr. Barnes then recognized Rev. Leonard Rollins for reporting on Sheets Memorial Baptist Church in its cooperation in the Liberty Baptist Association. The recommendation of the committee was read by Rev. Rollins. He then made a motion that Sheets Memorial Baptist Church no longer be carried as a member of this Association. The second was by Beamer Barnes. In the discussion that followed, it was pointed out by some messengers that they did not believe that the members of Sheets Memorial had actually been made aware of this proposed action. Others asked for patience and maybe another approach to the membership itself. (At this point upon a vote of the messengers the time limit was extended 5 minutes). After thorough discussion the question was called for. The recommendation of the committee was adopted by a standing vote.

REPORT ON MEMBERSHIP OF SHEETS MEMORIAL CHURCH

In compliance with Section 2 of Article II of the Constitution of the Liberty Baptist Association and in obedience to the action of the Association, the undersigned committee makes the following report concerning membership of the Sheets Memorial Baptist Church of Davidson County, North Carolina.

On the 29th day of August, 1962, a representative of the committee held a conference with the pastor of the Sheets Memorial Church, Rev. W. E. Sampson, at which time the matter concerning participation in the Association was discussed. A copy of the Associational Constitution was left with Reverend Sampson. After further discussion, Reverend Sampson agreed to present the matter to the deacons of the church. On September 5, 1962, a second contact was made with Reverend Sampson, and as a result of this contact, this committee was led to believe that:

1. The pastor had discussed the matter with his deacons.

2. The church does not believe the Association is important.

3. The church is not in sympathy with the program of the Liberty Baptist Association.

4. The church has no intention of complying with the Constitutional provisions required of an Associational cooperating church.

According to the committee's understanding and interpretation of a cooperating church under Article II, Section 2, of the Constitution, Sheets

Memorial Baptist Church has failed to cooperate in the program of this Association for more than four years. Whereupon, it is the opinion of this committee that Sheets Memorial Baptist Church does not desire active membership or participation in the plans and programs of the Liberty Baptist Association and for these reasons this committee recommends that the membership of the Sheets Memorial Baptist Church be discontinued effective this date.

This 12th day of September, 1962.

The only college representative present, but not on the program, for the morning session was Rev. L. H. Hollingsworth of Wake Forest. Dr. Hoyt Blackwell, President of Mars Hill College had sent a communication expressing his regret at not being able to have Mars Hill represented.

REPORT ON CHRISTIAN EDUCATION

The report on Christian Education prepared by Mr. Hiram H. Ward was read for him by Rev. H. M. Baker and accepted by the Association.

It is unfortunate that the opportunities afforded by the late Col. G. F. Hankins for boys and girls of Davidson County to attend Wake Forest College have been utilized only to a limited degree. It is perhaps the fault of no particular person, but in order to insure that the Baptists of this association understand the significance of Col. Hankins' generosity and its effect on Christian Education, particularly in Davidson County, an explanation is indicated.

Col. Hankins left the bulk of his estate, estimated at over one million dollars, to the Trustees of Wake Forest College, creating a trust to be maintained in perpetuity and known as The George Foster Hankins Foundation. The income derived from the properties constituting the trust are directed to be used . . . "to aid worthy boys and girls and young men and young women, in obtaining an education, with preference being given at all times to the residents of Davidson County." Further instruction contained in the will provided that the Trustees of Wake Forest College should observe "at all times that my object in creating this trust and in establishing this Foundation is to aid young people who are ambitious and who show promise in obtaining an education which might otherwise be denied them."

So far as is known, last year only seven applications were made for Hankins Scholarships by boys and girls from Davidson County, three from Thomasville and four from Lexington, with none from the remainder of the county. Therefore, ambitious and deserving high school seniors who desire to attend Wake Forest College and need financial assistance next year should be informed to write the College now and request application forms for admission and Hankins Scholarship aid.

The Baptists of this association are urged not to sit idly by and see its qualified boys and girls fail to attend college for financial reasons, for such was not the intent and purpose of the late Col. Hankins.

Respectfully submitted,
Hiram H. Ward

Next, we were privileged to hear an address on Christian Education by Dr. John Bunn of Campbell College. As Dr. Bunn spoke of the perils in Christian Education he pointed out the responsibility of the institution to the denomination and the responsibility of the denomination to the institution. A ringing declaration of the responsibility on each side stirred our hearts and caused us to see what Christian Education is and what our part in it is.

Richard McQueen, Chairman of Committee on Order of Business asked the Assembly to allow 15 minutes for business after the Report of the Resolutions Committee. The motion carried.

The host church pastor, James Helvey, gave instruction on eating lunch as he welcomed us to the Rich Fork Baptist Church.

Rev. E. C. Roach blessed the food and prouounced the benediction. The meeting stood adjourned for the lunch hour.

WEDNESDAY AFTERNOON SESSION

Rich Fork Baptist Church

The afternoon session was resumed with the congregation singing "Majestic Sweetness Sits Enthroned" with Mr. Carey Davis leading. Following the singing, Moderator Williams called on Rev. Anthony Gurganus, Churchland pastor, who led the devotional period with the reading of First Corinthians 13 and prayer.

REPORT OF RESOLUTIONS COMMITTEE

This report was read by Chairman, Carl Hemphill and adopted into the record of the Association.

Be it resolved that the Liberty Baptist Association go on record as expressing our sincere appreciation to Oak Hill Memorial and Rich Fork Baptist Churches for the gracious hospitality shown to the messengers and visitors of the 130th Annual session of the Liberty Association.

We commend the program committee for the splendid program and express our appreciation for each one who had a part, especially to Bro. Jurney for the annual sermon, and to all the denominational workers who represented the various agencies of our convention.

We express appreciation to Carey Davis and those who assisted him in presenting the musical program for this meeting. We recognize his 25 years of faithful service to our association, and therefore, be it resolved that the association dedicate the 1962 minutes to Bro. Davis.

We would, also, like to thank our moderator, Roger Williams, for his leadership throughout this past year and during this annual session. We wish to thank our retiring clerk, Robert Nation, for his splendid work, and commend the nominating committee on their choice of a new clerk, William Bowen.

Respectfully submitted,
Carl Hemphill, Chairman
Mrs. Leonard Rollins
Miss Carrie Haynes
Wilbur Henke
Fred Jurney

Mr. Carey Davis then came to the stand to recognize those accompanying him in the music program: Mrs. Charlie Smith of Jersey Baptist Church, Mr. Richard Conrad of Wallburg Baptist Church, and Mr. Bill Davis of Abbott's Creek Baptist Church.

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER

Rev. Richard McQueen presented this report. It was accepted by the Association.

The Committee on Time, Place and Preacher wishes to make the following report:

First, we recommend that the Annual Sermon be preached by the Rev. Leonard Rollins, pastor of Coggins Memorial Baptist Church, and that the alternate be the Rev. Charles Young, Pastor of Center Hill Baptist Church.

Second, that the first days sessions be at Erlanger Baptist Church, and the second day be at Park Place Baptist Church.

REPORT ON ELECTION OF OFFICERS

Mr. Roy Holder was recognized as chairman of this committee. He in turn called Rev. Kenneth Miller to assist him with the reading of the nominations. These names are listed in their places in the directory to be found at the front of this issue. The Clerk was called to preside as the general officers were voted upon seperately, excepting the Music Director. They were approved. For Music Director, the name of Carey Davis was placed in nomination from the floor. The Committee's choice was Miss Jeanne Saunders. When put to the vote of the assembled delegates, the responsibility was given to Carey Davis. The other officers recommended by the Committee were then approved by the Association.

MEMORIAL SERVICE

As a tribute to our departed friends, Rev. Inman Stewart conducted the following service. He read the names of those who have gone on to their rewards since last we met. Suitable verses of Scripture were read from First Thessalonians 4:13ff. An appropiate hymn was sung and then we prayed together. The names of the departed members of the Liberty Baptist Association are found elsewhere in this volume.

Rev. Roger Williams, Moderator, appointed the Committee on Nominations which is found in the Associational Directory at the front of this book.

REPORT ON BAPTIST FOUNDATION

The information for this report came as C. Gordon Maddrey spoke to our assembly. He pointed out that the Baptist Foundation is a service agency to undergird all Baptist work in North Carolina. Our Estates are a part of our stewardship which can go on doing what

we want it to do till Jesus comes. This is so because the Foundation invests the money, but the money must go to the institution which the donor desires.

REPORT ON HOMES FOR THE AGING

In the absence of Rev. J. C. Mangum this report was read for him by Rev. E. C. Roach. It was then approved.

The past year for our North Carolina Baptist Homes for the Aging has been a great one. The most unusual significant accomplishment has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, which has enabled us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging. In the beginning, there were 20 residents, 160 persons in our four Homes — Resthaven, the Hayes Home, the Albemarle Home, the Hamilton Home.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We want to move forward, as rapidly as funds will permit, in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!" is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry.

Respectfully submitted,
John C. Mangum

As a testimony to this wonderful work Rev. William Poole, Superintendent, of the Homes for the Aging, brought Mrs. Gretchen Bowles, who showed some of the many things the residents of the Homes make.

REPORT ON BAPTIST CHILDREN'S HOMES

The Chair called for the report on Baptist Children's Homes. Rev. B. V. Broadway responded with the reading of the report and it was adopted.

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child, hurt by life, to grow into a healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program — 33 Per Cent
Thanksgiving Offering — 30 Per Cent
Once-a-Month Offering — 16 Per Cent
All Other — 21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, provinding 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

"Charity and Children," our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughtout the year.

Respectfully submitted,
B. V. Broadway

After the adoption of the foregoing report, Dr. W. R. Wagoner, Superintendent of the North Carolina Children's Homes, spoke of the outstanding work of the Child Care Program of North Carolina Baptists. At the same time he indicated that there is much yet to be done. One of the great needs is to increase our Foster Home services. He presented a newcomer to the staff at Mills Home, Mr. Walter Wood.

REPORT ON BAPTIST HOSPITAL

Reporting on this phase of our work was Rev. Richard McQueen, Hospital representative from our Association. When the report was read and adopted, Dr. W. K. McGee, Director of Public Relations at Baptist Hospital, Winston-Salem, was presented. He spoke of the service performed as the hospital with its many resources was able to send people back to their homes as useful members of the family and society.

We Baptists have in our Hospital at Winston-Salem a great missionary enterprise dedicated to the service of our fellowmen. Baptist Hospital is a Christ-centered institution, ministering to the needs of people in 1961 from 96 of North Carolina's 100 counties. Each year, new records have been made both in the volume and the quality of service given. In 1961, as in former years, Baptist Hospital moved ahead, expanding its physical facilities, strengthening its professional resources, and enriching its entire program so that patients might continue to be assured of medical treatment and hospital care in keeping with the rapid and continuous advance of medical science.

SOME FIGURES:

The Hospital is staffed with 1,200 persons; it provided 131,144 days of care for 15,448 patients in 1961. In 1961 there were 1,931 births, 7,172 operations, 13,709 emergency-room visits, 957,208 meals served, and laundry daily averaged 8,000 pounds. These statistics serve to show something of the size of our hospital's service in 1961.

AN URGENT NEED:

In 1961 there were 83,286 service patient visits to Baptist Hospital, 4,870 more than in 1960. These are those patients who cannot pay for vital medical treatment and care. Forty percent of the work done is for persons who must have help, and many can pay nothing at all. The Mother's Day Fund is used to pay for such treatment and care. This service for the needy sick increased 6 2 per cent, but the Mother's Day Fund had only a slight increase. We cannot emphasize too strongly the importance of this Fund and the need for churches to increase their support.

REPORT OF THE HISTORIAN

Mr. Sam J. Smith read parts of the following report which was subsequently adopted into the associational record.

Since the highlights of progress made in the association for the year will be included in other reports and in keeping with a resolution passed at our 1959 session, this report will be a brief history of the two host churches, Rich Fork and Oak Hill Memorial.

RICH FORK

Rich Fork was constituted on December 30, 1884, largely through the influence of J. H. Mills, founder of the Baptist Orphanage at Thomasville. Mr. Mills lived near the site of the church and is buried in the cemetery there.

The Presbytery constituting the church were Elders H. Morton, S. H. Thompson, L. E. Duncan and W. H. Hammer. The church had eighteen charter members. The present church clerk, Miss Cora M. Mabe informed me that there is no record of the names of the charter members, but it is certain that Mr. Mills was one of the eighteen.

The church has had four buildings during its history. It first worshipped in a log cabin. A few years after it was organized it erected a wooden building in keeping with church buildings of that day. In 1925-1926 they erected a modern brick building costing some $15,000.00, this included an auditorium and Sunday School rooms needed at that time. In 1950 a new two story educational plant was built at a cost of $40,000.00. This building includes 17 Sunday School rooms, basement, pastor's study and kitchen.

The church has a parsonage built in 1941, which a short while ago was completely redecorated, painted and remodeled, now valued at some $20,000.00. The present church plant is valued at $110,000.00. Miss Mabe the present church clerk informed me that there is no record of who

composed the Building Committees at the time of the construction of any of these buildings.

The following have served as pastors in the order named: H. Morton, Henry Sheets, J. D. Newton, J. A. Summey, J. D. Newton (second time), Jeff Lanning, H. Morton (second time), John R. Miller, G. P. Harrell, T. S. Crutchfield, Henry Sheets (second time), G. A. Martin, J. M. Hamrick, I. M. Mercer, R. E. White, W. L. Barrs, R. C. Foster, E. F. Mumford, R. L. West, E. N. C. Andrews, Walter L. Wafford, T. W. Bray, V. W. Sears, J. Harvey Clark, R L Bowen, C M. Peagram, Sam Oneal, F. M. Powell, and the present pastor, James Helvey.

Church clerks have been as follows: W. S. Kaney, the first clerk, served 8 years; Joe F. Clinard, 10 years; T. H. Small, 25 years; G. T. Everhart, 4 years; Willie Bowers, 13 years; Gilbert Myers, 11 years; Mrs. Kyle Williams, 2 years; Mrs. Paul Waters, 3 years; the present clerk is Miss Cora M. Mabe, to whom I am indebted for part of the information in this report.

Church treasurers since 1924 have been as follows: T. H. Small, Miss Mozelle Clinard, Mrs. Marie B. Waters, Miss Jewell Sink, Mrs. A. T. Peace and Mrs. Mozelle Woodleaf.

Since 1924 Sunday School Superintendents have been as follows: T. H. Small, Jacob Kannoy Wilfred Eddinger, Elmo Woodleaf, Wilbur Lewis, Grady Kannoy, Dalton Bowers, Bill Blaylock, Lamar Miller, James Beck and Bruce Ball.

Since 1935 W. M. U. Presidents have been as follows: Mrs. W. M. Eddinger, Mrs. T. W. Bray, Mrs. Conrad Myers, Mrs. J. Harvey Clarke, Mrs. Alfred Miller, Mrs. R. L. Bowen, Mrs. Hubert Embry, Mrs Floyd Hughes and Mrs. Zelma Snow.

As far as I could find Rev. C. C. Eddinger has been the only minister ordained from the membership of this church.

Before this year the Liberty Association has met with this church four times:

1898—Preacher, J. H. Lambeth; Moderator, James Smith; Clerk, Henry Sheets

1913—Preacher, M. L. Kesler; Moderator, Henry Sheets; Clerk, P. S. Vann

1926—Preacher, E. N. Gardner; Moderator, Archibald Johnson; Clerk, Sam J. Smith

1951—Preacher, C. C. Eddinger; Moderator, J. O. Walton; Clerk, A. L. Snider

Last year the church reported a membership of 391 and a Sunday School enrollment of 302.

It is regretted that the early records of this church were not available for a complete historical report. Many of our churches are not placing enough emphasis on the preservation of their history. This being true it is recommended and urged that each church elect a Historian and that said historians write a brief history of his or her respective church and assemble and preserve all the historical facts available on his or her church.

OAK HILL MEMORIAL

The original Oak Hill Church was some two miles east of the location of the present Oak Hill Memorial. It was organized on October 12, 1884 in the Welborn School house. The work was started some two years

before by the late Rev. Henry Sheets; he was also the first pastor of the church. It had 14 charter members, two of these, M. F. Underwood and J. G. Welborne, were the first two deacons of the church. The following served on the presbytery when the church was organized: William Turner, W. H. Hammer, S. H. Thompson and Henry Sheets. Other early pastors there were S. H. Thompson, P. H. Pernell, John A. Summey, H. Morton and J. D. Newton.

In 1907 it only had a membership of 22, in 1926 it had a membership of 63, but after 1929 it made no reports to the Association, some of its members came into the organization at Oak Hill Memorial.

Oak Hill Memorial Church was organized on August 6, 1939. The presbytery was composed of the following: Rev. H. M. Stroup, Rev. N. F. Britt, Rev. W. K. McGee, Rev. J. A. Neilson, and R. D. Covington. They first worshipped under a brush arbor.

The charter members were: Mr. and Mrs. W. H. Beusse, Carroll Beusse, Virginia Beusse Hepler, Mr. and Mrs. Pat Braswell, Mr. and Mrs. Ira Beck. Frances Beck Tysinger, Mrs. Pearl Fuller, Mr. and Mrs. Walter Kennedy, Kinney C. Lambeth, Mr. and Mrs. Lindsay Lambeth, Mr. and Mrs. Carlie Smith, Mr. and Mrs. Raymond Underwood, M. F. Underwood, Mr. and Mrs. Howard Parish, Marie Parish Embler, Bruce Parish, Will Lee, Mrs. Carrie Ridge, and Hattie Royal.

The church was received into the Liberty Association at the 1939 session held with the Wallburg Church. Delegates from the church were Mr. K. C. Lambeth, Mrs. Pearl Fuller and Mrs. Ray Underwood.

Pastors of the church have been Rev. J. A. Cox, who served some 7 years, until 1946. He was followed by Rev. Dave Oldham for some 3 years, and Rev. Clarence Jenkins, who served the church for 10 or 11 years. Rev. James Bolick is the present pastor.

Soon after the church was organized they erected a wooden building costing some $5000.00. This served the congregation till in the first years of the ministry of Rev. Jenkins, when a modern brick building was erected, which is valued at $100,000.00 this building has 17 Sunday School rooms, and auditorium.

In 1950 they built a parsonage on Lambeth Road costing some $10,000 00. This was disposed of and they have just recently completed a new parsonage on Kennedy Road costing $25,000.00.

At the time of the construction of the first church building the following served on the Building Committee: Walter Kennedy, K. C. Lambeth, and W. H. Beussee. In the construction of the second and present building the following composed the Building Committee: Walter Mathis, Carroll Beussee, Clarence Robbins, and K. C. Lambeth. And in the building of the last parsonage the following composed the committee: Robert Proctor, Austin Skeen, Henry Wray, Grover Beck, and Baxter Myers.

The following have served the church as Sunday School Superintendents: Howard Parrish, J. C. Creed, Odell Hill, Dewey Wilson, Beuford Trotter, Grover Beck. Walter Walker.

As church clerks, Mrs. Ray Underwood, Mrs. Coy Gordon, Everett Snider, Miss Ethel Snider, and the present clerk, Mrs. Vera Williams, to whom I am indebted for a large part of the material in this report. Serving as church treasurers have been K. C. Lambeth, Geo. L. Nading, Roy Hill, G. C. Beusse and Robert L. Proctor. As presidents of the

W. M. U. Mrs. Penn Fuller, Mrs. John Cox, Miss Clarice Baitey, Mrs. Brad Sechriest, Mrs. Haywood Lambeth, Mrs. Albert Myers, Mrs. Grover Beck, Mrs. Willie Gilliam, Mrs. Shirley Thomas and Mrs. Frank Pearson. As B. T. U. leaders, W. H. Beusse, Mrs. Coy Gordon, Mrs. John Cox and Bill Beck.

Last year the church reported a membership of 491 and a Sunday School enrollment of 355. The Clerk informed me that the following had been ordained to the ministry from this church: Walter Walker, Robert Moore, Grady Blakley and Baxter Gallimore.

Before this year the association met with this church in 1954, J. O. Walton was Moderator, W. H. Lomax, Clerk, and Robert Taylor preached the annual sermon.

Respectfully submitted,
Sam Smith, Historian

The congregation, led by Carey Davis, sang "There Is Power In the Blood" in preparation for the next part on our program.

Chairman of Evangelism, Stan Hardee, presented this report and asked that it be adopted without reading to give more time for our speaker. It was so ordered and is placed here for your reading.

REPORT ON EVANGELISM

Dr. Julian Hopkins, our Secretary of Evangelism, has quoted someone as saying, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

In a sense the past is forever gone. What have we done in a practical way this year, on the associational level, to meet this present threat, in the area of Evangelism?

1. **Associational Evangelism Clinic.** We conducted, with the assistance of our associational and state leadership, the most successful Evangelism Clinic ever in our association. A packed house featured the closing session of the noon-night meeting in Thomasville First.

2. In preparation for our Baptist Jubilee Revivals we had tremendous cooperation from pastors, church leaders, and especially the Associational leadership. Together we planned one of the greatest meetings in the history of our association, namely the **Associational Revival Rally** in the First Church, Lexington. Dr. Grady Wilson, Associate to Billy Graham, was our preacher, along with Mr. Henderson Belk, outstanding Presbyterian layman who gave his testimony. We overflowed the largest Baptist Church sanctuary in the association, and had many in the chapel. This was a God-blessed prelude to our associational crusade.

3. Some twenty-five of our churches joined in our **Baptist Jubilee Revivals** during April. This concerted effort on the part of these churches is reflected in the statistics on church additions by baptism and otherwise as will be observed in our Clerk's report. Dr. Forrest C. Feezor of Dallas, Texas, and our county directed our Associational Crusade.

I am especially grateful for the cooperation extended by our loyal pastors and people.

Having served as best I've known how during these past four years in the capacity of Chairman of Evangelism, I have asked to be replaced, and feel that our association will reach new peaks under the leadership of the Reverend Leonard Rollins, our new Chairman.

With Mr. Rollins at the helm of the ship, there are other things which have been in the making which he would like me to mention which claim the undivided attention of our people as we consider what we might do to meet our needs.

1. Our **Associational Evangelism Clinic** will be held on October 25 in the First Baptist Church of Thomasville. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

2. **Soul Winning Commitment Day,** January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" — pastor's edition — (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with the Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

3. February 11-13, 1963, our **State-Wide Evangelistic Conference** will be held in Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

4. February is **Transfer Church Membership Month.** The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

5. July 2-4, 1963 **Convention-wide Evangelistic Conference,** Dallas, Texas Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists. Your pastor ought to be present . . . . and this should be considered in your budget plans for next year, just as you would send your pastor to the Southern Baptist Convention.

6. March and April, 1964, **World-wide Baptist Jubilee Revival.**

All things point up the need for full committal to Christ in His redemptive purpose NOW . . . Nothing less than this will be enough. In fact, nothing less than this has ever been enough.

Respectfully submitted,
F. Stanley Hardee, Jr.

In keeping with the theme of our meeting, "World Missions," a stirring message on Evangelism was preached by Rev. James DeLoach, pastor of the Northside Baptist Church, Rock Hill, South Carolina. His text was II Timothy 2:2. As he spoke with incisive thrusts, he caused us to see afresh the primary purpose of the individual Christian and the church. A blackboard helped pictorially to see a man in the "lost position" transferred to the "saved position." Thus, he demonstrated that Christianity is kept alive by reproduction. He closed his message with prayer.

Our Moderator, Rev. Roger Williams, led us in prayer as we adjourned, separating to work for the coming year.

Constitution

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I — Name

The name of this body shall be the LIBERTY BAPTIST ASSOCATION.

Article II — Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III — Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday folllowing the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV — Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V — Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also.) They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6)), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI — Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at he annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII — The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice--Moderator, and Clerk.

Article VIII — Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2).

Article IX — Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the followship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association, or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies For the Establishment of Missions

1. Definite sponsorship by an established cooperating church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage the Mission from the beginning in giving a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

4. Inform member churches of their record of giving.

Roach, Coggins (Interim), Jack Byrd, Wallburg; Charles Watkins, East End; Joe Coltrane, Abbott's Creek; Lyman McDonald, Associate, Thomasville, First; Cecil Hedgepeth, Glennanna; Jack Alexander, Lick Creek. In his wonderful way Dr. Powell expressed our warm welcome to these men coming to labor in our midst.

EXECUTIVE COMMITTEE REPORT

The following report was read by Rev. William F. Bowen, Jr., Secretary of the Executive Committee, and approved by the Messengers.

The Liberty Baptist Association Executive Committee met as prescribed by the Constitution, four regular sessions and one called session, to carry on the work of the Association.

Some of the highlights of the November meeting were as follows:

F. T. Bowman, Associational Sunday School Superintendent, set the major emphasis on quality teaching and pointed to preparation for the Pastor Led Enlargement Campaign for October of 1963.

Rev. R. C. Foster was elected to serve as vice-moderator, a place vacated by Roy Holder.

On December 16th there was a called meeting at which the committee received and accepted, with sincere regrets, the resignation of Associational Missionary, Ted Williams. He resigned to accept a responsibility in the Church Development Departmemnt of the Baptist State Convention of North Carolina. (The letter of commendation to Dr. E. L. Spivey was sent as requested).

A generous time allotment allowed free discussion and instruction for the Missions Committee that it might do its job. Out of the discussion came the following suggestions which have subsequently been put into effect by our Associational Missionary:

1. That one day a week be set aside by the Missionary to be in the Thomasville area.
2. That it might be wise to set some restrictions to protect the time of the Missionary, being careful not to tie his hands.
3. That the Missionary set some definite office hours to help in reaching him for consultation and services.
4. That it be understood that the Missionary is free to go visit any church any time without being asked. In fact, he is encouraged to do so.

At the next regular meeting, February 4, reports were heard from the various departments of our work. Among these, Carey Davis reported that the Carol Sing was enthusiastically received and supported by the presence of about 300 persons. The Clerk read the letter written to Sheets Memorial Baptist Church concerning the action taken by the Association in its meeting, September, 1962. The letter is as follows:

Sheets Memorial Baptist Church
Cotton Grove Road
Lexington, North Carolina

Dear Fellow Christians:

In order that you might have accurate information concerning the action taken by the Liberty Baptist Association on September 26, 1962, on the second day of its annual meeting, we are enclosing a copy of the Report of the Special Committee which had examined this matter with your pastor, Rev. W. E. Sampson.

At the annual meeting a lengthy discussion preceded this action and a number of messengers expressed deep concern over the loss of a wonderful fellowship which had existed for many years between Sheets Memorial and the other churches of the Liberty Baptist Association.

The Association was in agreement in recognizing the complete autonomy of each local Baptist Church as well as the autonomy of the local Association. In accord with your desire not to be a part of our program and fellowship, the Messengers felt that there was no alternative to the action taken.

However, the Association expressed itself hopefully that the future might hold an opportunity to renew our previous fellowship with the congregation of the Sheets Memorial Baptist Church.

Sincerely yours,
Liberty Baptist Association
William F. Bowen, Jr., Clerk

Missions Committee Chairman, Leonard Rollins asked Roger Williams to present the report of the Missions Committee which included the following: "The Missions Committee recommends to the Association that Rev. Leonard Rollins be asked to accept the position as Missionary of Liberty Association."

A motion was made and seconded that the recommendation be accepted. Following discussion there was a standing unanimous vote approving the recommendation to call Rev. Leonard Rollins as Missionary.

At this same meeting Rev. Ben J. McIver again generously offered office space at Erlanger Baptist Church for the Missionary.

At the April 29 meeting John Penninger reported that $91.73 was spent in making the house ready for the missionary to move in. Dates approved were March 8-22, 1964 for simultaneous revivals and October 25, 1963 for our Associational Evangelistic Clinic. H. M. Baker, pastor, First Baptist Church, Denton, was elected Chairman of the Missions Committee to fill the unexpired term of Leonard Rollins.

Following the discussion of reports at the September 16 meeting, John Penninger presented the following recommendation from the trustees: "The roof on the missionary's home being badly worn and weathered, it is recommended that the home be reroofed. Approximate cost $400.00." The motion, after discussion, was approved.

Respectfully submitted,
William F. Bowen, Jr., Secretary

For recording at this point, it was made known that Antioch Baptist Church would be presented on Wednesday for entrance into Liberty Baptist Association.

There being no items of miscellaneous business, the Moderator introduced Denominational Representative, Rev. Harold White of our Baptist State Convention. Carey Davis led in singing, "Majestic Sweetness Sits Enthroned." Mr. White, using Paul's admonition to Timothy at the close of his life, "Preach the word . . . in season and out of season," led us to have a very moving experience.

Rev. L. H. Hollingsworth, Wake Forest College Chaplain, was called upon to speak briefly a word of greeting from the college .

The present rate of church giving to the Associational finances is falling a little short of the budget. For that reason on August 12, 1963, a letter was sent to all churches requesting each church to endeavor to give at least ten cents per month per resident member, or at last $1.00 per year for each church member which would cover our budget since there are about 12,000 church members in the Association. This Finance Committee strongly recommends this mode of giving in order to provide a sound and continuing financial structure for the Association.

Respectfully submitted,
Beamer Barnes, Chairman, Carl Hunt,
Mrs. Mozelle Woodlief, Frank Graves,
Rev. Hoke Coon, John Penninger, Jr.

After the congregation sang, "Amazing Grace," special music was presented with Carey Davis at the marimba, Bill Davis on base violin and Richard Conrad at organ.

Moderator, Roger Wiliams introduced Rev. Leonard Rollins to preach the annual sermon. The assembled messengers stood in recognition of pastor, friend and now associational missionary.

Mr. Rollins, then read John 8:30-36. Text: John 8:36. "If the Son shall make you free, ye shall be free indeed."

Introduction: Gordon Cooper was 34 hours and 20 minutes above the seething revolution and wars of earth, but he had to come back into them.

I. Jesus brings freedom from condemnation of sin.

II. Jesus brings freedom from material things.

III. Jesus brings freedom from selfishness. Lordship of Christ.

Following this stirring and soul searching message, the morning session closed with prayer.

TUESDAY AFTERNOON SESSION

Earlanger Baptist Church

The meeting was reconvened at 1:00 O'clock with the singing of "At the Cross."

R. C. Foster, Vice-Moderator was presented to preside over the afternoon session.

Rev. William C. Adams led the devotion as he read 1 Cor. 13 and led in prayer.

CHRISTIAN LITERATURE REPORT

Paul Campbell asked, in his absence, that John Roberts give the report for him. The report was adopted. John Roberts, then presented C. W. Bazemore, Associate Editor of the Biblical Recorder who spoke of the task of a state paper.

North Carolina Baptists are fortunate to be able to report a substantial increase in Christian literature again this year. We have more kinds and more copies of Christian papers and periodicals going into our homes than ever before. This continuing increase is not only keeping pace; but is gaining on our growth in membership. Members of our Liberty Baptist Association have a strong tie with our own state publications, Charity and Children and the Biblical Recorded. Charity and Children is published in our own association by the Baptist Children's Homes in Thomasville and is now reaching more people than ever before. For over 76 years it is one of the best known and most widely read pieces of Christian literature reaching our homes. Its subscriptions are now over 55,000. John E. Roberts is now in his fourth year as editor of this fine paper.

Charity and Children goes into every association and most of the churches of the state and is sent on a complimentary basis to every pastor and Sunday School Superintendent. Thirty one churches in the Liberty Association now subscribe in bulk form for 1,069 subscriptions.

The Biblical Recorder is the official publication of the Baptist State Convention and has a steadily growing circulation, higher now than ever before. The Biblical Recorder is also sent on a complimentary basis to every pastor and Sunday School Superintendent. As an experiment to win more new readers, the Biblical Recorder was sent for two months on a trial basis to every family in any church which would request it and provide a mailing list. Most all of us in the Liberty Association are personally aquainted with Marse Grant, the Recorder editor and many know him as a close friend.

Periodicals and publications available for every home through the Southern Baptist Convention and its agencies include Home Life Magazine, The Commission, and Home Missions. Available for those interested are Sunday School Builder, Training Union Magazine, The Church Musician and Church Administration.

Our women and girls should have Royal Service, The Window, and Tell. The men and boys should all receive the Brotherhood Journal and Ambassador Life.

The most effective way to suppress bad literature is to supplant it with good literature. Throughout North Carolina, and the Southern Baptist Convention our Christian literature is available to take its rightful place at the head of the list of wholesome reading matter.

Respectfully submitted,
Paul R. Campbell

BROTHERHOOD REPORT

This report was given by John Roberts, and adopted by the assembly.

Among the men in Liberty Baptist Association, Brotherhood affords an unparalleled opportunity for Christian fellowswhip, worship, and service.

For many years Brotherhood has voiced support for all the work of the church, and pledged itself to an undergirding of the total church program.

Now we face a new and specific challenge: RISE — Revival In Stewardship Enlistment. This new emphasis on stewardship in our churches will be led during the coming year by the men of Brotherhood.

This emphasis is on stewardship of time, talent, interest, dedication as well as money. Our churches need men to be active in the programs of enlistment, soul winning, work with Royal Ambassadors. Men must lead in all endeavors of the church.

In our association, as indeed throughout North Carolina and the Southern Baptist Convention, Brotherhood continues to face the problem and opportunity of enlistment.

Only half our churches have Brotherhood organizations, with two new chapters fully organized and functioning during the past year.

Our intentions is to proceed enthusiastically with our objectives through the chapters which we have, at the same time lending all possible encouragement to others to join us.

Respectfully submitted,
John E. Roberts, President

WOMAN'S MISSIONARY UNION REPORT

Mrs. Paul Kesler was recognized to bring this report. Upon the motion and second it was adopted by the messengers.

The world and woman's place in it have changed in many ways during the past seventy-five years. However, the purpose of W.M.U. has remained unchanged. It is with thanksgiving for those far sighted leaders of yesterday that we have celebrated this year the 75th Anniversary of Woman's Missionary Union. It is with humility that W.M.U. members of today accept the responsibility every Christian should feel in winning the world to Christ.

Anniversary goals have been stressed during this year and many of the W.M.U. organizations have reached twelve or more of them. Anniversary meetings, banquets, and special programs have been prevalent.

The membership and organization in our association is as follows:

W.M.S. — 38 Societies	1,443 members
Y.W.A. — 14 Organizations	66 members
G.A. — 41 Organizations	537 members
Sunbeam — 40 Organizations	367 members
Sunbeam Nursery — 7 Organizations	36 members

One W.M.S. was honor. Seven W.M.S.'s were advanced. Four G.A.'s were honor. One honor Sunbeam. Many other organizations were approved.

This year we have also celebrated the 50th Anniversary of G.A. In Liberty Association this phase of our work has experienced an unusually good year. Fifty-four G.A. girls attended the G.A. Convention in Memphis, Tennessee. In the forty-one organizations, we have 39 Queens. 26 girls attended G.A. Camp this summer. 8 Associational meetings were held, with total attendance of 881 girls and leaders. 28 Counselors completed G.A. Leadership course during the year. One new G.A. was organized, and ten organizations held a Coronation or Presentation service. We express our grateful appreciation for the progress in this work to our fine Director, Mrs. J. H. Godfrey and her co-workers.

Our Sunbeam Director conducted a Day Camp for 8 year olds. It proved to be a wonderful meeting, well planned and well attended.

Leadership courses for all W.M.S. officers and youth leaders were offered. Two leadership conferences were conducted. The annual W.M.U. meeting was held in April. This was well attended by almost 200 people representing some 21 churches.

The annual W.M.U. and Brotherhood Missions Rally was well attended. Five Executive Board meetings were conducted, these also were well attended.

We are grateful for the work and cooperation of the W.M.U. officers in each church as well as those in the Association. "Laborers together with God," truly has been our privilege during this year. For the opportunities of World Awareness, prayer, giving and witnessing, we are grateful. As Christian women we are thankful that we are among those who know these things instead of being one among the great number still waiting to hear them.

Respectfully submitted,

TRAINING UNION REPORT

The report on Training Union was presented by Kenneth Miller. After the report was read, it was adopted.

Leadership is needed everywhere, especially in our churches. Jesus saw the need of training those disciples whom He had chosen to be witnesses. Those of us who serve Him today should also be trained for this great mission. No Christian is too young or too old for Training Union, so the object of every church should be to train the members of the church for service. That is the primary purpose of Training Union, to discover new talent and develop it for the glory of our Lord.

A successful "M" Night was held at the First Baptist Church of Lexington on December 3, 1962, with 481 people present. There were 18 Training Unions represented with 20 pastors. Rev. Kenneth B. Wilson from Mount Airy was the speaker.

Under the direction of Rev. Anthony Gurganus, Youth Director for the Association, an inspiring Youth Night Program was held at Churchland Baptist Church, March 23, 1963.

There were participants in all age group Tournaments at the Associational Tournament on April 1, 1963 at Liberty Baptist Church. The winners participated in Region 5 Tournaments at Mills Home on April 19, 1963.

We are glad to report the organization of one additional Training Union, which was at Currytown Mission. A Study Course was taught, with 10 pupils, plus the teacher applying for awards.

To the 17 churches and pastors who do not have Training Unions, we would like to help and encourage you to start a Training Union in your Church.

Next year we will have an Associational Enlargement Campaign. Our sincere thanks to all who have had a part in the organization and functioning of this vital phase of the Master's work.

Respectfully submitted,
Kenneth A. Miller

SUNDAY SCHOOL REPORT

F. T. Bowman came forward and read this report.

During the past year the Sunday School sponsored four associational wide training meetings and observed Action Night. 419 awards were earned during the year. Approximately two-thirds of the churches reported Daily Vacation Bible Schools. According to these reports a high quality of work was maintained throughout the Association. On May 3, 1963, a Clinic for Vacation Bible School workers was held with a record attendance for this Clinic in our Association.

Preparation has been made to conduct an associational-wide pastor-led Sunday School Enlargement Campaign October 14 through 18. About one-third of the churches have agreed to participate in this campaign.

For the coming year the associational officers suggest that all Sunday

School leaders pledge themselves to improve the quality of teaching in our churches. Some goals for the new year are as follows:

A Clinic for Vacation Bible School in the spring of 1964
Churches attaining standard recognition — 2
"Action" Night attendance September 15, 1964 — 200
A 10% increase in training awards
Vacation Bible Schools — 34.

Your associational officers would be most happy to have you request their services throughout the year and it is our prayer that we will all cooperate in our endeavors to render a most efficient Bible teaching ministry. Emphasis for the year will be placed upon evangelism.

Respectfully submitted,
F. T. Bowman, Supt.

Mr. Bowman moved for its adoption and received a second. He then called on R. C. Foster, a member of the Sunday School Board, to speak on the report. Mr. Foster gave some highlights of the Sunday School Board work begun under Dr. Frost and Dr. Spillman of North Carolina. A vote for its adoption was in the affirmative.

The Clerk reported 266 persons registered.

Carey Davis led in singing "Must Jesus Bear the Cross Alone."

AMERICAN BIBLE SOCIETY REPORT

The next order of business was the report given by Frank Johnson on the American Bible Society.

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world — a task which calls for the widest possible distribution of the Scriptures.

People must have the Bible because
it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.

In most countries, people cannot afford even the cost of
printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1962 the American Bible Society—

—rejoiced that some part of the Bible have been published in 1202 languages; the full Bible in 228, a Testament in 285 more, a Gospel or other complete book in 689 more — but still faced the task of translating the Scriptures into another 1,000 or more languages.

—extended its work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world. Especially encouraging was its overseas distribution of almost 17 million volumes, which was a remarkable increase of 49 per cent over the year before.

—gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—sought new ways for reaching people who have little or no acquaintance with the Bible. Among these new approaches is a program throughout Latin America, in which Christian laymen are recruited and trained, in evening courses, in the evangelistic distribution of the Scriptures in their own communities, under the direction of their own churches.

—continued to expand its distribution of Scriptures to persons of special needs in our own land: people with different language backgrounds; victims of disasters; people in crowded problem-filled "inner-city" areas! patients in hospitals and nursing homes; persons in jails, reformatories and prisions; migrant farm workers — and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

Two years, 1958 and 1961, Southern Baptists led all denominations in gifts to the American Bible Society. But in 1962 Southern Baptist gifts of $158,206 stood second, exceeded by Methodist gifts of $206,580. Gifts from all churches in the U.S.A. totaled $1,191,233.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions based on what many churches are now giving:

Every church can give at least these amounts each year:

Smaller churches — $10 to $60
Larger churches — $60 to $300
Great city churches — $300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Respectfully submitted,
Frank Johnson

He moved its adoption and it was so ordered. Before leaving the platform, he announced he was leaving our fellowship to go to Taylorsville.

CHURCH MUSIC REPORT

This report was prepared by Jack Rothrock and read by Carey Davis. It was then adopted.

During the first few centuries after the birth of Christ, the culture of the Greeks and Romans continued to rank first among the civilization of Europe. Then came the years known as the Dark Ages, approximately 500 to 1300 A.D. During this period there was little or no progress in arts or science. Culture became engaged in the struggle for its very ex-

istence, and was only kept alive by the Christian Monks of the Monastaries. About 384 A.D., Ambrose A. Bishop of the Christian Church, wrote what was known as the Ambrosian Chant. It is said to be the first piece of Christian Music ever composed.

Music and Religion have been closely associated for many centuries. The last few years there has been much emphasis put on the Music Ministry of the Church.

In 1944 we put a Report on Music in our Associational Program; now the leaders of the Music Ministry of the Southern Baptist Convention are asking and urging all local Churches to report all music activities on their Annual letter to the Association.

One of our goals for the coming year is to enlist all our Churches to report their Music Activities to our Association. There were 18 Churches that made no report last year.

Activities of our own Music Ministry this year:

1. Our Music Committee met 5 times this year.
2. Led the singing and instrumental music in 4 Associational Meetings.
3. Our Carol Sing is the highlight of the past year:

Churches taking part:	
1. Number of churches represented	11
2. Pastors	7
3. Music Directors	5
4. Carolina Avenue Choir	
5. Wallburg — 2 choirs	
6. Total present	269

Respectfully submitted,
Carey J. Davis

PUBLIC MORALS REPORT

L. A. Martin, a former Temperance worker was recognized to give this report. He vigorously called upon the church and all Christian people to act positively against the alcohol problem of our state and nation. Report approved.

EVANGELISM REPORT

The call for this report brought Gerald Hewitt forward. He presented his report which was adopted.

A personal definition of evangelism which I have formulated for my own guidance is "Evangelism is the bringing the Gospel of Redemption to the attention of lost people by whatever means necessary, thereby creating a crisis situation in which the lost person must make a decision either to make a life commitment to Jesus Christ or reject Him."

With this definition as a guide in our evangelistic work, we are released from the rut in which we "put all of our eggs in one basket" — namely trusting our evangelistic enterprise to revival meetings only.

The Sunday School is the greatest wasted opportunity for evangelism in the history of Christianity. Sunday School workers and teachers

present the Gospel to more lost individuals each Sunday morning than the pastor will ever have the opportunity to speak the message of salvation to in worship services The Biblical facts are important only in making that Saviour of whom those facts speak relevant to the hearers of 1963.

Training Union, which is the greatest lost opportunity for Christian training, through indifference, has the potential for training Christian people and thereby enabling the single Christian to become involved in the Christian enterprise with some training.

A regular schedule of evangelistic meetings should be church policy, but there is the spontaneous working of the Holy Spirit in the hearts of men other than the third week in August. Each church should remain flexible but not to the point of confusion in its schedule. How much church history would have been different if those people who heard the gospel preached by the apostles had said we will wait until the third Sunday in August to follow Christ.

We must realize that we as a denomination have not found all of the best ways to do our work. New efforts must be made in the spirit of boldness in seeking every means necessary to proclaim the gospel. Our lack of interest in worship and service is not due to television or any other so-called competition. Our rigid traditionalism and loose living Christian people are causing our churches to lose their dynamic character and causing them to stagnate.

With this in mind I would urge upon all of our churches that we become New Testament Churches. The New Testament Church of today is one that is more concerned with the spirit of the early Christians more than their practices. The major concern of the early church was to win the world to Christ. How was this done? The lost were won through personal testimony, not of mass meetings, but personal face to face encounter of an individual Christian with a lost person with the sole purpose of bringing that lost person face to face with Jesus Christ and thereby showing him not a plan of salvation but a personal Saviour.

We can glorify our "bigness" and our smooth running machine and our believers baptism by immersion, but we are not New Testament churches until we move the individual Christian off the pew into the homes of lost people.

I recommend that each church undertake the effort to reach into the homes of the lost people in whatever way is best suited to your own individual needs.

Respectfully submitted,
Gerald N. Hewitt

Mr. Hewitt then introduced Rev. Henry Crouch, Ardmore Baptist Church, Winston-Salem, to bring the Address on Evangelism. Among many good points he made were these:

THREE THINGS WE CAN TELL OURSELVES

1. Quite telling ourselves how good we are.
2. Preach for conversion . . . inside and outside the church.
3. Preach honest commitment to Jesus Christ.

With the prayer for fuller compassion and commitment, the meeting adjourned.

WEDNESDAY MORNING SESSION

Park Place Baptist Church

The second day of meeting was called to order by the Moderator and Carey Davis led in singing, "Holy, Holy, Holy."

Judson Rotan, pastor of Park Place, led the devotion and welcomed the messengers to Park Place.

MISSIONS COMMITTEE REPORT

This report was read by Miss Doris Lopp who then moved its adoption.

This has been a year marked by significant activity by the Missions Committee. In January, the Committee organized itself as a steering committee for the Association to carry out church-community surveys as the first step in the Long Range Program of Spiritual Advance initiated this year as a joint local, association and convention effort. These surveys were completed in March.

In February, the Committee made a decison of vital importance to the Association. With a feeling that spiritual wisdom had been imparted to us in this matter, Rev. Leonard Rollins was unanimously chosen by the Committee as our nominee for Associational Missionary. Later in February ,acting upon the recommendation of the Misions Committee, the Executive Committee of the Association elected Rev. Rollins who began work on March 11.

On February 11, the Committee met to deal with matters pertaining to the Missionary's taking on the responsibility of the new ministry and his moving his family into the home maintained by the association for the Missionary.

In a meeting on September 16, the Committee considered the request from Currytown Mission for help in organizing into a Baptist Church. The Currytown Mission, led by Rev. Tommie L. Honbaier, was organized five years ago, and is located approximately six miles from Lexington near the intersection of West Center Street Extension and Highway 150. Present membership includes about 9 adults, with Sunday School attendance estimated at 35 persons per Sunday. Average weekly income amounts to $30 to $35. It was agreed, in the Committee, that the Missions Committee Chairman and the Missionary investigate this request further.

At the same meeting, Antioch Church, located on Albertson Road, Thomasville, requested membership in the Association. Rev. Hoyt Adams is pastor and advised the Committee that his church was organized on June 17, 1962 with 50 charter members. There is now a membership of 90, with an average weekly income of $150. Total evaluation of the church property was given as $45,000, including a recently constructed parsonage. A vote was taken in favor of the Committee's recommending to the Association that Antioch Church be accepted under watchcare for one year in keeping with the requirement of our Constitution.

The discussion called the word "watchcare" into the spotlight for clarification. "Watchcare" means that the association will investigate the church's relations to the association to the church. A motion was made to amend the report to admit Tyro and Hillside Park to the association. The amendment carried. By vote of messengers the amended report was adopted. Rev. Otis Kiger, pastor Hillside Park and members of the church were welcomed into the association by Missions Committee Chairman, H. M. Baker. Rev. Hoyt Adams, pastor of Antioch and members of that church were recognized.

ASSOCIATIONAL MISSIONARY'S REPORT

Rev. Leonard Rollins was called to give his report to the association. Motion to adopt the report carried.

On March 11 of this year (1963) I began my service as your associational missionary. There have been many adjustments to make in leaving a pastorate of 10½ years, but your understanding and cooperation have made my task much easier. The fellowship and dedication of the leaders of this association is known across our state, and I count it a privilege to work with each one of you.

The opportunities extended to me to be of service in the local churches have been numerous. I have already preached or spoken 71 times in 31 of the churches. It is my desire to be in every church at least one time by the end of my first year of service. I have driven my car 10,147 miles and have published 6 issues of the Liberty Baptist News. There have been 186 individual conferences, 50 group conferences, and 13 committee meetings.

The projects that have been promoted on an associational level have been: Baptist Youth Night, Church Community Surveys, Service Request Forms, Training Union Tournaments and Regional Convention, World Missions Week, V.B.S. Clinic, Pastor-led Sunday School Enlargement Campaign scheduled for October 13-19, City-wide Survey for Lexington, Revival in Stewardship Enlistment through the Brotherhood, Open Discussion of Wake Forest College Trustee Proposal R.A. Camp at Happy Lake, Sunday School Action Night, Training Union and Sunday School Leadership Conferences, Training and Planning Meeting for Associational Officers and the Annual Meeting.

The past year is history. The new year with its challenge is before us. The major projects facing us in 1964 will be the Baptist Jubilee Revivals, March 8-22, and the Training Union Pastor-led Enlargement Campaign, October 11-17.

It is my conviction that no meeting is worth the time if it does not meet the needs of the churches. Will you help us determine what those needs are?

Respectfully submitted,
Leonard Rollins

TIME, PLACE AND PREACHER REPORT

The report on Time, Place and Preacher was presented by Inman Stewart. It was adopted.

The Committee on Time, Place and Preacher wishes to make the following recomemndation.

We recommend that the Annual Association for 1964 be as follows: The first day sessions be at Carolina Avenue and the second day sessions be at Stoner's Grove, assisted by Mt. View.

We further recommend that the Annual Sermon be preached by the Rev. Charles Young, Pastor of Center Hill Baptist Church and that the alternate be the Rev. Stanley F. Hardee, Pastor of the First Baptist Church, Thomasville.

ELECTION OF OFFICERS

Mr. Beamer Barnes was recognized as chairman of this committee to present nominees for the coming year. Carl Hemphill is to be included on the Committee on Order of Business. The officers recommended were approved by the messengers.

A few moments of worship were experienced as Miss Jeanne Saunders, Lexington, First, sang, "Come Into My Heart Lord Jesus."

BAPTIST FOUNDATION REPORT

With a brief word of introduction, Moderator Williams called on C. Gordon Maddrey to report on the Baptist Foundation. His report follows:

"The many different phases of the Baptist Foundation make it necessary for me to be selective in what I present to you." said Mr. Maddrey.

A brochure "Every Woman Should Have A Will of Her Own" was used to point out the need for a will for every person. He then pointed out that the Foundation acts as the agent for the individual for investing the money that the interest may be used for the cause designated by each person. To show how money might be designated for use, he used the following illustration: A woman was going to give $1000.00 to go as a direct gift of $10.00 each year until it was used up. It was pointed out that this $1000.00 invested by the Foundation would cause a gift of $38.00 to be sent each year until the end of time.

HOMES FOR THE AGING REPORT

To report on this phase of our work, Ray Billings came forward with two persons from the Homes to assist him. The following written report was adopted.

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes — the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in

Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is an heartbreaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1.3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Coperative Program, we shall have to continue to look to the Special Day Offerings for the greatest part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
Ray Billings

The two persons on the platform with Mr. Billings were Mrs. O. R. Houser and Mr. Faval. Mr. Faval, father of Hudson Faval, missionary to Ghana spoke of the love he and Mrs. Faval had for the Home and their acceptance into the Home family.

BAPTIST HOSPITAL REPORT

Upon coming to give this report, Richard McQueen asked that he be excused from reading the report. He just called attention to churches which have not gotten their offering in. He called on Mrs. Charlie Smith to give a personal testimony of the work of the Baptist Hospital with her daughter who was striken with cancer .Dr. W. K. McGee, Director of Public Relations at Baptist Hospital came and spoke of the program of work carried on by the hospital.

Motion to adopt written report without reading was then passed.

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist

Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
Richard McQueen

CHILDREN'S HOMES REPORT

As James Helvey came to bring the report, the many representatives from the Children's Homes, Thomasville, were recognized by the Moderator. A motion to accept the report was passed.

Mr. F. T. Bowman, Treasurer of the Children's Home gave other information concerning the needs.

More children were served by the Baptist Children's Homes of North Carolina last year than ever before through the facilities at Mills Home, Kennedy Home, Odum Home and Chapel Hill Home. The physical, mental, social and spiritual growth and development of the children has been gratifying.

One of the most significant additions has been the Chapel Hill Home providing services for children suffering from emotional illness. This service is being provided a limited number of children in connection with The University Medical Center.

North Carolina Baptists have every reason to rejoice for this is made possible by the interests, prayers and giving of North Carolina Baptists as well as other friends. Financial support for the past year has come from:

Cooperative Program — 33 per cent
Thanksgiving Offering — 30 per cent
Once-a-Month Offering — 16 per cent
All Other — 21 per cent.

However, applications for the admission of children are increasing. A familiar plea is, "Unless you can help this child, there is no hope for him." The needs are:

1. An immediate increase in the number of children in good Christian Foster homes in all areas of the state.
2. Continuous expansion and upgrading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program. A generous Thanksgiving Offering is a must — as 1/3 of the support comes through this offering alone.

To keep informed about the North Carolina Child Care Program, for only 60 cents a year, read the **Charity and Children**, a weekly publication of the Homes and one of the best religious papers published among Southern Baptists — now in its 76th year.

Respectfully submitted,
James Helvey, Jr.

The congregation sang "When I Survey the Wondrous Cross" and the Davis Brothers' Quartet sang two songs.

Moderator, Roger Williams, then introduced Dr. John T. Wayland, Professor of Religious Education, Southeastern Seminary, to bring the address on Christian Social Services. His subject was "The Final Test" with Matthew 25:31ff. as his text.

WEDNESDAY AFTERNOON SESSION

The afternon session got underway as the congregation sang and Rev. Jack Byrd, Wallburg, led the devotion, reading I Peter 2:1-10 and leading in prayer.

MEMORIAL SERVICE

The moment of deep reverence came in the Memorial Service. Rev. E. C. Roach read John 14:1-3 and the names of those departed this life. He then led in singing "O Happy Day" and closed with prayer. Throughout there was a note of Christian triumph in Christ.

STATE MISSIONS REPORT

The following report was read by William F. Bowen, Jr. and adopted by the mesengers..

State Missions is not a matter of looking to far off places, but a matter of looking at "fields that are white unto harvest" in our own state. The command of Jesus to go with compassionate hearts is being only partially fulfilled as we can see from the tremendous needs for Christian witness and service in North Carolina.

Out of a growing population in North Carolina there are 2,000,000 lost people. As a start to meet the salvation needs of these people, the 3,400 Baptist churches of our state have places ready now for starting 400 new churches and missions. This would be added to the 6755 churches and missions organized under the 30,000 Movement since 1956.

To help new churches and missions get started right, the State Mission Program provided in the last year $91,000 in salary help for 127 churches. Many of these and others were aided out of allocated monies for aid in purchasing lots and buildings. At least 2,000 of our churches in North Carolina have been aided by this State Mission Program.

To aid the developing leadership in the churches, the eleven area schools in Western North Carolina and Fruitland Bible Institute continue their fine work.

The ministry to the deaf is being expanded through television and as more churches are taking on the service to the 5,000 or more "silent people" in our state.

If we are to continue to reach out to all the world, we must have a strong base of "operation missions" in our own state.

William F. Bowen, Jr.

HOME MISSIONS REPORT

Mrs. J. H. Godfrey, using visual aids of maps brought an interesting and informative report on Home Missions. The report which follows was read and properly approved.

The theme, "Spiritual Conquest, NOW!" is leading the Southern Baptist toward a climatic year of the Jubilee Advance.

Missions and evangelism are the Siamese twins of Christian growth. Giving the Gospel witness to the lost and enlisting those who will accept Christ in winning others is the task of every church.

The Home Mission Board has seven programs: (1) Associational and Pioneer, (2) Chaplaincy, (3) Church Loans, (4) City Missions, (5) Evangelism, (6) Language Group Ministries, (7) Work with National Baptists. Southern Baptists have responded to the needs of helping resettle more than 750 Cubans. Thousands have been fed and clothed in Miami. Churches in Richmond, Atlanta and other cities have responded to needs through Spanish classes, departments, and Missions that these Latin American friends might have the Gospel in the "language of their souls."

There are 738 Southern Baptist Ministers serving as Chaplains in the Military hospitals, industry and institutions.

Look at America's needs. There are now 50 states in this Nation — all of it our Home Mission territory. It once was only the Southern States, but now it is Hawaii and Alaska, the Far West and the popular North East, the scenic North West and the neglected Middle West.

Membership in Southern Baptist Churches topped the 10 million mark in 1962. At the end of this year the total reaches 10,193,052..

Southern Baptist Mission forces reported approximately 5,000 Missions and Churches started in 1962 as a part of the Convention's efforts to organize 30.000 Missions and Churches by 1964.

The Division of Evangelism, which led Southern Baptists to baptize 381,510 during the year. The Missionaries reported 48,700 professions of faith. There were 595 student summer workers.

More than 2,100 Misisonaries now serve with the Home Mission Board. Most of these Missionaries serve under 26 state agreements between the Mission agency and the State Convention. Personnel secretary, Glendon McCullough, reported 414 Missionaries appointed in 1962. There continues to be, however, an urgent need for Missionaries to Spanish, Italian, Polish, Yugoslavian, and Good Will Center Missions. Some of these urgent requests have gone unanswered for two years.

In 1964 we must do an intensive job of planting, tending, and harvesting.

Respectfully submitted,
Mrs. J. H. Godfrey

FOREIGN MISSIONS REPORT

Mrs. Leonard Rollins, using a statistical chart, impressively read the following report which was adopted by the association.

The Bible is distinctively a missionary book. The Word of God knows neither black nor white, East nor West, Jew nor Gentile. It is intended for all men. We believe that, do we not? There is no short cut in bringing release to hearts in bondage—"Whosoever shall call upon the name of the Lord shall be saved." Paul gives us the procedure: If men are to be saved, they must believe. If they are to believe, they must hear the gospel. If they are to hear the gospel, it must be preached. If it is to be

preached to the nations, there must be preachers. If preachers go, they must be sent. Human personality, then, offers the only medium through which Christ's love can be communicated. Persons by the millions need to hear! Persons by the millions need to proclaim!

It would be impossible to exaggerate the misery that aflicts a tremendous proportion of today's 3 billion people, the vast majority of whom have never heard the gospel. Yet, neither adequate food, nor healthy bodies nor good housing, nor splendid education—nor all of these combined — can solve the basic cause of today's terrifying crises. Only the gospel of Christ can save from sin's defilement and guilt, from life's frustrations and monotony, from man's prejudices and hatreds, from man's self-centeredness and greed. Only the gospel can make a man a new creation in Christ. And God has paid us the high compliment of responsibility for sharing his redemptive love in Christ. His "go ye" is so disturbingly personal!

Southern Baptists have made a beginning, a thrilling beginning: 1725 foreign missionaries under appointment to 53 countries of the world, presenting the gospel of Jesus Christ through various media of communication; ministering to 325,030 patients in 18 hospitals and 46 clinics where 62 missionary doctors and 49 missionary nurses serve; teaching 167,784 students, endeavoring to prepare them for maximum Christian usefulness. There are more than 10,633 churches and missions, with a total membership of over 488,000. This is amazing when it is remembered that Southern Baptist mission work is less than 15 years old in 32 of the 53 countries! Forty-one seminaries, with an enrollment of 1,380 seek to develop ably prepared national Christian leadership. More than 7,000 women and children benefit by the practical, loving ministries of good will centers directed by 15 missionaries. Seventeen publishing houses produced 13,030,227 printed items in 1962. Four missionary couples serve in agricultural centers.

During 1962 the Foreign Mission Board appointed 127 new missionaries, reappointed 2, and elected 11 missionary associates. As of July, 1963, we have 1,725 missionaries for 2 billion people. "How shall they hear without a preacher?"

There must be intercessory prayer. The cultivation of our prayer potential should stand before Southern Baptists as our primary concern for missions advance. Then, there must be more people who will lay their lives upon the alter for long-range missionary service. We can be grateful to God that in this present year there is a larger response for world-wide service than ever before. Third, there must be adequate financial support. When we divide the number of Southern Baptists by the number of missionaries we support, we find it takes 6,000 of us at home to take care of one on a foreign field. When we divide the money available for foreign mission work by the number of our members, we find we have not reached a $2.00 per capita gift per year. But, if one-tenth of the total giving of Southern Baptists at the present time were used for work beyond the borders of our own country, such sharing would more than double the present resources for foreign missions. And fourth, we must come to know that we cannot expect our missionaries to become effective abroad unless we are willing to be Christian in our own attitudes and relationships in the town and community where we live.

The story of redeeming grace must be told now. Our Lord has committed unto us the message of reconciliation. What will we say to God?

Answer Him we must. Will we say, "Lord, we could not do so much for the world and do the other things we wanted to do also." We have all kinds of explanations which we can give to one another, but will they stand up when we give them to God?

Respectfully submitted,
Mrs. Leonard Rollins

At this point in the proceedings the Moderator appointed the nominating committee which is listed with the other associational committees.

The clerk gave the final registration report showing 43 visitors and 271 messengers for a total of 314 persons registered.

A few moments of worship in song was appreciated as the Davis Quartet sang.

HISTORIAN REPORT

A man of records and historical data, Bro. Sam Smith came to give the history of the host churches. The written report, by consent of the assembly, was adopted without being read. Bro. Smith then gave many names of workers and acquaintances in his long life in the Liberty Association.

Since the highlights of progress made in the association for the year will be included in other reports; and in keeping with a resolution passed at our 1959 session, this report will be a brief history of the two host churches, Erlanger and Park Place.

ERLANGER

In the early part of 1916 Dr. Fred D. Hale, pastor and other members of the Lexington church saw the need for a church at Erlanger, therefore on May 12, 1916 at a called business meeting of the Lexington church it was voted that the church organize a branch at Erlanger. In the resolution it was suggested that all members of the Lexington church living in the Erlanger village join the branch church.

The branch was organized on May 14, 1916, in the Union Church Building at Erlanger. Dr. Fred D. Hale, pastor of the Lexington Church presided at the organization.

The following joined as charter members of the branch church, Mr. and Mrs. C. W. Hinson, J. M. Aycock, J. E. Higgins, Max Higgins, Mrs. Minda Williams, Mr. and Mrs. M. O. Proctor, Mr. and Mrs. R. S. Hames, Mrs. Julia Hamrick, Miss Annie Wilson, Miss Emma Wilson, and Mrs. Jessie Freeman, these were from the membership of the Lexington church.

The following indicated a desire to join on the reception of their letters from other churches, Mr. and Mrs. F. M. Freeman, Mr. and Mrs. S. M. Scroggins, Fred and Lenora Scroggins, Mrs. E. M. Hughes, Mrs. Mary Puckett, Mr. and Mrs. T. F. Thorpe, Paul Thorpe, Mr. and Mrs. H. M. Dupree, Mrs. C. N. and Miss Thelma Hutchinson, Miss Lena Gurley, W. M. Presley and Miss Annie Varker.

Dr. Hale was elected pastor of the branch church, Fred L. Scoggins, clerk and M. O. Proctor, Treasurer. Worship services were to be held in the Union House of Worship at Erlanger. The Union House of Worship was built by the Erlanger Company for the use of all denominations

that wished to use it. R. S. Names, J. W. Aycock and T. F. Thorpe constituted the first board of deacons.

The branch was organized into a separate church on Sunday, October 29, 1916.

It's charter members were composed of the ones above named and the following, J. H. Shytles, Mr. and Mrs. B. L. Hames, Mrs. J. F. Gurley, Mr. and Mrs. Walter James, Mrs. J. E. Higgins, Mr. and Mrs. S. P. Bland, Paulene and Hoyt Young, Mrs. W. G. Freeman, Myrtle and Edith Varker, Esther, Hattie and General Huffstickler, Mr. and Mrs. Clyde Emmett, W. W. Presley, Miss Gertrude Gouch, Mrs. C. M., Miss Epsie and Miss Bertie Hughes, Rev. and Mrs. J. A. Combs, Miss Johnsie Combs, Miss Hattie Hinson, Mrs. W. G. Johnson, Swade Wilson and John Carter. The church was thus constituted with 57 members. Rev. W. L. Barrs was the first pastor of the newly constituted church.

The church was named the Erlanger Baptist Church.

Deacons and officers of the branch were elected to the same office in the newly constituted church. They used the Union House of Worship for their services until 1923, when they built a house of worship on the Winston Road across from the village. This was a wooden building costing some four or five thousand dollars. The name of the church was changed to Tabernacle Baptist Church. The membership of the church had now grown to 192.

In 1925, 1926 and 1927 additions were made to the building and it was brick veneered, which was done at a cost of $4500.00. Till 1932 the church membership had grown to 432 and 412 in Sunday School. In 1936 the Erlanger Company donated to the church a lot at the corner of Hames and 9th Streets a lot on which to build a new church, a church was built on this lot the same year costing around $15,000.00, with an auditorum seating 500 and 15 other rooms.

The building committee was composed of the following: I. L. Blaylock, Chairman, J. J. Moon, L. O. Bishop and B. L. Hames. The name of the church was changed back to Erlanger Baptist Church.

Several years later the Erlanger Company donated to the church the old school building on the lot west of the church. The church spent several thousand dollars on this in making it into Sunday School rooms and other needed facilities.

Till 1957 the church had out grown its facilities again, at which time it erected a two story educational building on the lot in rear of the church, this was done at a cost of around $60,000.00. The building committee at that time was composed of Earl Snyder, Chm., D. W. Linder, H. W. Buchanan, Paul Daniel and Max McGinn.

The membership of the church has fluctuated due to changes in the population of the village and revisions of the church rolls, the highest membership in the history of the church was 443 in 1932 and the lowest was 199 in 1936. For most all the time in the history of the church it has paid its pastor the 3rd highest salary of any church in the association.

The church has been served by the following pastors in the order named: Dr. Fred D. Hale, pastor of the branch church, W. L. Barrs, J. C. Gillespie, Rev. L. L. Hudson, J. A. Combs, John S. Nichols, Ira Freeman, W. R. Yokely, C. R Johnson, J N. Bowman, E. C. Roach, C. B.

Atkinson, C. C. Matney, J. W. Croker, Guy C. Moore, and B. J. McIver, the longest periods of service were by the Revs. Roach and Moore.

The following officers have served the church in order named:

This is the first time the association has been entertained by this church.

The church reported a membership last year of 385, with 299 in Sunday School, local gifts were $17,366.00 and 563.00 to missions.

REID STREET (PARK PLACE)

In the summer of 1936 a group of Christians under the leadership of Dr. W. K. McGee, pastor of the First Baptist Church of Thomasville, saw the need for a mission Sunday School in this section, several persons from the First Church and others joined with Dr. McGee in organizing a Sunday School at that time.

This Sunday School had as its first meeting place a store building at the corner of Reid and Emma Streets, which belonged to the Crutchfield Hardware Co. Dr. W. K. McGee and Rev. J. A. Neilson, pastor of the Mills Home churches served as co-pastors of the mission . Mr. Talford Maley a member of the First Church served as the first Sunday School Superintendent.

The mission was organized into a church on Sunday, October 23, 1938, which was named the Reid Street Baptist Church. The then State Secretary, Dr. M. A. Huggins, was present at the organization meeting. Dr. McGee acted as moderator, Rev. J. A. Neilson as clerk. The council at the organization was composed of deacons and visitors from the First Church, Mills Home and Carolina Avenue churches.

Thirty eight entered the church as charter members, namely: Mrs. Ailene Hilton Batten, Mrs. Betty Lou Pressley Bauer, Mr. and Mrs. Ira Bryant, Mr. and Mrs. A. C. Rev. H. Otis Lanning from Lexington became the first pastor of the newly constituted church. The next year 1939 the church purchased a lot at the corner of Reid and Kern Streets for the sum of $1850.00 on which they erected a frame church building costing some $2500.00.

At the 1939 session the church was accepted into the Liberty Baptist Association. The messengers to this associational meeting were: Mrs. S. A. Renegar, Mrs. Millard Wilson, and Rev. Otis Lanning. In one year the church membership had reached 65. The Sunday School enrollment had reached 168 with an average attendance of 90. A Vacation Bible School was held with enrollment of 65. During the first year, two revivals were held. The Training Union had an enrollment of 54. A W. M. U. was begun with an enrollment of 29, with the GA's enrollment 26 and the Sunbeams enrollment 17.

By 1941 the church had a membership of 105 and a Sunday School enrollment of 227.

During the following years the Church continued to grow in physical strength as well as spiritual strength. Some of the highlights of the following years are:

1. In 1944 the church reached second in the association in giving per capita.

Membership of the church increased to 123 during this year The church was finished in 1954, costing around $50,000.00. The building committee was S. B. Laws, Wayne Batten, Austin Batten and Lay Hinkle.

5. On March 26, 1952, Reid Street was changed to Park Place Baptist Church because the church was located in the vicinity of the city Memorial Park. The church was built under the able leadership of Rev. C. M. Pegram.

6. On June 13, 1956 the church constructed a Scout and Fellowship Hall behind the church.

7. In September of 1960 two and one half acres of land behind the church was purchased for the price of $2200.00.

8. In February of 1961, Mr. Bill Johnson was ordained to the ministry upon the request of Cedar Falls Baptist Church.

9. On August 23, 1961 the church voted to buy the house and lot of Mrs. E. Cranford, which is adjacent to the church property for the cost of $4,000.00.

The church has experienced a successful growth and today stands as a mark of distinction in its community and town. The membership of the church is 278 with an annual budget of $20,000.00. The Sunday School has an enrollment of 230 with an average attendance of 126. The Training Union has an enrollment of 60 with average attendance of 40. The W. M. Sunday School Superintendents have been: Mr. Paul Culp, Mr. Ernest Byerly, Mr. J. J. Embry, Mr. Lafayette Hinkle, Mr. Wilson Culp, Mr. Paul Myers, and our present Superintendent, Mr. E. F. Wyatt through which the Sunday School has attained standard.

The church has had a successful Training Union. Recent Directors have been: Miss Carol Russell, Mr. Casey Medlin, Mr. Doyt Johnson, Mr. Harold Voyles, and Mr. Bill Everhart.

The church has had a strong W. M. U. organization. The Presidents have been as follows: Mrs. Ethel Wilson, Mrs. Don Moore, Mrs. Mozelle Craddock, and Mrs. Bill Everhart.

Church Clerks have been as follows: Mrs. Ethel Wilson, Mrs. Joe Truelove, Mr. Charlie Hawkins, Mrs. Betty Maley, and Joe Truelove.

Last year the church gave to Local Causes $19,232, to Missions, $3346.

I am grateful to all of these in furnishing me with the material for this brief history of the church, and to Mr .Joe Truelove, I give special thanks for his cooperation in the matter. He is a most competent church clerk.

As historian of the association I again recommend and urge that each church name a historian the next time they elect church officers, and that it be the duty of said historian to compile a history of their respective churches. Too little attention is being given to the preservation of the history of our churches.

Respectfully submitted,

MINISTER'S ANNUITY REPORT

Mr. Beamer Barnes was called on to make this report. He in turn introduced Mr. Guy Cain, Annuity Representative, who briefly outlined the needs of the ministers and churches to enrol in the protection plan. The report which follows was adopted.

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death.

If the member dies a natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will be double the average salary.

There is no added cost for this special death benefit, which is in addition to the regular retirement, widow and disability benefits of the Protection Plan.

The benefit is easy to figure. Suppose a member dies at age 32 of natural causes, and the average salary on which he had paid dues in the Protection Plan was $3,550.00. His widow or estate would get a cash settlement of $3,550.00, plus the regular widow benefits. If he is killed accidently, his widow or estate would receive twice this amount, $7,100.00, plus regular widow bennefits.

More than $41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than $3 million and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

As of April 1, 1963, there were 15,964, or 49%, of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program for their pastors. Out of a total of 212 educational institutions, hospitals, children's homes and homes for the aged, 121 are enrolled in an Annuity Board retirement plan with their employees. Total membership in all the Board's retirement plans is approximately 25,000.

The Annuity Board field representative for North Carolina is Guy Cain, who is available to speak to a group in the church or association, or for personal conferences. His address is: 301 Hillsboro St., Raleigh.

According to the reports available as of June 1, 1963, the following churches of the Liberty Baptist Association are enrolled in the Annuity Board's retirement program: The First Churches of Denton, Lexington, and Thomasville; Carolina Avenue; Churchland; Erlanger; Faith; Holloways; Hillcrest Mission; Hasty; Liberty; Mills Home; New Friendship; Park Place; Reeds; Rich Fork; Smith Grove; Stoner's Grove; Victory; Wallburg; and Welcome Churches.

Since the primary purpose of this entire program is for the protection of the pastors and other employees of the church upon the death, disability or retirement, it is urged that the non-participating churches seriously consider placing their pastors and other employees under this protection.

Respectfully submitted,
Beamer Barnes

CHRISTIAN EDUCATION REPORT

The following report, adopted by the messengers, was presented by Hoke Coon.

Baptist colleges now enroll about one in five of the Baptist students in college and the ratio will probably be about one in ten by 1970. The public institutions will expand more rapidly than Baptist colleges will be able to expand. This situation places upon the Baptist colleges added

responsibility in recruitment. More attention will need to be given to enrolling Baptist students with leadership potentials if Baptists are not to be hampered in their progress in the Kingdom work.

Enrollment and Support — Enrollments of total students have reached a record high for 1962-63 of 80,987 students compared to 77,143 in 1961-62.

Graduates from the 72 schools from September, 1961, to August, 1962, totaled 10,922 compared to 10,415 the preceding year.

State conventions and the Southern Baptist Convention apparently decreased gifts to the schools from $15,677,189 to $15,514,770, according to reports from the schools. Gifts from the conventions for operations amounted to $10,735,245 and for capital projects $4,779,525.

In addition, the schools recived $12,749,141 in other gifts, grants, and donations. The total assets of Southern Baptist educational institutions are $392,408,610 of which $97,654,943 is for endowment.

ENROLMENT
(fall semester, 1962)

Campbell College	1,727
Chowan College	851
Gardner-Webb College	651
Mars Hill College	1,189
Meredith College	880
Wake Forest College	2,915
Wingate College	1,012
Total	9,189

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Cooperative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Christian Education Advance. The benefit from this program will be felt by the colleges for many years to come. We urge all Baptist churches to cooperate with Director R. T. Greene as we move into the final year of the campaign.

DENOMINATIONAL LEADERSHIP

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

This year during Christian Education Day we emphasized the fact that Baptist Colleges (North Carolina) now have missionary alumni who are serving all around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues.

But we must remember that it was Dr. Baker James Cauthen who, in a letter to the secretary of the Council, pointed out that in additon to this wonderful contribution, Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions

and other phases of church work. Baptist colleges are taking seriously the task of producing Christian leadership for our times.

CHALLENGES FOR CHRISTIAN HIGHER EDUCATION

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.

2. The challenge of Christian leadership in a world which for the past several years has watched an alarming decline in the number of men and women commiting themselves to the Christian vocation.

3. The challenge of liberty and individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.

4. The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.

5. The challenge of high academic standards and competent teaching.

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist colleges, working through the Council on Christian Education, have designated Christian Education Day for 1964 as "Christian Vocational Day." This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

It is the hope of the colleges, through the Council, to make this a permanent emphasis, not only in the "calling out of the called," but in recognizing the role which the layman plays in the church and community.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help these young people answer the call to full-time Christian service and to go to college. The colleges feel that for too long this area has been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help the Christian vocational workers overcome their financial problem.

This plight is painfully illustrated by what happened in a church not too many weeks ago. According to one of our fine associational missionaries, a young woman went home from the morning service with great enthusiasm and a determination to give her life to full-time Christian service. At lunch, after she had expressed this desire, the father shook his head sadly and said to her, "I wish this could be possible, but you might as well put it from your mind. We can barely pay the taxes, much less get up the money to send you to college." This is a true story, and we will perhaps never know how many young people have been lost to leadership because we have failed to provide sufficient help.

And, finally, we conclude this report by an appeal for all the churches and all the Christian people in our state to join hands with us in 1964

in making it a great year when we "call out the called" and in which we provide adequate funds for helping these young people go to college.

Respectfully submitted,
David H. Coon, Jr.

Rev. Don Moore, former pastor in our association, was recognized and brought greetings from Gardner-Webb College.

To bring our attention in a forceful way to the matter of Christian Education, the Moderator introduced the Rev. Ben Fisher. In his address, he pointed out that the young people, ages 14-27, live in a world we did not know. "Two things absolutely new are the possibility of world destruction and universal military training."

"Young people are asking serious questions about life and the church, more so than a quarter of a century ago. Our young people are not only asking serious questions, but are also asking the right questions. Let us pray that we have the courage and insight to give them the right answers."

In the last moments of a well attended, inspirational Associational meeting, Roger Williams turned the gavel over to our new Moderator, Richard McQueen. The meeting was then closed with prayer.

Constitution

(Adopted September 29, 1954 — Revised September 30, 1959)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I — Name

The name of this body shall the LIBERTY BAPTIST ASSOCIATION.

Article II — Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III — Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee provided sufficient notice is given the member churchs to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV — Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V — Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent. Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also.) They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI — Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII — The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII — Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2).

Article IX — Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By - Laws

By-Law I — Parlimentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parlimentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one member-at-large from each Baptist church in the followship of the Association.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies For the Establishment of Missions

1. Definite sponsorship by an established cooperating church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage the Mission from the beginning in giving a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Laws VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

4. Inform member churches of their record of giving.

Carolina Memorial Baptist Church

MISSIONS COMMITTEE REPORT

In the absence of Miss Doris Lopp, Herbert Baker read the Missions Committee Report which was adopted.

During the past year, under the able leadership of the Chairman, Rev. H. M. Baker, and in cooperation with our dedicated Associational Missionary, Rev. Leonard Rollins, the Missions Committee has served the Association in aiding in the establishment of two new churches.

In November, the Committee met to consider and approve a request from Currytown Mission that it be constituted a church. Rev. Tommie L. Honbaier is pastor.

At meetings in May and June, members of the Committee gave attention to representatives from a group led by Rev. Fred Jurney seeking to organize a new church in the Cedar Lodge area. The Committee agreed to give assistance, and participated in the organizational service of the Cedar Lodge Baptist Church held in the Fairgrove Lions Den on July 12th. Rev Fred Jurney was called as pastor.

On September 14th, the Committee met to consider the request of Currytown Baptist Church that it be placed under the watchcare of the Association. It was agreed to recommend this action to the Executive Committee of the Association.

Also, at this meeting the Committee discussed a request from interested parties who proposed the establishment of a new Baptist work west of Lexington in the Cow Palace area on old Highway 29. It was agreed that a survey would be conducted by the Committee to determine whether or not there was a need not now being served by Baptist churches already located in this section.

Respectfully submitted,
Doris Lopp, Secretary
Missions Committee

Dated: September 18, 1964

Herbert Baker moved that Currytown Baptist Church be received under watchcare. The motion carried.

Herbert Baker moved and it was adopted that the Missions Committee be delegated the responsibility to raise funds to send our missionary on the preaching mission to Brazil.

A motion was made by Herbert Baker and passed by the Association that Antioch Baptist Church be accepted into the Association in full accord.

ANNUITY BOARD REPORT

The report was presented and adopted without being read by Parks Harris. Rev. Tom Green was recognized to speak to this report.

NEW "LIFE BENEFIT PLAN" IS OFFERED
TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

Cost is Low—The new Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00. Car expense, housing and utility allowance, etc., may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

Benefits Are Large—The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. If death was accidental her benefit would be twice this, or $60,000. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of $1,000, or an amount equal to total contributions, if less than $1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

Applications and information about the Life Benefit Plan may be obtained from the Annuity Board 511 North Akard, Dallas, Texas, 75201, or from your state annuity secretary, whose address is given below.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board plan with their employees. Total membership in the Board's retirement plans is approximately 25,000.

BENEFITS PAID

More than $43½ million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than $3¼ million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

ANNUITY SECRETARY

The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist those pastors and church and denominational employees who are not enrolled in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

Rev. Cain's address is: 301 Hillsboro Street, Raleigh.

Respectfully submitted,
Parks C. Harris

BAPTIST FOUNDATION REPORT

C. Gordon Maddrey was recognized and he spoke of the history and importance of the work of the Baptist Foundation. There was no written report.

ASSOCIATIONAL MISSIONARY'S REPORT

Rev. Leonard Rollins read his report which was adopted.

This has been another busy year for your missionary. Opportunities to preach in the churches have been numerous, and I have spoken more than 179 times since we last met. I have been in all of the churches and in all except three since the first of this year. In January I had the opportunity of teaching 15 nights in the books of Ephesians and have taught three other study courses of five nights each. During the Jubilee Revivals I preached in all four weeks in both zones of the Southern Baptist Convention, two weeks in our association and two weeks outside our association. A copy of the **Liberty Baptist News** has been issued every month. The reaction to the article published in **Charity and Children** and the **Biblical Recorder** in August ("What's My Line?") has been very favorable, and a portion of the article is to be incorporated in a new book to be released soon by the Stewardship Commission of the Southern Baptist Convention.

Emphasis and guidance on an associational level was given during the past year to the following projects: Pastor led Sunday School Enlargement Campaign, R.A. Conclave and Boys' Rally, Training Union "M" Night. Jubilee Revivals, Vacation Bible Schools, World Missions Rally, Evangelistic Clinic, Baptist Youth Night, and the Sunday School and Training Union Leadership Conferences. A Pastor-led Training Union Enlargement Cam-

paign will be carried out in October and a mission survey of the Cow Palace area of West Lexington will be conducted on October 18. Let it be emphasized again and again that there can be no progress in the association apart from the progress and growth of its individual churches.

I have sought to work closely with our Missions Committee and the Executive Committee in the organization of two new churches and the examination of three men for the Gospel Ministry.

I would earnestly request that you not hesitate to call on me out of fear that you may be asking for too much of my time. If every church had this fear I would be caught with too much time on my hands. In the historical records of Jersey Church we find this note: "John Wiseman and Mishaiah Hollis told the church that the Lord had called them to preach. After thorough discussion "the church limited them to exercise their talents in public so far. If weighted with a text of scripture they have privilege." God has called me to preach and has weighted me down with many scriptures. Please give me the privilege to exercise my calling in public.

BAPTIST HOSPITAL REPORT

This report was presented by James Bolick and adopted without reading. Rev. Lowell Sodeman, from the Baptist Hospital, was introduced to speak to the report.

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the

work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

James H. Bolick

HOMES FOR THE AGING REPORT

This report was presented by Jack Byrd and adopted without reading He then introduced Mrs. Hoosier, Supervisor from Hayes Home. She in turn called on Mrs. Lennon, a resident of Hayes Home and mother of a missionary to Pakistan, to tell of life in the homes and its meaning to the aging

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assisatnce in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
Jack Byrd

CHILDREN'S HOME REPORT

Carl Hemphill presented this report which was adopted without reading. He then introduced Dr. W. R. Wagoner who read from the twelfth chapter of John's Gospel and brought an inspirational message.

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognizd for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know now very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program—36 Per cent
Thanksgiving Offering—30 Per Cent
Once-a-Month Offerings—15 Per Cent
All Other Offerings—19 Per Cent

Most North Carolina Baptists are well acquainted with **Charity and Children,** official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

TUESDAY NIGHT SESSION

Carolina Memorial Baptist Church

This session began with Carey Davis playing on the marimba "I'll Go Where You Want Me To Go". Then the combined choirs of Abbott's Creek and Carolina Memorial sang "He Leadeth Me" and "Blessed Assurance".

The devotional was brought by Vance Edwards as he related the story of Esther to our day and time.

BROTHERHOOD REPORT

The following report as read by John Roberts was adopted.

The report of the Brotherhood in Liberty Baptist Association for 1963-64 reflects wholesome interest by most of our people and a sincere dedication by a small group.

During the year we have added Brotherhood organizations in four of our churches. During the year also, the organization which existed in one church has ceased to function. As our statistical reports will indicate, slightly more than half of our churches have organized Brotherhood chapters.

On January 27, 1964, the Brotherhood and WMU jointly sponsored the Associational World Missions Rally at First Baptist Church, Thomasville. On July 11 the Brotherhood sponsored a Royal Ambassadors Rally at Jersey Baptist Church. The hosts were gracious and the speaker, Wilmer "Vinegar Bend" Mizelle of Winston-Salem, provided the boys the inspiration of a Christian athlethe.

From the Liberty Baptist Association we have two members of the newly established Brotherhood Executive Board of North Carolina. Both attended the initial meeting of this group last February in Raleigh.

Our association was represented at the state Brotherhood convention last October, as it will be again next month in Fayetteville. We have also been represented by both men and boys at the state Royal Ambassadors own Camp CaRAway.

Our hope is that every church with a Brotherhood will use it and that every church without one will organize during the next 12 months.

John E. Roberts, Brotherhood President

WOMAN'S MISSIONARY UNION REPORT

The report was given by Mrs. Paul Kesler and adopted.

"O, give thanks unto the Lord, 'call upon His name; make known His deeds among His people"—Psalm 105:1. This has been the watchword for Woman's Missionary Union for this Jubilee Year. Women and young people have been urged to call upon His name through prayer Retreats and private meditation, along with family devotions.

Many meetings with programs planned to meet the needs of the youth and women have been held. On October 2, W. M. U. leadership conferences were held with 189 women in attendance. During November the courses of Accreditation were taught by our State W. M. U. leaders. In April, for the first time, two Annual Meetings were held. One in the daytime; the other at night, thus, giving all of our women an opportunity to attend. Special recognition was given Jersey Baptist church, which had an honor W. M. S. and attained recognition for reaching all of the Anniversary goals. Rich Fork also reached all of the Anniversary Goals. 36 churches report a Society with 2,651 members.

The G. A. work has made great progress. There are 44 G. A. organizations. 25 Junior and 19 Intermediate, with a total of 537 members. 85 women are leaders and directors of G. A. work. Seven Associational meetings were held with a total of 890 girls and leaders in attendance. 30 leaders hold cards of accreditation. 37 Queens were presented at a joint meeting. Honor G. A.'s were: Carolina Memorial Intermediates; Thomasville First 11 & 12 year Juniors; Victory Intermediates; Hasty Intermediates; Reeds Junior and Intermediates. Thomasville First 11 and 12 year Juniors attained a certificate of achievement for reaching all 5 anniversary goals. 2 new organizations: Tyro and Hillside Park.

Y. W. A.'s number 22. One new and one Honor, which was Jersey. 3 Associational meetings were held with good attendance. Y. W. work is progressing.

Sunbeams report thirty organizations; 15 Primary; 11 Beginner, 2 ungraded, and 2 World Friends. 14 Leaders hold cards of Accreditation. 2 Bands were Honor—Jersey and Park Place.

Master, for these we give thanks unto God. We have been made aware of the high purpose to which God has called Baptist Women, and, it is with grateful hearts that we give thanks and shall continue to make known his deeds among the people.

Respectfully submitted,
Mrs. Paul Kesler

STATE MISSIONS REPORT

Judson Rotan presented this report which was adopted.

The mission responsibility of every Christian begins in his local community and extends to all the world. Through State mission programs, North Carolina Baptists accept mission opportunity within the state, and develop a home base from which they conduct a world mission ministry.

The commands of the risen Lord to His disciples indicate that the home area is of immediate concern to every Christian. "Repentance and remission of sins should be preached in His name among all nations, beginning at Jerusalem." (Luke 24.47); "Ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8). The church and each follower of Christ must begin "at Jerusalem", the home base, on the way out to the ends of the earth.

The roots of State Missions go more than a century deep into the history of North Carolina Baptists. These roots spread into every community of Baptist life.

Through State Missions, Baptists of North Carolina strengthen their roots by accepting and promoting 17 areas of mission opportunities and responsibilities within the state.

The purpose of the State Missions program is:

(a) to share the Gospel of Christ with all the people of North Carolina
(b) to strengthen each church in the local work and world mission responsibility
(c) to establish new churches through the organization and development of missions
(d) and to cultivate a spiritual climate favorable to Christian life and the development of a Christian society.

State Missions begins at our own backdoor—our own church and spreads beyond our backyard—throughout North Carolina. State Missions is like a two-way road. One lane of this highway leads from our church to every part of North Carolina. The other lane leads back to our church. Through State Missions, people and churches are helped in every area of the Christian life.

The fruits of State Missions can be seen along the highways and byways of our state and world. For example, churches in North Carolina will receive this year about $87,000 in assistance on Pastor's salaries. This is one of the oldest phases of direct State Missions work. Thirty-three (33) new churches and missions are due to receive aid on acquiring suitable lots for building, about $42,000 this year. Of the more than 3,500 churches and missions in the state, nearly 2,000 of them have been aided by State Missions in their early stages of organization and growth. Over 800 new churches and missions have been started in North Carolina in the past 20 years.

State Missions reaches the needs in the military areas of the state. There are 78,000 more non-Baptist people in the Fayetteville-Fort Bragg area than in 1940. Less than one-third are related to any churches. Most of these people are lost without a personal experience with Jesus Christ. Our personnel minister assists the local Baptist churches and chaplains in ministering to the spiritual needs of the military people, and especially to 10,000 Japanese-related people connected with the military.

State Missions has been especially concerned about the Cherokee Indians. This year a new ministry to the Indians is a child-care center to meet the needs of children of working mothers. This center has now around 35 enrolled. This is another phase of witnessing and winning to Christ approximately 6,000 Cherokee Indians. Of this number 1,300 are Baptists comprising 15 churches and missions.

With more than 4,650,000 people living in North Carolina, it is estimated that over 2,000,000 above the age of eight years are not members of any church. Almost half of all church members in North Carolina are Baptists. Therefore, approximately 50 per cent of the responsibility of reaching these multitudes of unsaved people rests squarely upon North Carolina Baptists.

Mr. Marse Grant, Editor of Biblical Recorder, summed State Missions up in an Editorial. "People constitute the heart of the State Mission effort—people who need help. State Missions is children of (10,000) military families going to Vacation Bible School under a tent at Fort Bragg. It is providing a ministry to (150) confused and mixed-up young girls at Samarcand Manor. It is building bridges of understanding and co operation with our (325,000) Negro Baptist brethren. It is giving around (200) serious minded preachers a chance to go to college at Fruitland even though they are 40 or 50 years old and not in a position to go to college or seminary. It is teaching adults

to read in the Western North Carolina mountains or far to the east in Edenton."

"State Missions is giving assistance to (33) struggling little congregations dreaming of the day when a lot can be purchased on which to build a church. It is working with (40,000) Indians across the state; with the (3,000) Japanese-born wives of servicemen stationed in North Carolina; and with the (5,000) silent people who long to become mature Christians like their hearing friends. It is visiting lonely patients in a tuberculosis sanatorium. State Missions is all of these—and more."

State Missions then is a missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

Dr. E. L. Spivey, Director of the Division of missions, has said, "Sometimes we are so busy looking at the world that we fail to see the people. The test of our Christianity is not our love for missions in a foreign land, but our love for people here and in foreign lands."

We must give and support with our prayers and strength if we are to undergird the cause of Christ in North Carolina in the fullest possible way. One important way is through special offering in September. The World Mission responsibility of the church truly begins at home because there are people lost without Christ. Will Liberty Association accept her challenge this coming year with State Missions?

Respectfully submitted,
A. Judson Rotan

HOME MISSIONS REPORT

This report was adopted as presented by Anthony Gurganus.

For more than a century the Home Mission Board has been a channel of outreach for churches of the Southern Baptist Convention. Beginning in 1845-46 with 6 missionaries it now has over 2,100 under appointment, supported fully or in part by the Board. The territory served has increased from 14 states to all fifty of the United States plus Cuba, Panama, and, more lately, Puerto Rico. Its program of work has expanded from that directed toward Indians, Negroes, and a few cities to include work with many Oriental and European language groups; metropolitan, urban, and rural areas; church loans; associational administration; community surveys and special studies; evangelism, and a ministry of education and promotion. Its ministries include such specialized areas as literacy, Catholic information, in-service training for students, church development, work among migrants, and others. A chaplaincy ministry begun during the Civil War continues today under an enlarged program which focuses upon persons in hospitals, institutions, and industry as well as in the armed services. Supporting church extension are three special ministries: the Student Summer Mission ministry, by which students are employed for some ten weeks each summer to assist missionaries all over the United States and Panama; the tentmaker ministry, through which lay persons serve in mission areas while supporting themselves; and a field worker with Woman's Missionary Union in "pioneer" areas.

From earliest days the Home Mission Board carried on its work through a system of "direct missions," seeking to reach lost people in the United States and trying to meet their needs primarily through the missionaries of the Board.

It was inevitable that in time, with continuous population growth and increasingly numerous and complex needs, this would no longer be the case. Financial requirements alone would make it impossible for an agency to employ sufficient missionaries to meet the needs of a lost America. Thus, since 1957 "co-operative missions" has become the basic method of work with direct missions reduced to a minimum.

Under this method the Board carries out most of its work through co-operative agreements with state conventions, sharing on a percentage basis responsibility for support of missionaries and work within each state. In some cases associations too share in this responsibility.

Thus, missionaries may serve under the direction of a state or associa-

tion and be jointly supported by both and the Home Mission Board. Through church loans, mission pastoral aid, and in other ways the Home Mission Board lends financial assistance on state, associational, and local church levels.

In addition to this co-operation, the Home Mission Board seeks to develop a uniform Convention wide program of missions in the home-land by assisting state conventions in planning, and in personnel enlistment and training, as needed. Guidance, counseling, leadership training and clinics, assistance in research and community study, and so on are also provided churches, associations, and state conventions. The Board co-operates with state conventions in magnifying associations, encouraging churches to work together for the promotion of missions and evangelism, church extension, development, education, and enlistment.

Now for a few examples of the work of the Home Mission Board:

Dr. Courts Redford speaking of the Home Mission Board work of the Southern Baptist Convention says, "There remaineth much land to be possessed," and the Lord is counting on Southern Baptists to move forward and possess the land. God expects us take the mountains, the plains, and the cities. The Home Mission Board is the agency through which to accomplish this. They are our representatives in places where many of us are not equipped to serve.

While nation-wide race conflicts are shaking the foundations of our society, North Carolina Baptist have found ways of keeping lines of communication open and consistent Co-operation in spite of prejudices on both sides. The Negro State Convention composed of 1,700 churches and the white Convention composed of 3,400 churches have voted to hold a joint afternoon session in 1964.

Miss Gladys Farmer says, "In our homeland our 'inner' cities are filled with complex problems . . . poverty, illiteracy, broken homes, delinquency, prostitution, alcoholism . . . I thank God for the privilege of serving in a Good Will Center in a big city. You too can have a real part in this work as you pray . . . Not long ago nineteen of our teen-age group were arrested and carried to an industrial school or to the state penitentiary . . . Today, several of these same young people are fine citizens, some are now in my Sunday school class on the Lord's Day in a nearby mission, and a few have made professions of faith in Jesus Christ.

Richard F. Mazanec, a worker among Czechoslovakian people, pastor of the Masaryktown Baptist Church. Masaryktown, Fla., says, "Did you know that there are about 25 million people in the US who are a part of some language group and that only about 10 per cent are being evangelized? At least 40 major languages are found among them. Through your Home Mission Board you help to support over 916 missionaries serving among some of them.

The Sellers Home and Adoption Center depends for successful continuance on the love and support of Southern Baptists. Mrs. Marcia Poole, housemother, recognizes the delicacy of her task as she deals with unwed mothers from all parts of America. The workers know that the women who come have great spiritual need. Jesus showed compassion on such women when he was here among us. Most of the women go out from Sellers Home to useful, courageous Christian living and serving.

Dr. Courts Redford says, "God has been good to Southern Baptists. Much land has been possessed. With almost 33,000 churches and over 10 million members we have entered every state in the union, preaching the gospel of Christ. Over 2,500 churches have been constituted in new areas; many missions established; ministries extended to many language groups and others of special need. We now have over 2,100 missionaries serving in the homeland.

Many other instances of work by the HMB could be cited, because the work is extensive, thereby making the experiences unlimited. Each of us has our chance to take part in this great endeavor. Each year in the spring, a major emphasis is made upon Home Missions by the W.M.U. and by the churches at large. This is the Annie Armstrong Offering for Home Missions. Let us all pray that our giving will increase even as the need is ever increasing.

Christ for the whole wide world! Our task has just begun,
For millions wait in every land The message of God's Son.
Shall they be left in sin, To die without His Word,
Without the Saviour Jesus Christ, Because they never heard?
We will give, we will pray, We will witness every day,
That the millions of the whole wide world May know our Saviour's love.

Respectfully submitted,
Anthony Gurganus

Mrs. C. F. Clark, wife of our missionary speaker, was introduced by Carl Hemphill.

FOREIGN MISSIONS REPORT

This report was not presented or adopted by the Association. It was given to the Clerk later for inclusion in the Minutes.

The Foreign Mission Board, the organizational channel through which Southern Baptists implement their purpose to witness effectively to the power of Christ in the world, is ever seeking new ways to advance. In October, 1963, Dr. John D. Hughey, Jr. was named secretary for Europe and the Middle East. Dr. H. Cornell Goerner remains responsible for Africa. The other two area secretaries remain the same, Dr. Winston Crawley, the Orient, and Dr. Frank Means, Latin America. The 1964, Jan. 1st figures show the missionaries as listed by areas:

Africa—428
Europe and Middle East—127

The proper field of foreign missions then includes a wide range of relationships and activities, in fact, any and every method or approach that may be helpful in the planting, multiplying, or strengthening of churches. Paul indicated that his missionary approach included in principle "all means" that might aid in bringing men to salvation.

Dr. Cauthen reminds us that "To accompany their fresh new surge forward in sharing Christ with the whole world, we must have an increase of missionary volunteers, sustained increase of financial resources to send them, and mighty intercessary prayer to hold them near the heart of their Lord".

Respectfully submitted,
Lucy Lopp

Special music was presented by the combined choirs of Abbott's Creek and Carolina Memorial. They sang two original compositions by Carey Davis.

Dr. C. F. Clark, medical missionary to Japan, was introduced and shared with us some of his experiences and showed some slides of the work in Japan.

WEDNESDAY MORNING SESSION
Stoner's Grove Baptist Church

The morning session was begun with the musical prelude and the singing of "All Hail The Power" by the congregation. The devotional period was led by Richard Chapman as he read Isaiah 6:1-12 and pointed out that worship experience is central in the church.

TIME, PLACE AND PREACHER REPORT

Parks Harris presented the following report which was adopted.

The Committee on Time, Place and Preacher wishes to make the following recommendation:

We recommend that the Annual Association for 1965 be as followers: The first day sessions be at Abbott's Creek and the second day sessions be with New Friendship, assisted by Union Grove. We further recommend that the Annual Sermon be preached by Ken Miller, pastor of Liberty Baptist Church and that the alternate be William F. Bowen, Jr., Pastor of Clearview and Holloways Baptist Churches.

Respectfully submitted,
Fred Jurney, Chairman

ELECTION OF OFFICERS

This report was made by G. C. Lewis, Chairman of the Committee on Nominations. The slate of officers recommended by the committee was duly elected by the Association.

A suggestion was made that the Moderator in appointing the Committee on Nominations for the coming year retain three of the present committee members. This will enable the committee to function better.

By common consent the Report of Resolutions Committee was allowed to be presented by Bill Adams during this time for miscellaneous business All discussion was withheld as the report was accepted as a matter of information. Discussion and motion to adopt the report was to be at the regular time in the afternoon.

TRAINING UNION REPORT

Kenneth Miller read this report and it was adopted by the messengers.

What Church does not need trained leadership? Jesus trained His disciples before He sent them out to be leaders of Christianity. Those of us who serve Him today should also be trained for this great mission. No Christian is too young nor too old for Training Union. The object of every church should be to train the members for service. The primary purpose of Training Union is to discover new talent and develop it for a more effective service in the Lord's vineyard.

The Training Union of the Liberty Association had a successful "M" Night at Mills Home Baptist Church on December 2, 1963 with 632 people present. There were 22 Training Unions represented with 23 pastors present. Rev. Duncan Futrelle of English Street Baptist Church, High Point was the guest speaker.

Rev. Anthony Gurganus, our Youth Director led the Youth Night Program at Coggins Memorial Church, March 7, 1964.

On April 2, 1964, at Liberty Baptist Church the Associational Training Union Tournaments were held. There were participants in all age groups, except for the Young People's Speakers Tournament. The winners, participated in Region 5 Tournaments at Green Street Baptist Church in High Point. Some of our Juniors went on to become State Winners.

We are glad to report the organization of one additional Training Union, which was at Wallburg Baptist Church.

To the churches and pastors that do not as yet have Training Union, we would like to encourage you to start planning for one October 11-16 which is the beginning of our Pastor Led Associational Training Union Enlargement Campaign. This program is designed to strengthen and increase the leadership of your church, that our Lord might receive greater glory from the churches of the Liberty Association.

Kenneth Miller, Director

SUNDAY SCHOOL REPORT

This report, read by F. T. Bowman, was adopted.

Success in our Sunday School work centers around the Vacation Bible School program. On May 1, 1964, a clinic was held for all Vacation Bible School Workers. This Clinic was well attended. The program was arranged and carried out by the leadership of the Liberty Association. Vernon Sparrow, Superintendent of Vacation Bible School work, and all leaders are to be commended for a very high quality clinic. More than 75 percent of our churches reported a Vacation Bible School. This is a ten percent increase over the previous year. Total enrollment exceeded 3,500 with an average of over 3,000. Many dedications and professions of faith were made in most of the schools.

On the basis of verbal reporting, it is estimated that over 50 per cent of the churches observed January Bible Study Week. Pastors and Superintendents, in many of the churches, have indicated that they are leading their people in a higher quality of Bible teaching.

During the coming year emphasis will be given to the "Adult Thrust" Program. This program will give much attention to increased enrollment in all departments of our Sunday Schools. We should expect, at least, a five

percent increase. We continue to urge all pastors and superintendents to step up their programs of training for qualified Bible teachers.

You have elected a full slate of Associational Sunday School officers for the next year. This we appreciate and we pledge to give our best to all who need our services throughout the year.

Respectfully submitted,
F. T. Bowman, Superintendent

AMERICAN BIBLE SOCIETY REPORT

Bennie Crawford presented this report and it was adopted.

"The American Bible Society is an active partner of Southern Baptists," says Mr. Thomas Holloway, Field Secretary of the Society. He also states that it helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost—for world-wide mission work.

Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people—and the Bible Society depends on gifts.

State Conventions and the Southern Baptist Convention have adopted resolutions requesting the churches to give to the American Bible Society—because the Society does not receive any share of undesignated funds from the State Conventions or from the Southern Baptist Cooperative Program

The Society received last year $1,120.277.10 from 53 religious denominations and groups. It distributed in the United States last year 542,718 Bibles; 1,262,460 Testaments; 4,722,967 Portions and 11,308,750 Selections. In Africa they gave a million plus; in Asia it was five and one-half million; in Europe, 336,000; in Latin America the number was nine and one-half million. There were other miscellaneous groups that received this literature also. The total distribution overseas was 889,278 Bibles, 1,078,982 Testaments, 9,766,271 Portions and 4,832,399 Selections, making a total of 16,566,930 pieces for Overseas distribution. Total distribution of Bibles, Testaments etc. amounted to 34,403,825 pieces.

This large amount of literature has been distributed by the American Bible Society in 444 languages and dialects. Also issued to the Blind 58,594 Scriptures in Braille and on Bible records; joined 22 other National Bible Societies in a worldwide Campaign; "God's Word for a New Age"; committed itself to an annual circulation of 75 million Scriptures by 1966. the Society's 150th Anniversary; assisted in the preparation of 130 language publication projects, 69 of which were completed in 1963; published **One Way For Modern Man,** now in its second printing, and publishing the first ABS Revised Standard Version Bible; planned construction of the Bible House at Lincoln Center in the heart of New York City, filled orders for literature about reading and sharing the Bible, totaling 21,237,087 items; produced two new motion pictures, "The Tenth Blessing" and "The Potter's Wheel"; two new filmstrips, "Apostle to the Indians" and "God's Word in our Language"; adopted the largest budget in the Society's history—$5,860,000 for 1964 and started A Women's Speakers Bureau; also a Campus Ministry to serve the estimated four million College and University students, 78,000 of them from overseas.

"God's Word for a New Age" is much more than just a theme or a slogan. It is a dynamic program which seeks to make the Scriptures available everywhere, to every person in the language and form he can best read and understand.

Bennie Crawford

CHURCH MUSIC REPORT

The following report as given by Carey Davis was adopted.

The Music Ministry of a Southern Baptist Church is an Educational Ministry. From the beginning of time and among all people, music has been important in worship. The One Hundred-fiftieth Psalm urges us to praise the Lord with all kind of musical instruments. Christ and His apostles used a song as they observed the Lord's Supper. Paul admonished us to make use of Psalms, hymns, and Spiritual songs. What kind of music should we use in our Churches?

First of all, we begin our service with instrumental music. Whether it

be organ, piano, or orchestra, its sole purpose should be to glorify our Saviour and draw us closer to God and put us in the spirit that we will want to sing and praise our God. Then we have the congregational singing, which should be one of our great old hymns. Next we have our Choir: most all of our choirs will sing an anthem or some hymn that will go along with the message. Many of our churches make no effort to use good standard hymns. We need men and women with a knowledge of music who know how to teach a hymn with the correct interpretation. They should, above all be devout Christians.

The ministry of music is a service through which music becomes a spiritual ministry, meeting the spiritual needs of the congregation, choir, and pastor, and assisting the entire church in its great mission of bringing people to Christ.

Some of the activities of our Music Ministry:

We had two Carol Sings—one at Denton and one at Wallburg.

Met with Music Committee 4 times.

Met with Executive Committee 4 times.

Met with Missions Committee 5 times.

Led singing in Associational Meetings 2 times.

August 28th, attended State Briefing Meeting for Associational Officers at High Point First Baptist Church.

Respectfully submitted,
Carey J. Davis

PUBLIC MORALS REPORT

This report as given by R. C. Foster was adopted.

Public means generally seen, known and heard; open to the knowledge or view of all; open to common or general use. Or it relates to people, belonging to, or effecting a nation, a state or community at large. The word public is an adjective.

Moral is also an adjective, characterized by what pertains to practice or; conduct, right and proper. It deals with principles of right and wrong, in behavior.

I have read and heard reports in former years in Associational Meetings, on Public Morals, and recall that they were mainly dealing with Public Immorals of our social order, rather than the morals. Practically all reports I have known emphasize the "Seven evils" of our social order, namely: Strong drink, Narcotics, Adultery and promiscuity, Divorce, Delinquency, Abuse of human rights, and the Desecration of the Lord's Day.

Normal people see daily in the Press, hear and see on Radio and T.V.. the world going by as on a wonderful 3 dimension screen. The public now is almost universal, while with our grandparents it was but a small segment of our world. What was immoral some years ago, appears to be moral today. Our grandmother considered that any woman who had bobbed hair, smoked a cigarette, drank cocktails, danced, or smiled very friendly at a man was immoral. My good grandfather even thought that playing a fiddle in his home would be immoral. It was generally accepted that a divorced person was almost an outcast and the reason for it was immoral living. Certain kinds of dress in our present day on beaches, in social activities, and even in our own homes was considered immoral by ladies, and gentlemen. The behavior of youth, and adults, on streets, highways, campuses. Social Halls, Picnics, or forum, now compared with that of even a few years ago would make our present "morals" abominable to our forefathers.

We are agreed that morals and immorals seem to change with time and place. It is a fact that customs, mores, habits, change, but **principles** do not. Our present political rivals are talking about the immorality of not telling the truth, the whole truth, about national and world conditions, so our public can understand what is going on in our world. What is really happening within public view today is but evidence of the condition of human hearts.

Annually, we hear reports on public behavior, adult and juvenile, emphasizing discouraging facts and dark shadows upon our social horizon. It is true that as we watch the world march across the maps of geography and time, we are shocked and stunned with the parades, riots, thefts, sex behavior, the record of broken homes, debauchery, dishonesty in high and low places, problem of civil rights, and/or other open unashamed sinning that

some people seem to enjoy so much. Our prisons are full, our hospitals are not large enough to care for our emotionally disturbed people, our special schools for problem people are far to small, and our human atmosphere is charged with anxiety, unrest, uncertainty, hopelessness and hate. But this is only the problem we have. Can we find a solution? Can we diagnose our diseased human order? We have learned that public behavior is an expression of inner-selves, it is the condition of the heart, and what is happening outside is what is within. Therefore, we must have a change of heart if we are to change public morals. It is not a matter of human statistics before us, it is not only the concern of the courts of justice, but it is a problem of personal dedication to God in daily living. Statistics only show our trends of the time, but offer no cure for human ills. We have been told many times that our systems of eduction, social reforms, medi-care, humanitarian institutions, and political outlook make great improvements in our social order, or public life. Isn't it somewhat like the man whose wife was an isolated patient in a hospital where he was not permitted to see her, but was told that she was improving daily. Then, one day he was informed that she was dead. In telling his friends about his wife's sickness and death he said that his wife died from "improvements" in the hospital.

Let us prescribe some reasonable remedies for our "Public Immorals" Order. WE CAN:

1. By God's help, make ourselves, and homes faithfully Christian.
2. Magnify real values in life, rather than temporal attractions and tastes.
3. Practice the presence of God in private and public life.
4. Say to God, "Here am I, send me," and with good example do our best for our neighbor for Christ's sake.
5. Finally, put the church in its rightful place in our program for every member of the family every week and day. Christ is our hope for better Public Morals, the church is His body.

Robert C. Foster

Anthony Gurganus warmed our hearts as he sang "My Debt of Love."

EVANGELISM REPORT

Gerald Hewitt presented this report and it was adopted.

Thirty-five of our churches, in reporting to the Association, reported a total of 346 baptisms and 276 additions by letter, etc. This is an impressive record on the surface, but if we consider the potential outreach of 9,871 Christians, we can only hang our heads in shame for our failures.

This was in the midst of a concerted simultaneous effort on the part of ten churches in the Lexington area, Clearview, Center Hill, Mountain View, Reeds, Jersey, Churchland, Calvary, Erlanger, Welcome, Tyro and Smith Grove and twelve churches in the Thomasville area, Southside, Hasty, Rich Fork, Liberty, Community, Park Place, First Church, Greenwood, Carolina Memorial, Mills Home, and Abbott's Creek. Sixteen of these churches reported 199 baptisms for the year.

We must become concerned enough to carry the gospel to the lost. They are not coming after it. Laymen and preachers must become winners and the churches preservers of the new Christians.

Respectfully submitted,
Gerald Hewitt

A message on Evangelism by Randall Lolley, First Baptist Church, Winston-Salem was well received.

CHRISTIAN EDUCATION REPORT

This report was adopted as presented by Hoke Coon.

ENROLLMENT
(fall semester, 1963)

Campbell College	1,836
Chowan College	967
Gardner-Webb College	754
Mars Hill College	1,335
Meredith College	900
Wake Forest College	2,958
Wingate College	1,117
Total	9,867

(Total enrolment, including second semester and summer school is more than 11,000)

During the past 25 years North Carolina Baptist colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000 students. The total property value of the colleges exceeds $60,000,000. These colleges have graduated almost 50,000 students. Of special interest to us is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

THE COOPERATIVE PROGRAM IS A LIFELINE FOR THE BAPTIST COLLEGES

The Cooperative Program is a lifeline because of these reasons: **accreditation by the Southern Association of Colleges and Schools.** This agency requires a guaranteed annual endowment or income. Without this accreditation, students could not enter the ministry or practice a single profession. The Cooperative Program income represents an endowment of $33,000,000, without which not a single North Carolina Baptist college at the present could meet standards for accreditation. North Carolina Baptists rank well with all denominations in supporting Christian higher education out of the total amount which they have to give.

A covenant relationship—the ties which bind these seven colleges to the Convention are not now nor have they ever been primarily financial. The true ties which bind us together are to be found in the Bible, in our history, and what we believe as Baptists is our mission in the world. Ours is a covenant relationship.

Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship and a sense of working together to achieve a common goal.

CHRISTIAN EDUCATION DAY EMPHASIS, 1965

The Council on Christian Education is deeply grateful for the support of the Brotherhood in promoting the 1964 Christian Education Day emphasis with special emphases on the church-related vocational workers. We are also grateful for the splendid response in the offering. The Christian vocational worker will be a continuing emphasis of the Council. In addition to continuing this emphasis each year on the Christian vocational worker, the theme for Christian Education Day next year will be built around "The Contribution of North Carolina Baptist Colleges to Lay Leadership."

A fine Christian doctor said recently, "I enrolled as a freshman in a North Carolina Baptist college at the age of 16. This college had more to do with the shaping of my life and Christian commitment than any other experience outside of my own family. **I have said many times that I do not believe that my experience with Christian teachers could have been duplicated anywhere else; and as I look back over those years, I know that my personal interest and activity in the First Baptist Church in Kinston has been greatly strengthened and motivated by my experience on the campus of a Christian college."**

COUNCIL SELF-STUDY

The Council on Christian Education is now engaged in a serious self-study, which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus. Of special interest to our Associations will be the portion of the study dealing with the ministerial student and the Christian vocational worker. This study will deal with the problem of enlisting more young people in full-time Christian service, studying ways and means of more financial help; and this study will also be concerned with how the churches and the colleges can work more closely together to meet these needs.

HELP FOR PASTOR AND CHURCH LEADERS

The Council has produced this year a pamphlet directed toward the young people in the local church who wish to attend a Baptist college. This pamphlet will show parents how to figure the actual college cost, what financial help is available, and also how to get information about these Baptist colleges and about admission procedures. Copies may be obtained by writing the Council Office, 301 Hillsboro Street, Raleigh, N. C.

The colleges would like to take this opportunity to express through the Association to our Baptist churches a genuine appreciation for the support which is making possible the continued operation of these colleges.

Hoke Coon

A challenging message on Christian Education was brought by Roy Smith who is directing Seminary Extension Work in Region 10.

WEDNESDAY AFTERNOON SESSION
Stoner's Grove Baptist Church

The meeting was called to order by Carl Hemphill.

The devotional period was led by Ken Miller as he read Psalm 1 and led in prayer.

CHRISTIAN LITERATURE REPORT

This report as presented by Joe Coltrane was adopted. John Roberts, Editor of **Charity and Children** and Roger Branch, **Biblical Recorder** Representative were recognized for the work of their respective publications.

Someone has said, "You are what you are, plus the books that you read." A well-known judge said a few years ago, "Show me the books you read, and I will tell you what you are." Any person who reads considerably will readily find agreement with these statements. There is also good reason to believe that a great deal of our national crime and immortality has been encouraged, if not given birth by literature that is "cheap" and "dirty".

We as Baptists are deeply concerned about the emotional and mental welfare of our people as well as their spiritual and physical welfare. Christ came to save the whole man, and we must be concerned in like manner if we are to truly be His disciples.

Proverbs 29: 18 challenges us with these words. "Where there is no vision, the people perish". Our challenge is not solely to defend our homes and the minds of our people, young and old, from the damaging influence of "bad" literature. This is only a part of our challenge. We must also lead them to see the vision of Christian service, wholesome minds and abundant living. And in this battle it is true that "the pen is mightier than the sword." The printed page is going to win the battle for mens minds and hearts.

This vision is being set forth in our Baptist Literature. **HOME MISSIONS** and **COMMISSION** keep before us the opportunities and obligation of telling the world, at home and abroad, the message of Christ.

During Baptist Jubilee year (which ends December 31, 1964), a two-year subscription for both magazines is offered for only $3.00. These subscriptions should be sent to **"THE COMMISSION"**, P. O. BOX 6597, RICHMOND, VIRGINIA.

For the vision of what is taking place in our own state (as well as throughout all the Southern Baptist areas of work), the **BIBLICAL RECORDER** and **CHARITY and CHILDREN** are our faithful friends which are published weekly.

To us in the Liberty Association, the **CHARITY and CHILDREN** printed at Mills Home, Thomasville, N. C. is especially close to our hearts. John E. Roberts, editor since 1960, has won our greatest respect and confidence, and we can read in fullest of faith, those things which he prints. This paper with its highest circulation in history (55,000) is mailed to subscribers in North Carolina, each of the other 49 states, and many foreign countries. In bundle form to Churches, **CHARITY AND CHILDREN** costs only 60 cents per year. Club subscriptions are 75 cents and individual subscriptions $1.00 per year (plus 3% N. C. sales tax).

The vision of personal faith is strengthened through the reading of **HOME LIFE** and **OPEN WINDOWS.**

For the women and girls, **ROYAL SERVICE, THE WINDOW, AND**

TELL; and for the men and boys, **THE BROTHERHOOD JOURNAL** and **AMBASSADOR LIFE** are other publications which will encourage spiritual growth and service.

The Broadman Reader's Plan is another effort by our denomination to enlighten the minds and lives of our people.

An individual church can extend its influence and service by promoting a Church Library.

Let it be understood that none of these publications attempt to take the place of the **HOLY BIBLE**. The Bible is still our textbook and guide, because it is God's Word. May we never make the mistake of failing to read it daily and systematically. May we never make the mistake of reading it and failing to heed its teachings. Let us make the Bible our constant companion and our guide through the complexities of life.

Respectfully submitted,
Joe D. Coltrane

Rev. L. H. Hollingsworth was recognized to bring greetings from Wake Forest College.

An excellent address, "The Christian In Crisis", was brought by Dean Carroll W. Weathers of the Wake Forest Law School.

HISTORIAN'S REPORT

This report was given by Sam Smith and adopted by the messengers.

This report is a brief history of the host churches, CAROLINA MEMORIAL, FORMERLY CAROLINA AVENUE AND STONER'S GROVE.

STONER'S GROVE

During the years of 1898 and 1899 Revs. J. M. Bennett, John R. Miller and W. H. Rich preached as each had opportunity at Fairmont School House, near where the church now stands. (At that time what is now the Southmont community was Fairmont).

In Jan. 1900 the Holloways church formed a mission at the school house, several members of the Holloways church lived in the vicinity. Rev. Jeff Lanning was made pastor of the mission.

On March 6, 1900 the mission was constituted into a church, Rev. Lanning was the first pastor of the church. Just previous to this time Rev. John A. Summey had assisted Rev. Lanning in a revival at the mission, in which there were several professions of faith.

Rev. Jeff Lanning, Rev. John A. Summey and Rev. W. H. Rich constituted the Presbytery at the constitution of the church. J. E. Wafford, B. F. Roach, and L. C. Lomax were the first deacons of the church. These same brethren also composed the building committee for the erection of a church building for the new church. The first service was held in the new building in May 1901. Rev. W. H. Rich preached the sermon, his text being taken from Ephesians 5:27 (That He might present it to Himself a glorious church not having spot or wrinkle, or any such thing; but that it should be holy and without blemish).

O. L. Stoner was the first clerk of the church, he was soon followed by L. A. Vuncannan. John H. Wafford, O. L. Stoner and L. A. Vuncannan were the first trustees of the church. Mrs. Fannie Stoner donated the land where the new church was built. As a tribute to her and her family, the church was named Stoner's Grove.

The new church was composed of 20 charter members, as follows: Mr. and Mrs. John H. Wafford, James E. Wafford, Mrs. Rebecca Wafford, Thomas I. Wafford, Sally M. Wafford, Mrs. Jone E. Wrenn, Mrs. Fannie Stoner, W. F. Stoner, O. L. Stoner, Mr. and Mrs. J. D. Lookabill, Mr. and Mrs. L. C. Lomax, L. A. Vuncannon, Mr. and Mrs. Franklin Wafford, Mr. and Mrs. B. F. Roach, and Mrs. Rachael Shoaf.

Rev. Jeff Lanning the first pastor of the church served for 8 years. Since then the following have served as pastors, Rev. Henry Sheets, 1909-1910, Rev. J. T. Jenkins, 1910-1912, Rev. J. F. Fletcher, 1912-1916, Rev. Forrest Feezor, 1916-1917. (Rev. Feezor preached his first sermon in this church), Rev. L. M. Holloway, 1918-1920, Rev. J. L. Shinn, 1920-1923, Rev. H. T. Penry, 1923-1937, Rev. H. H. Stroup, 1937-1942, Rev. C. C Eddinger, 1943 1952, Rev. Dean Bergen, 1952-1953, Rev. R. N. Hardin, 1954-1958. (During the pastorate

of Rev. Hardin the church went on full time service), Rev. Richard D. McQueen, 1958-1963. The present pastor is Rev. T. C. Williams Jr.

The following have been ordained as ministers from the membership of the church, Rev. E. C. Roach, Rev. Joe Roach, Rev. Ronald Wall, Rev. Walter L. Wafford and Rev. H. T. Penry Jr.

I was not able to get a list of the church officers. Between the time of the church organization in 1900 and 1924, but since 1924 they have been as follows; serving as church clerk have been the following, Walter L. Wafford, Mrs. A. F. Wafford and Mrs. Pearlie Fine, Mrs. Wafford for 20 years and Mrs. Fine since 1946. Serving as Treasurers have been the following, S. E. Wafford, Miss Texie Wafford, Robert Barnes, C. C. Wrenn, L. E. Lookabill, Mrs. Vestal Monsess, and for the last 15 years Conrad Wafford. Serving as Supts. of the Sunday School have been the following, S. E. Wafford, L. E. Lookabill, A. A. Graves, Frank Graves, Hugh Wafford, Mack Haislip, Jerry Owens, Cuther Carrick.

As presidents of the W. M. U. have been the following, Mr. A. F. Wafford 12 years, Miss Essie Mae Wrenn, Mrs. C. C. Wrenn, Mrs. R. O. Herdick, Mrs. Raymond Monsess, Mrs. C. C. Eddinger, Mrs. Vestal Monsess, Mrs. Herbert Wafford, Mrs. R. N. Hardin, Mrs. Allie Carter and Mrs. Arlene Jennings.

The first church building, built in 1901 was a one room structure. built by the charter members and their friends from lumber furnished mostly from their own plantations. Covered with shingles they made by hand and built on foundation sills they hewed with their own hands. This building served the congregation until the time Rev. H. T. Penry was pastor, when Sunday School rooms were added on each side and across the back of the building. A choir loft was built back of the pulpit.

This served until 1946 when the church built more Sunday School rooms, added a vestibule front porch and columns; the entire building was brick veneered, new floorings, pews and windows were installed. This was done during the pastorate of Rev. C. C. Eddinger. The newly improved building was dedicated on Aug. 10, 1947; Rev. Forrest Feezor preaching the dedicatory sermon. The cost of the building improvement was some $15,000.00.

During 1956 a modern educational building was built costing $16,000.00.

Prior to 1958 when this church went on full time pastorate, it and Holloways had jointly owned a parsonage, at this time Stoners Grove bought the Holloways portion of the parsonage.

This building was later sold to Matthew Beck, when the church bought the Jimmy Hedrick house for a parsonage, paying for same $10,000.00. This was used for a parsonage till 1962 when it was sold The church voted to build a new pastorium, Mrs. Lille Styers gave the lot on which to build it. The following were named as a building committee, C. P. Miller, Bobby Shoaf, Foy Wafford, Mrs. Lille Styers and Cuther Carrick. The new parsonage was built at a cost of $17,650.00 and was occupied last year (1963).

Stoners Grove has shown a steady growth over it's 64 years of existence it has shown an active interest and support of all phases of denominational work, being generous at home and abroad.

They are to be commended, in their activity. Last year they had a church membership of 273 and a Sunday School, enrollment of 267.

Before this year the Liberty association met with this church in 1912 1929 and 1950. Officers at these times were as follows.

Preacher	Moderator	Clerk
1912—O. A. Keller	Henry Sheets	P. S. Vann
1929—J. M. Hayes	Archibald Johnson	Sam J. Smith
1950—C. M. Pegram	J. O. Walton	A. L. Snider

For assistance in preparing this report I am grateful to the following Foy A. Wafford, Mrs. Perlie Fine and Loyd Lookabill, Historical Committee

of the Stoner's Grove church and to Rev. Walter Wafford a former member of the church.

I commend the church for preserving it's history, in the report of the Historical Committee.

Every church in the association is strongly urged to make immediate efforts to do the same thing if they have not already done so.

CAROLINA MEMORIAL—FORMERLY CAROLINA AVENUE

Carolina Avenue Baptist Church was organized in 1930 under the leadership of Rev. R. L. West. A revival meeting was held under a tent with Rev. West as the evangelist. The charter members were: Mr. and Mrs. H. D. Bradshaw, Mr. and Mrs. Will Busse, Mr. John Britt, Mrs. Neppie Gordon, Mr. Bud Dennis, and Mr. and Mrs. George England. Rev. West was called as the first pastor.

It was received as a member of the Liberty Association at the 1931 session. The application for membership in the association was investigated by a committee; composed of the following, Dr. M. L. Kesler, Rev. J. M. Hayes and Rev. G. A. Martin.

The church at that session was represented by the following delegates, Mr. and Mrs. H. D. Bradshaw, E. Z. Smith and Howard Hunt.

The first church building of the congregation was a one room wooden building, valued at $2500.00.

Four Sunday School rooms in the basement were added in 1938. In May of 1943 the church voted to build a belfry. In 1945 the front of the church and the vestibule were completed.

In February 1946 the church went to full time service. Up until this time the church had been on half time service.

In September 1946, Rev. E. L. Kincaid resigned as pastor. He held a revival on Trinity Street under a tent. It was here Tabernacle Baptist Church was organized, and later changed their name to Glennanna Baptist Church. Several members left Carolina Avenue and joined the new church

In 1947 the church purchased their first parsonage on Aycock Street valued at $5,000.

On June 12, 1949, the church voted to buy the house and lot on the west side of the church to be used for additional Sunday School rooms. The purchase price was $5,000.

The first Sunday in October, 1950, the church held its first Homecoming. It has been an annual affair, but the date was changed to the second Sunday in September.

In 1951 the unified budget was adopted, and the church was also brick veneered. August 5, 1953 the church voted to buy a lot on Carter Drive. At that time, plans were to build a new parsonage there.

As the need arose for more space for Sunday School rooms, on May 30, 1954, the church voted to buy the house and lot on the east side of the church.

The following men have been licensed to preach by the church: November 10, 1954, Emory Hoyle; May 6, 1956, Harold McAlpin. He was later ordained at Fruitland where he was attending school and he is now pastor of a church. Mr. Stanley James and Bobby Martin were licensed to preach July 7, 1963.

On April 7, 1957, the church voted to build a new seven room brick veneer parsonage in Liberty Heights on the corner of Duke Street and Pontiac Drive. The old parsonage was sold for $6,000.

March 2, 1958, the church voted to buy the Siler property on the corner of Liberty Drive and Welborn Street for $12,000. A lot joining the property was also purchased for $900. This land was purchased for the purpose of building a new church.

In January 1960, the church entered their first Forward Program of church finance.

March 26, 1961, the church voted to sell bonds to finance our new church building. On March 25, 1962, the church voted to accept the plans drawn up by the architects for our new church. Groundbreaking ceremonies were held on March 24, 1963. February 9, 1964 the church voted to sell their church property to Evangelical Wesleyan Methodist Church.

On March 8, 1964, they moved into the new church building on Liberty

Drive. The church had already voted to change the name to Carolina Memorial when we moved into the new building. It is beautiful, adequate and modern in all respects; the cost of the structure was $100,000.00.

Pastors have served as follows: (1930-1932, Rev. R. L. West) (1932-1935, Rev. B. F. Clark;) (1936-1946, Rev. J. A. Cox;) (1946, Rev. E. L. Kincaid;) (1947-1948, Rev. C. M. Oates;) (1948-1950, Rev. A. R. L. West.

The following have served as Sunday School Superintendents: E. Z. Smith, A. J. Lowe, H. D. Bradshaw, Ray Lanier, Nat Buckner, James Widdows, Calvin Russell and Bill Blake.

RESOLUTIONS COMMITTEE REPORT

This report had been read at the morning session for information. Upon a motion from the floor and a vote items 1-8 of the Resolutions Committee Report were adopted. By a proper motion and vote item 9 of the Resolutions Report was separated into two parts so that each part could be acted on separately. After a lengthy discussion of the issues involved the two parts of item 9 of the Resolutions Report were acted on separately. Both parts of the resolution were passed, the first by a vote of 57-14, the second by a vote of 51-15.

The following resolutions are presented by the resolutions committee after prayerful consideration:

1. Be it resolved that the Liberty Baptist Association go on record as expressing appreciation to the host churches, Carolina Memorial and Stoner's Grove; the co-host church, Mountain View, for the gracious hospitality shown the messengers and visitors attending this 132nd annual meeting.

2. Be it resolved that the Moderator, Rev. B. V. Broadway, and Vice-Moderator, Rev. Carl Hemphill, be thanked for their capable leadership in steering the business and program sessions.

3. Be it resolved that this Association express appreciation for our moderator and assure him of our love and interest as he goes to his new field of service.

4. Be it resolved that the Committee on Order of Business and those who brought reports be thanked for their excellent preparation. Be it further resolved that appreciation be expressed to our musicians and all special music presented for our added inspiration to the meeting.

5. Be it resolved that the Association express regret to Dr. Perry Crouch of his inability to be at our annual meeting and our sympathy in the

loss of a loved one. Be it further resolved that appreciation be expressed for his sending Brother Ted Williams in his place to speak.

6. Be it resolved that the Association express appreciation to John Penninger, Jr., who has served faithfully for 5 years as Associational Treasurer.

7. Be it resolved that all of our churches be encouraged to join in support of our Missionary as he goes to Brazil in May to participate in the Nation wide revival effort of that country.

8. Be it resolved that the Liberty Baptist Association respectfully request our Moderator to appoint a committee of three to make a thorough study of our associational constitution and By-Laws; and that this constitution committee be instructed to report to the next annual meeting of the Association making recommendations of any revisions they deem advisable.

9. Be it resolved that the Liberty Baptist Association in its annual session September 29-30, 1964 go on record in opposition to the current proposals facing North Carolina Baptists in regard to our Baptist Colleges.

(1) We, the messengers feel that the Higher Education Facilities Act (Public Law 88-204) poses a forthright threat to the Separation of Church and State. Federal funds going to church related schools is tax money paid to our government by people from all religious faiths. To accept this money opens the door for all schools, public, private, and church related to eventually receive similar aid.

(2) Further, we see in the trustee proposal a danger to the Baptist Distinctives of our colleges. The North Carolina Baptist Convention faced this issue in regard to Wake Forest College last year in Wilmington and voted it down. The issues have not changed and are seven timse as important this year because all seven of our Baptist colleges are envolved now.

We, urge the defeat of both of these proposals on their present form.

The basic problem facing North Carolina Baptist Colleges in our day is not existence but significance. If our Baptist Colleges insist on following the secular pattern of the state universities, they have no right to claim our special interest.

Be it further resolved that a copy of this resolution be sent to the General Board of the Baptist State Convention, the **Biblical Recorder**, and the **Charity and Children.**

Respectfully submitted,
Rev. Joe D. Coltrane
Mrs. Bennie Crawford
Mrs. Coy McCrary
Mrs. Robert Powell
Rev. W. C. Adams, Chairman

The session closed with prayer and the Moderator declaring the meeting adjourned.

CONSTITUTION

(Adopted September 29, 1954 - Revised September 29, 1965)

Preamble

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

Article I - Name

The name of this body shall be the LIBERTY BAPTIST ASSOCIATION.

Article II - Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw

at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church is one which either (1) sends a report to the Annual Session, (2) sends messengers to the Annual Session, or (3) contributes to the financial program of the Association.

Article III - Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churchs to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

Article IV - Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

Article V - Officers and Their Election

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President and Brotherhood President.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. Other officers shall be elected on the last day of the annual meeting for terms of one year each. (Clerk one year, also.) They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Training Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting, or until their successors are elected.

Section 4. Any person serving or having served two full annual

terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

Article VI - Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

Article VII - The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex-officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

Article VIII - Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2).

Article IX - Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

BY-LAWS

By-Law I - Parlimentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Kerfoot's "Parlimentary Law" shall be followed as the Association's rules for conducting its deliberative assemblies.

By-Law II - Associational Year

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The missions Committee shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at least thirty days prior to the annual meeting of the Association, its findings and recommendations for Associational action at the next annual meeting.

As presiding officer he shall discharge such other duties as may be given him by the Association.

Section 2. The Vice Moderator shall preside in the absence, or at the pleasure, of the Moderator and shall be Vice-Chairman of the Executive Committee.

The Clerk shall send annual report forms to the member churches at least a month before the Association's annual meeting; distribute at the annual meetings mimeographed copies of the composite record of the member churches taken from their annual reports; make an accurate record of the proceedings of the Association; supervise the printing and distributing to the member churches copies of the minutes within sixty days after the annual meeting; keep in file and turn over to his successor the printed minutes and other records and documents of the Association; and shall be secretary of the Executive Committee.

Section 4. The Treasurer shall receive and bank all funds of the Association in the name of the Association; distribute the same upon instructions from the Association, its Executive Committee or as designated; render a mimeographed itemized report of receipts and disbursements for distribution at the annual meeting of the Association; keep his books always available and in shape for the examination of the Executive Committee or any member of the Association; shall be a member of the Executive Committee, and be a member of the Finance and Missions Committees.

Brotherhood President and Director of Church Music shall promote their work in keeping with Southern Baptist Standards for their respective organizations, make a written report to the annual meeting of the Association, and serve on the Missions Committee.

By-Law V - Associational Missionary

Section 1. The Association shall, when possible and expedient, employ an Associational Missionary. His selection shall be upon recommendation of the Missions Committee and on vote by the Association in annual meeting, or between meetings of the Association, by its Executive Committee. He shall be a member of all committees and organizations of the Association in a serving and advisory capacity. The relationship between the Association and its Missionary may be terminated by either party upon the giving of reasonable notice.

Section 2. The Associational Missionary shall under direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the associational committees and organizations. He shall also make a written report to the Missions and Executive Committees in their quarterly meetings.

Section 3. He may assist the Clerk, by mutual consent, in preparing the composite record of member churches taken from the annual reports, and in preparing the annual minutes of the Association.

By-Law VI - Annual Reports

The Persons To Bring Reports to the annual meeting of the Association shall present the same in writing for inclusion in the printed minutes upon adoption; these reports to be limited to 250 words each.

By-Laws VII - Trustees

The Trustee's duties shall be to hold title to property for the Association and to handle the legal matters of the Association with the Association's foreknowledge and approval; and to comply with the Constitution and By-Laws of the body, and with State laws as they affect the Association.

By-Laws VIII - Committees and Their Duties

Section 1. THE EXECUTIVE COMMITTEE:

(1) The duties of this Committee shall be to act for the Association in all matters of business and activities between annual meetings, to call the Association in special session when necessary, to fill any vacancies that may occur between annual meetings among the Associational officers, the Executive Committee, or the Committee on Nominations. (5) To fill vacancies which may occur between annual meetings of the Association on committees and among Persons To Bring Annual Reports which are nominated by this Committee on Nominations.

(6) This Committee's nominations, however, shall not preclude other nominations from the floor.

(1) This Committee shall be composed of the following Associational officers: Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Director of Church Music, Superintendent of Evangelism, Treasurer and also the Chairman of the Executive Committee, and four members at large from member churches to be elected by the Association at its annual meeting for 1, 2, 3 and 4 years respectively on a rotating system. After the election one new member shall be elected each year to serve for a period of four years. It shall supervise and work with the Associational Missionary in promoting the work in the Association, and lead and assist in organizing new churches.

(2) It shall meet once a quarter to receive a written report from the Associational Missionary and make helpful suggestions to him concerning his work.

(3) If such advise is sought, it shall advise any group seeking to organize a new church, or seek to help any member church desiring assistance in its problems;

(4) It shall perform the duties prescribed for it in By-Law III

and By-Law V, Section 1.

Section 4. THE COMMITTEE ON ORDER OF BUSINESS:

This Committee shall be composed of three members and the Moderator, Clerk, Director of Church Music, host Pastor or Pastors. It shall prepare a printed program for the annual meeting of the Association which shall be sent to all persons at least thirty days before the annual meeting. It shall in the opening of the annual meeting of the Association present the printed program for adoption and serve through the session when adjustments in the order of business become necessary.

Section 5. THE PLACE AND PREACHER COMMITTEE:

This Committee shall be composed of five members. It shall receive or solicit invitations for the place or places of meeting for the next annual meeting of the Association, and shall recommend the place or places. It shall also recommend the preacher and alternate for the annual sermon.

Section 6. THE COMMITTEE ON RESOLUTIONS:

This Committee shall be composed of five members. It shall draw up and present to the Association resolutions of appreciation and any other resolutions it may deem expedient. Also, all resolutions and recommendations for consideration presented at the annual meeting shall be referred to this committee.

Section 7. THE FINANCE COMMITTEE:

This Committee shall be composed of five members and the Treasurer. It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of each Associational year, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIALS:

This Committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

Section 9. The ASSOCIATIONAL COORDINATING COMMITTEE:

This Committee shall be composed of the Associational Missionary, who shall serve as chairman, the Moderator and heads of the Associational organizations. Its duties shall be to plan and correlate the activities of the Associational organizations.

Section 10. COMMITTEE ON CIVIC RIGHTEOUSNESS:

This Committee shall be composed of three members, whose duty it shall be to keep the Association informed of matters pertaining to civic righteousness and public morals, with special reference to petitions requesting the licensing of the sale of alcoholic beverages within the area covered by the churches of the Liberty Baptist Association.

By-Law IX - Amendments

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and ap-

proved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, a mission pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed services, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies For the Establishment of Missions

1. Definite sponsorship by an established cooperating church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage the Mission from the beginning in giving a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own

membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking the recognition of and fellowship and cooperation with this Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this Committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Laws VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, quarterly, annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be disbursed.

4. Inform member churches of their record of giving.

15. The congregation sang "Holy, Holy, Holy" under the direction of Carey Davis after the introduction of Dr. Perry Crouch, who brought the address on "North Carolina Baptists in Action".

16. The Annuity Report presented by E. C. Roach was adopted without reading.

REPORT OF THE ANNUITY BOARD

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for pastors and denominational employees. There are now more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

The health benefit plan is an all-inclusive program of hospital surgical and major-medical protection which is now being offered. The date for the beginning of this plan is Oct. 1, 1965. Five thousand applications are required by Sept. 1 in order to put this program into effect.

The checks which come from the Annuity Board each month vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptist. In 1964 alone 3-1/2 million dollars was paid to ministers and denominational workers or their families.

Today more than 16,352 churches are in the Protection Program, for their pastors. Approximately 10,000 of the churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies

protected by one of the Annuity Board Programs. This means more than 25,000 members are in the Annuity Board's retirement plans. There are seven states with 70% or more of the churches in the plan. N.C. has 46% of the churches in the Protective Program for ministers.

Rev. Guy Cain is jointly employed by the North Carolina Baptist State Convention and the Annuity Board. He promotes the Board's total protection program trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they have.

For further information, write the Annuity Board, 511 North Akard, Dallas, Texas, 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

MISSIONS COMMITTEE REPORT TO THE ASSOCIATION

The Missions committee of the Liberty Baptist Association met three times this year. In October, 1964, members of the committee made a survey in the Rolling Heights Development, West Lexington, the Cow Palace area. The results were:

Number of Houses 84; Number of houses under construction or for sale 13; Total people 225; Church Members 62; Baptist Church Members 42; Non-Church Members 101; Prefer Baptist or no Preference 143; Interested in a Baptist Church 126 people, 29 families.

These results were shared and discussed in the Mission Committee Meeting in November, 1964.

At the March 22nd meeting, Rev. Gerald Hewitt, Chairman, announced that he had accepted a position with the Baptist Hospital, Winston-Salem, and would be leaving in June. The committee decided that a decision regarding Rev. Hewitt's replacement as Chairman of the Mission Committee would be delayed until the Associational Executive Committee Meeting.

Rev. Leonard Rollins, our Associational Missionary, reported that after the survey was conducted in the Cow Palace area, the findings were taken to the Missions Committee of the Lexington, First Baptist Church for their consideration as the possibility of sponsorship of a church in the section.

The Missions Committee voted to approach the Rolling Heights Corporation to state that, having surveyed the area, our committee looks with favor on securing property in this development in the name of the Liberty Baptist Association with the intention of establishing a Southern Baptist Church.

The Missions Committee was happy to hear reported from the Associational Missionary that $798.00 had been received from the churches in the Association for the Brazil Preaching Mission.

The Committee received a report from Rev. Fred Jurney that the Cedar Lodge Church has found that a road will not be built to the property formerly bought in the Cedar Lodge section, so the church had found it necessary to buy another tract more accesible on highway 109. This was accepted by the committee as a matter of information.

23. A motion was made to accept Currytown into the Association upon recommendation of the Missions Committee and Currytown having fulfilled the one year watchcare requirement. The motion carried and the pastor and members of Currytown were welcomed into the Association.

24. The Report of Associational Missionary was given by Leonard Rollins and adopted by the messengers.

ASSOCIATIONAL MISSIONARY'S REPORT

Since we met in annual session last year the Brazil Preaching Mission has become a reality, and through Sunday, September 26, I have spoken a total of forty-one times concerning that experience. I have future commitments to speak through November 30. Again, I would like to express my sincere gratitude to this association for giving me the time and money to make such a trip.

I have been in thirty-five of our churches for at least one service during this calendar year, and I hope to visit the other ten before the end of December. The Liberty Baptist News has been published eleven times with 3,750 copies printed and distributed. I have

driven my car 14,985 miles in performing my responsibilities. Opportunities to speak continue to be numerous, and I have spoken at least 142 times since we last met. I had the opportunity in January of teaching the book of Deuteronomy at Smith Grove and also at Reeds. The Currytown church joined in the five nights of study at Reeds. Last week I taught in the Sunday School Leadership Preparation Week at Erlanger. The World Missions Rally in January and the Preachers' Revival in April proved to be high moments of inspiration during the year.

Attention is being given now to the 1966 Calendar of Activities, R.A. Leadership Course and Clinic for Church Officers and Committees, Training Union "M" Night with Dr. Claud Bowen as featured speaker, World Missions Rally in January with Miss Faye Tunmire from the Philippines as speaker, and the Preachers' Revival April 4 - 6 with Dr. Julian Hopkins as the Bible study leader.

Except for the Brazil Preaching Mission my time away from the Association has been very limited. I will be in Gastonia October 2 - 6 for a Sunday School Enlargement Campaign and will teach the Foreign Mission Study at Ardmore Church in Winston-Salem, English Street in High Point, and Churchhill Drive in Shelby. I will also teach the book at Mills Home and First Baptist, Thomasville, here in our association. Special honors to come my way this year include being elected 2nd vice-president of the North Carolina Associational Missionaries Conference and being quoted on page 69 of the book Our Cooperative Program by W.E. Grindstaff. Your missionary is destined to go down in history in a church study course book.

The hope for the 1965-66 year in Liberty Association is for the involvement of all of our church members in personal evangelism. All of the organizations of the local church will be channeled in this direction. It is my prayer that we who stand in places of leadership in the association will take the initiative in this venture that is so vitally needed.

Respectfully Submitted,
Leonard Rollins

25. C. G. Maddrey, Director of N. C. Baptist Foundation, brought the report on the Baptist Foundation.

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptist are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches,

associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey,
Executive Secretary

26. The Report of the Children's Home by Parks Harris was adopted without reading.

BAPTIST CHILDREN'S HOME REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Co-operative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "Helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina was used to build a library. An addition to the church was

financed from the estate of Robert M. Idol and Lela Idol of Winston Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care - a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Parks C. Harris

Orvil Scott, Editor of Charity and Children, was introduced. A program of music was presented by the Mills Home Tour Choir under the direction of Mr. Kenneth Little with Mrs. Kenneth Little at the piano. A very meaningful playlet in pantomine was then given by a cast of children from Mills Home.

27. The Report on Evangelism given by W. C. Adams was adopted.

REVIEWING AND PROPOSING EVANGELISM

There are some definite signs that the spiritual tides of Evangelism are coming in again. Evangelism involves all that a church does. We cannot and must not separate our evangelistic concern from the rest of the work of the church. Evangelistic concern for souls is the thread that ties all of our efforts together whether it be training new teachers for the Sunday School or leading every member to be faithful in his stewardship.

Dr. Wayne Dehoney, our Southern Baptist Convention President, says "The major issue facing us is whether the Southern Baptist Convention as the largest protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." The theme of our convention this year is "Proclamation and Witness." The purpose of our theme for the year is to help get us aimed and moving toward this objective.

In our beloved Liberty Association we reported 403 baptisms in 1963 and 430 baptisms in 1964. This was a gain of 27. This year of 1965 we have reported so far 482 which is a gain of 52.

Several special emphasis this year have given us renewed vision and inspiration to be better witnesses for our Lord. Our Evangelism clinic was held at Lexington First Baptist Church with a good response. In April we ventured in Faith upon a new experience. We held our first Pastor's Revival in this Association at the Greenwood Baptist Church. Dr. J. C. Canipe was our visiting evangelist. The response was overwhelming. Over twenty-five pastors participated. And I believe each pastor would agree with me in saying; this was one of the most deeply spiritual meetings we have had.

As we look out into this new year the challenge is amazing. The doors of opportunity are open to us. We propose the following challenges in evangelism and urge that every church seek to participate:

1. 525 additions to our churches by baptism.
2. Oct. 18, 1965 - Evangelism Clinic at Greenwood Church.
3. Jan. 2, 1966 - Soul Winning Commitment Day.
4. Jan. 23, 1966 - Baptist Men's Day.
5. April 4-5-6, 1966 - Preacher's Revival - Dr. Julian Hopkins preaching.
6. All Church organizations participate in a five month (Jan.-May 1966) correlated emphasis on witnessing.
7. Every church having at least one revival and as many as possible having two.

These are a few challenges that we can reach if we but be faithful to our task. May God help us as we attempt great things for Him.

Bill Adams

28. Following the adoption of the Evangelism Report W. C. Adams introduced Hoke Coon, Jr. to bring the Message on Evangelism. The story of the Prodigal Son in Luke 15 was used to bring out the love of the father for the son projecting the love of God the Father for wayward sons of the world.

29. The Report on Church Music as given by Carey Davis was adopted.

REPORT ON CHURCH MUSIC

O Sing unto the Lord a new song: sing unto the Lord, all the earth.
--Psalm 96:1

And David and all Israel played before God with all their might, and with singing, and with harps, and with psalteries, and with timbrels, and with cymbals, and with trumpets. -- I Chronicles 13:8

Music has always been associated with worship. Wherever you find people worshipping there will be some sort of music making. There is a widely uncultivated field in church music. Some church music directors, organists, and pianists have had little training in music. Therefore, there is little they can do to improve the music program in their church. These are the churches our state music ministry and the Southern Baptist music ministry are vitally interested in. There is much free material you as choir directors can get by writing our Secretary of Church Music, Joseph O. Stroud.

Unlike other great arts, the science of music was not invented; music was discovered, existing already in nature. It requires only someone who can interpret and draw out the essentials of melody, rhythm, and harmony, which make up our scheme of music.

Someone may ask what is a church music ministry. The word, "ministry", denotes service. When someone is elected to direct the music in a church and a group meets regularly to practice, you have a music ministry regardless of the size of the group.

The music program as promoted by the Southern Baptist Convention and our State Convention is designed to meet the needs of all churches, regardless of size.

Carey J. Davis

30. The Report on The American Bible Society was presented by Marshall Barnett and adopted by the messengers.

AMERICAN BIBLE SOCIETY REPORT

W. C. Fields, a few years ago had this to say. "For many years a significant part of the support for the work of the American Bible Society has come from the churches of the Southern Baptist Convention".

Each year the Southern Baptist Convention adopts a denominational Calendar with suggested emphases and events for Baptist Churches. Each year the Calendar concludes with this important Note: "At some time during the year, emphasize the service to all types of Southern Baptist work, at home and abroad, which the American Bible Society renders by supplying the Scripture, without profit and usually below cost, and explain its need for contributions from the churches."

The American Bible Society, with its twenty-two sister national Bible Societies, has embarked upon a great new program, "God's Word for a New Age," which will reach its high point in 1966. The major target of "God's Word for a New Age" will be the increase of total Scripture distribution around the world, through the United Bible Societies, to 150,000,000 copies annually by 1966. This goal is more than three times present global distribution. The ultimate objectives are:

A Bible for every Christian Home
At least a New Testament for every Christian
At least a Portion for all who can read
An opportunity for every Christian to distribute Scripture in personal witness.

The American Bible Society has pledged itself to a goal of distributing 75, 000, 000 copies of Scripture annually by 1966. This is one half of the world goal of the United Bible Societies and is more than a 100 per cent increase over the Society's circulation in 1963, the highest in its history.

With the churches, the Bible Society is constantly seeking to develop new ways for effectively placing the Scriptures in the hands of the millions of people who have little or no acquaintance with the Bible. Outstanding among these new approaches is the program of Penzotti Institutes being used throughout Latin America. In these courses Christian Laymen are recruited and trained, in evening sessions, in the evangelistic distribution of the Scriptures in their own communities, under the auspices of their own churches. Similar programs are now being planned for Asia and Africa.

Within the nation last year the Bible Society distributed a record number of Scriptures: 542, 718 Bibles; 1, 262, 460 Testaments; 4, 722, 967 Portions; and 11, 308, 750 Selections.

These were distributed to persons of special need in the U.S.A., such as; victims of storms, floods, and other disasters; seamen on ships from many nations visiting briefly in our ports; boys and girls in children's homes; men and women in rescue missions; patients in hospitals and nursing homes; persons in jails, reformatories, and prisons; migrant farm workers. To the men and women in our Armed Forces the Society gave free of charge 977, 723 volumes of Scripture.

"God's Word for a New Age," is a dynamic program which seeks to make the Scriptures available everywhere, to every person in the language he can best read and understand.

31. The Report on Public Morals as presented by Roger Williams was adopted.

REPORT ON PUBLIC MORALS

During the past year the news media of our nation have carried many dramatic reports which have brought into sharp focus some areas of concern in the matter of "Public Morals". Among the headline stories have been those relating to racial tensions in the South and race riots in the North. Recent civil rights legislation has added increasing pressures, especially from extremists on both sides. The rate of increase of venereal disease, especially among young

people, has shocked even some who have little concern with the moral implications of this disease. Highway slaughter continues unabated, indicating a callous disregard for the lives of others. In a number of North Carolina towns strong campaigns were waged for and against the increase of legal outlets for the sale of tax-paid liquors. While we congratulate those who were successful in preventing the establishment of new stores, we are alarmed at the great number of people who fail to see this evil as a moral issue.

Such issues as the aforenamed demand attention on the part of our churches. It is not enough that they be thundered at, or about, from the pulpit; rather, it is imperative that individual Christians grapple with these problems through the study of Scripture in our Sunday School groups. The W.M.U., through its youth organizations, and the Brotherhood, through its Royal Ambassador programs, can help in making the Gospel apply to the everyday moral issues of life.

When Jesus spoke of the Christian in terms of "salt and light", he was thinking in terms of the world in which we now live. Unless our "salt" has flavor and unless our "lights" really shines, we are failing to fulfill the purpose for which God has saved us in Christ. Therefore, let us seek more and more to improve "public Morals" by the application of the Christian gospel in our own daily living.

SUNDAY SCHOOL REPORT

Liberty Baptist Association

The Department Officers of the Sunday School Organization of the Liberty Baptist Association met four times during the past year to discuss and plan ways and means of helping the Sunday School in our Churches to offer a better program of Bible teaching on Sunday morning. Following each of the planning meetings, the officers

conducted Leadership Training Conferences for the Sunday School Leadership of our Association. The attendance at the meetings and the response has indicated that many of our Churches and individual officers and teachers are interested in reaching more people for Bible Study.

When all of the reports are in for the year just ending, we hope that we will be able to report at least 2 per cent increase in our Sunday School enrolment over last year. During 1964, our enrolment increased slightly, more than 1 per cent over the previous year.

Under the Leadership of Vernon Sparrow, Vacation Bible School Superintendent, a clinic for Vacation Bible School Workers was conducted in May. We have general information which causes us to believe that most of our Churches conducted a Vacation Bible School, although only twenty one (21) Churches have made formal reports.

Action Night was observed September 14 by participating in the area Sunday School Convention held at Thomasville under the leadership of our State Sunday School Secretary. This meeting was well attended by leadership in our Association.

According to information we have received from Sunday School Superintendents and Pastors, one of the greatest needs in our Association is for more trained people in our Churches to serve in the Sunday School Organization. We urge all Sunday School Superintendents to lead out in a well organized training program. The January Bible Study Week is a must and at least one or two other weeks of concentrated study during the year if our officers and teachers are to be prepared to meet the demands in our local communities to enlist the people and teach the scriptures effectively. We also urge pastors and deacons to plan early in the church year to send Sunday School Leadership to the State and Southwide Sunday School Conferences held in North Carolina during the summer months. The business of teaching the Bible on Sunday morning in our Churches demands our best. Your Associational officers stand ready to help you in any way they can to meet the challenge to enlist, to teach, and to win people for Christ.

ASSOCIATIONAL TRAINING UNION REPORT
SEPTEMBER 28, 1965

The Training Union is a church ministry for all of the church members, just as are the worship services, prayer service, and Sunday School. A loyal church member cannot ignore any all-church ministry.

This has been a busy year for Training Union in the Liberty Association. We have conducted 4 Leadership Conferences, and launched a "Pastor-Led Enlargement Campaign".

A successful "M" night at First Baptist Church, Lexington, last December, 1964 with Dr. Charles Welborn as guest speaker. There were 500 people present, 24 pastors present, with 25 Training Unions represented.

Wade Snider, our Youth Director led the Youth Night Program at Park Place Church with Rev. Jack Wilder as speaker. Many decisions were made at this service.

On April 1, 1965, the Training Union Tournaments were held at Liberty Baptist Church. There were participants in all age groups. The winners participated in the Region 5 Tournament at First Baptist Church, Lexington on April 9. Some of our Juniors went on to be State Winners.

May I thank each of you for your support in carrying on the Training Union work and ask you to do the same for our new Associational Director, Ed Kissiah.

37. The Report on Brotherhood by Bill Lovelace was read by William F. Bowen, Jr. and adopted by the messengers.

BROTHERHOOD REPORT

The report of the Brotherhood in Liberty Baptist Association for the 1964-1965 year shows that we have nineteen churches with Brotherhood organizations. A good report, but one showing the need for additional efforts on the part of all of us.

During the year, our brotherhood was very active. On the nights of Oct. 26-27, a workshop was held at Reeds Church, with an attendance of 39. Clyde Davis, State brotherhood secretary and our own Leonard Rollins helped in the supervision of this workshop.

On January 26th, the Brotherhood and WMU jointly sponsored a World Missions rally at Coggin Memorial Church. Gene D. Phillips, one of our Southern Baptist Missionaries was the speaker and gave each one in attendance an eye witness report as to how our tithes are used and the great need for them.

On July 17, 1965 the Brotherhood sponsored an association boys rally at Welcome Baptist Church and again one of our Southern Baptist Missionaries, Harry Gobel was the speaker and I'm sure from programs such as this, our boys have received a real challenge to consider full time service as their life's work.

Our sincere prayer is that we will see more Brotherhoods or-

ganized in the coming year and that we, already serving in Brotherhood will make even more use of the opportunities around us to better serve our Lord and fellowman.

Bill Lovelace, Brotherhood President

38. The Report on the W.M.U. was presented by Mrs. Charlotte Cook and adopted.

W.M.U. REPORT

With WORSHIP its main emphasis for the year, WMU used as its watchword "I will praise Thee O Lord among the people: I will sing unto Thee among the nations" (Psalm 57:9). Prayer retreats in increasing numbers were held in the churches by women and youth as they worshiped Him in prayer and praise.

Leadership conferences were held in Denton and Thomasville, and Courses of Accreditation were offered through which 115 cards were earned. Two mission study institutes were held, one conducted by state workers for the region and the other by associational officers. The annual meeting at Erlanger Baptist Church carried out the theme "Praise the Lord Among the People" through the missionary message of Mrs. T. Keith Edwards, missionary to Nigeria, and the climactic closing meditation presented by Erlanger members. The main item of business was the amendment of the By-Laws. WMS of Park Place and Jersey were recognized as honor organizations with nine of the other organizations receiving either advanced or approved recognition. One new WMS was organized at Curry Town, bringing the total to 36 organizations.

Quarterly meetings were held by the YWA Council and many of the young women attended the State House Party held at Wake Forest College. Several also attended YWA week at Glorieta, New Mexico. One YWA organization, Jersey, received honor recognition and three others received advanced or approved recognition at the annual meeting.

The GA also held quarterly meetings climaxed on September 11 with a World's Fair held at the First Baptist Church. Each participating church showed diligent work in setting up a display to present the life and mission work in a designated foreign country. Organizations receiving honor recognition were: Center Hill Juniors; Jersey Juniors and Intermediates; Reeds Juniors and Intermediates; and Thomasville First 10 Years, as well as fourteen other organizations receiving either approved or advanced recognition.

Three Sunbeam organizations received recognition as approved. A Sunbeam Day Camp was held for the World Friends group with six churches participating.

We pray that this year of worship has set our hearts afire to the

needs of our community and the world and that the new year ahead will challenge us to PROCLAIM AND WITNESS through each of the WMU organizations.

46. The Constitutional Committee Report as given by Roger Williams was adopted.

REPORT OF THE COMMITTEE TO STUDY THE
CONSTITUTION AND BY-LAWS OF THE
LIBERTY BAPTIST ASSOCIATION

In keeping with the recommendation of the Resolutions Committee at the last Annual Meeting of the Liberty Baptist Association, the Moderator appointed a committee of three to make a thorough study of our associational constitution and by-laws....to report to the next annual meeting of the association..."

The Moderator appointed Beamer Barnes, Joe D. Coltrane, and Roger Williams.

Prior to, and during, the meeting of your committee it was discovered that only two areas of the constitution were in question. One of these had to do with the work of the Missions Committee and the admission of new churches. The other concerned the Standing Res-

olution referring to the procedure for the examination of candidates for ordination to the ministry. Although a brief perusal was made of the whole constitution, your committee gave its major attention to these two items, as mentioned above.

First of all, therefore, we call your attention to "By-law - III - New Churches" as it appears at the top of page 18 of the 1964 minutes of the association... Section 1. "Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Committee shall then report to the Association, at its next annual meeting, its findings and recommendations for Associational action."

Your committee recommends the following change: "The Missions Committee shall then report to the Association, (WITH A COPY THEREOF SUBMITTED TO THE ASSOCIATIONAL EXECUTIVE COMMITTEE AT LEAST THIRTY DAYS PRIOR TO THE ANNUAL MEETING OF THE ASSOCIATION,) its findings and recommendations for Associational action at the next annual meeting."

Our second recommendation calls for a change of the Standing Resolution, as appearing at the bottom of page 20 of the 1964 minutes, entitled "Ordination of new ministers", and reading as follows: "It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel ministry, an examining Council be summoned by written invitation of at least one week in advance from the church nominating the candidate, the Council to include the pastor and one-member-at-large in each Baptist church in the fellowship of the Association."

Your committee recommends this addition to follow the words "an Examining Council COMPOSED OF A COMMITTEE OF FIVE ELECTED BY THE ASSOCIATION IN ANNUAL MEETING, PLUS THE PASTORS AND ONE LAYMAN FROM EACH COOPERATING CHURCH IN THE FELLOWSHIP OF THE LIBERTY BAPTIST ASSOCIATION, be summoned by written invitation of at least one week in advance from the church nominating the candidate."

If this last recommendation is approved, we ask that By-law VIII, Section 2, parenthesis (1) have added after the words "Finance and Memorials", the words COMMITTEE ON ORDINATION.

AMMENDMENT ON BY-LAW VIII

Add:

Section 10. COMMITTEE ON CIVIC RIGHTEOUSNESS:

This Committee shall be composed of three members, whose duty it shall be to keep the Association informed of matters pertaining to civic righteousness and public morals, with special reference to petitions requesting the licensing of the sale of alcoholic beverages within the area covered by the churches of the Liberty Baptist Association.

48. The Report on Christian Education as given by C.C. Wall, Sr. was adopted.

CHRISTIAN EDUCATION REPORT

During the past year the contribution of Baptist colleges to Christian lay-leadership in church and community has been strongly emphasized.

Many of the graduates, farmers, teachers, doctors, lawyers, industrialists, artists, musicians, homemakers, and many other categories too numerous to mention, are not only filling responsible places of leadership in their churches, but are exerting a profound influence on religious, moral, and ethical life of communities in which they live. However, let it be emphasized that our colleges are not only producing lay-leadership, but are producing Christian Vocational workers, and at the present time more than 500 students in the North Carolina Baptist colleges are volunteers for full-time Christian service and more than 100 of these volunteers want to be home or foreign missionaries.

With the action of the Convention in 1964, the Christian Education Day offering became an approved offering on the par with all other special offerings in our Convention. Because the Christian Education Day offering is young in comparison to some of our older offerings, we are discovering that many of our churches are not observing either Christian Education Day or taking a special offering. We sincerely believe that one of the ways to help solve the financial problem of our Baptist colleges would be to increase substantially the Christian Education Day offering. However, let it be emphasized that the Cooperative Program is the lifeline of Baptist colleges as it is equivalent each year to several million dollars of endowment. The Cooperative Program is the best way to support your colleges

through your church. Soon our Convention leaders will announce another great five-year program of advance and achievement. The colleges are back of this program and will support it in every way.

50. The Report on Baptist Hospital presented by Richard Chapman was adopted.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my father; for I was sick and ye visited me."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1965 REPORT

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. The Yanceyville Home is on the drawing board now and it is anticipated that the construction will begin in Yanceyville before the end of the year.

This labor of Christian love and nurture is ours together, and we could not operate these Homes without the concern, the prayers, and the financial support of our Baptist people. The financial aid from the churches comes from two vital avenues-the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering for 1965 was $97,045.79 and it is expected before the books close for the year that the offering will reach $100,000.00. Through this offering 90% of the needy residents in the four homes were giving the financial assistance to make their stay possible.

It is urgently hoped that the Special Day Offering for 1966 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and it grows daily.

May we in Liberty Association respond to the need of these elderly people and pray that each church will be very careful to give increasing emphasis to this vital ministry.

REPORT ON STATE MISSIONS

State Missions a challenge. State Missions has never presented to North Carolina Baptist a greater Challenge than it presents today. Every way North Carolina Baptist turns they can hear the call come over into Macedonia and help us. Jesus said lift up your eyes and look on the field.

What do we see? We see an opportunity to Love, work, witness and give, of our selves and our money to the cause of Christ. Jesus said, "Whosoever shall loose his life for my sake shall find it."

State Missions is every Christian's business and responsibility and begins in his local Church and Community and extends to all the world. Jesus said to his disciples, "Ye shall be witnesses unto me both in Jerusalem and in all Judea and in Samaria and unto the uttermost part of the earth." (Acts 1:8)

We used to think of about 17 objects that State Missions covered. Can we stop there any more? I say not; State Missions has lengthened its cords and deepened it's stakes in a great way for which we are grateful unto the Lord and our noble leaders in our great Convention.

State Missions goes back more than a century into the history of Baptist life. The purpose of the State Missions program is:

(1) To share the Gospel of Jesus Christ with all the people of North Carolina.
(2) In Evangelism, Mission Pastors, Church Lots, Indian Work, Seminary Extension.
(3) Fruitland Bible Institute, Silent Work, Associational Missions.

Just to mention a few, the work of State Missions can be seen on the increase in North Carolina.

State Missions has done some outstanding work with the Cherokee Indians this year in helping them with their building program in their churches.

We doubt if there has been a greater work done through State Missions than what it has done at Fruitland School for Preachers, there has been more than 700 pastors who have received certificates, these men have been strengthened and deepened in the faith, also in what Southern Baptists stand for, they have gone back into their churches and led their churches in a great way in giving to this great cause.

Fruitland Baptist Bible Institute was established by the Baptist State Convention of North Carolina for the specific purpose of helping God-called men who have not had opportunity to go to college and seminary. There is another great ministry which State Missions is doing and that is in the Military Areas, in the eastern parts

of the state. Most affected of course, are the Fayetteville, Goldsboro, Cherry Point and Jacksonville areas. It is difficult to conceive of the impact made by such military posts as Fort Bragg and Camp Le Jeune without actually living there in the vicinity.

We are grateful that the fruits of State Missions can be seen along the highways and byways of our State and World.

The motivation in all of this work is to bring the lost to Christ and to aid the Christian in his spiritual growth.

We must give and pray for our State Mission cause if we are to go forward as the Lord commanded.

Respectfully Submitted,
Ray Billings

HIGHLIGHTS OF HOME MISSION BOARD'S REPORT
TO THE SOUTHERN BAPTIST CONVENTION

"Church membership has failed to keep pace with the population growth of the United States," Arthur B. Rutledge, executive secretary-treasurer of the Home Mission Board reported to the Southern Baptist Convention in Dallas. He said that the mission agency is studying future objectives and goals to meet increasing spiritual needs. According to Rutledge, the net population in 1964 outstripped church membership growth of all groups by almost a million: 2.6 million compared with 1.7 million.

Missionaries serving with the Home Mission Board and state Baptist conventions, number over 2,400 as of May, 1965. They work in all fifty states, Cuba, Panama, and Puerto Rico. The work in the commonwealth of Puerto Rico, with seven missionaries assisting five churches and five missions, was to organize into an association in 1965.

More than $7 million came from Southern Baptists for home missions through the Cooperative Program, the Annie Armstrong Offering, and other sources. For the first time in some years, the Cooperative Program reached the advance stage (when all funds received above a given amount are divided between the Foreign and Home Mission Boards), and the Home Mission Board received $426,070.00.

Emphasis went to new work and the pioneer areas during the year, when more than 66% of the budget of the Division of Missions was spent for work with the newer conventions. Funds for the established states were spent where the cooperation of a nationwide agency would add strength to the work. (The amount provided in the board's budget for the work in North Carolina is $51,822 which is 36% of the total expenditure for Home Mission work within the state.)

New state conventions, according to the Pioneer Missions Department, are being planned for four sections of the nation. Six new associations have been established and more than 150 new communities have been entered by Southern Baptists during the past year.

The 30,000 Movement's final report, following the close of a nine year emphasis on church extension, showed 18,285 missions and 6,682 churches were established. The emphasis is being continued through the program of church extension of the mission agency.

Church Loans, through the Church Loans Division, went to 421 churches for a total of more than $6 million. The division reports a corpus of more than $15 million in all its funds.

High Rise Apartment Pilot Projects, which will develop a ministry to residents of the increasing number of apartments, were announced by the Department of Metropolitan Missions for Dallas, Atlanta, and Washington.

Professions of Faith reported by the missionary force were 50,868 for 1964, an increase of nearly 4,000 over 1963... The evangelism staff reported an enlarged ministry to other nations, including Japan, Australia, Brazil, Panama, as well as leading Southern Baptists in personal witnessing and revival efforts.

Seven Hundred Forty-Eight Southern Baptist Chaplains serve the military, the Veterans Administration, hospitals, and other institutions, and industry. The Chaplaincy Division announced publication of a booklet, "Your Life and Military Service," for service-bound young persons.

New Channels for service were announced during the year with the creation of US-2, a two-year mission term for college graduates, and the Christian Service Corps, an avenue for adults to serve without financial assistance. Six hundred thirty-nine Student Summer Missionaries spent ten weeks in mission service in 1964.

Work with National Baptists was expanded in New Mexico, Indiana, Alabama, and Michigan through joint committees of the two Baptist groups. There are now eighty-nine workers serving in the states in cooperation with the Department of Work with National Baptists.

The first graduates finished their language study at the Mexican Bible Institute at San Antonio, a joint project of the mission agency and the Baptist General Convention of Texas for better preparation of missionaries serving with Spanish-speaking groups. Language instruction is provided for other appointees among the 1,207 missionaries in the Department of Language Missions.

How Southern Baptists are engaged in a home mission effort to win "our land for Christ" has been told directly in the production of mission study books, Home Missions magazine, and mission news for Baptist Press and secular media. The election of a new executive secretary, Arthur B. Rutledge, on Jan. 1, 1965, and the retirement

of Courts Redford, after an eleven year administration, provided an unusual opportunity for telling the mission story throughout the nation.

Mrs. James R. Helvey, Jr.

59. The Report on Foreign Missions as given by H. M. Baker was adopted.

FOREIGN MISSION REPORT

The Foreign Mission Board currently has 2,048 missionaries serving in 60 different nations around the world. This represents an increase of 116 missionaries over the number at the end of 1964, and 3 new countries where we have begun foreign mission work.

Southern Baptist foreign mission strategy has always centered around the building of strong national churches. National and international circumstances around the world are raising many questions about the need of American missionaries in many foreign lands. It may well be that in some lands the doors will be closed for foreign missions, for in some nations the missionary is looked upon as a partner of his government in the efforts of that government to extend its political-economic influence. If the Southern Baptist missionaries should eventually have to leave some foreign lands their mission work will still go on through the far-sighted way in which we have established national churches, schools, hospitals and other agencies for the spread of the gospel.

In many areas of the world our mission work has reached a stage of development where it would be wise to turn over more and more of the leadership to the national Baptist bodies. The day is coming when the missionary will no longer be the leader in mission work, but a valued helper under the leadership of national Christians.

The Foreign Mission Board is sending out Missionaries to do more and more specialized work. Our first missionaries were primarily evangelists. Later we sent out missionaries as teachers or as doctors and nurses. Today we are beginning to realize that every vocation must be made a missionary vocation, and we are sending more missionaries all along who can witness through different fields and specialties.

Brazil is today the largest mission field where Southern Baptist have work, and Brazil has been of major interest this year because of the nation-wide revivals carried out in that country. Incomplete reports indicate that more than seventy-thousand have accepted Christ through these revivals. Many of the churches in Brazil are not satisfied with the campaign carried out in the spring of 1965 and are planning other revivals this fall to take advantage of the interest generated through out the nation in this great campaign to let all the people know "Christ, the only hope".

One new program deserves special mention: the Journeyman Program. Forty-six young persons left Richmond in August to work in 27 countries. Each will serve for a two year term. Patterned after the Peace Corps program, this new venture may be far-reaching in its consequences both from the immediate good these young people will do and from the possibility that many of these journeymen will return to the States to prepare for full-time mission careers.

Dr. Cauthen has set a goal of 5,000 missionaries at the earliest possible date. Can we secure these workers? Yes, when we teach our people that missions is our mission as Christians, letting all know that none of us are redeemed unless we become redemptive factors in our world today. When we come to understand that "let your light shine" is not an elective but an imperative, we shall have men and means to evangelize the world.

The Brotherhood and W.M.U. will be studying Brazil in their mission emphasis this fall. Guided by these organizations let us strive to make the Lottie Moon offering a church wide offering and a proof that we really want to "put Christ in Christmas" this year.

Meanwhile, let us remember that the Cooperative Program is the main line of our mission effort. A check of our records indicate that several of our churches have given nothing this year to this program; a large percentage have given less than one thousand dollars, and only two of our churches have given more than ten thousand dollars. Liberty Association can do much better than this!

Rev. H. M. Baker

60. The Report on the Baptist World Congress was given by R. C. Foster and adopted.

THE BAPTIST WORLD ALLIANCE

The first meeting of the Baptist World Alliance was in London, England, in July, 1905; however, the dream had been in the hearts and minds of men like William Carey, John Rippen, and others since 1790. In the first meeting there were 3000 Baptists from 23 countries, who met for nine days, praying and planning for a world fellowship to strengthen their oneness in Christ, the head of the churches of the baptist faith and order throughout the world, and to promote the fellowship, service and cooperation among them.

There have been eleven Congresses, or meetings, of the Alliance. The plan is to meet every five years, but two meetings were cancelled because of Wars. The growth of the denomination has been from 6,185,289 in 1905, to 26,000,000 in 1965, in 121 representative countries of the world.

The purpose of the organization is set forth in the Preamble of the Constitution, namely: to provide -

1. An offering, in every tongue, of praise and thanksgiving, to God for His Grace and blessings upon the followers of Christ in the world.
2. An occasion to meet fellow baptists of the world, for fellowship and personal knowledge of each other and their work.
3. An opportunity to clarify baptist convictions and strengthen their ties of doctrines.
4. An outpouring of compassion and channeling of aid to people in distress.
5. An orientation concerning conditions in various parts of the world in regard to Religious Liberty and human rights.
6. An outlet for bearing the themes, or witness for Christ to the world whose eyes and ears are focused on baptists during the Congress.

The President, elected in the recent meeting in Miami, is Dr. William R. Tolbert, Jr., Liberia. The General Secretary is Dr. Josef Nordenhaug, Washington, D.C., which is Headquarters for the Alliance. The next meeting is to be in Japan, 1970, perhaps in Tokyo.

God has blessed this world fellowship and made it a blessing to many groups of baptists who live under difficult circumstances and serious limitations in lands where they are minority in numbers.

REPORT OF HISTORIAN

HISTORY OF ABBOTTS CREEK BAPTIST CHURCH

The first man to preach at Abbotts Creek was James Younger, he lived in the section.

The best historical facts indicate he was preaching there in 1755, when Sheubel Sterns came to Sandy Creek and when Benjamin Miller came to Jersey; and that he was the first Baptist to preach in Piedmont, N. C. There is no record of him after he left the Abbotts Creek section. One of his daughters, Anna, married James Evans, she and her husband were among the thirteen charter members that organized the Missionary branch of Abbotts Creek Church in 1832. She is buried in the old cemetery at the church.

The inscription on her headstone reads as follows, "In memory of Anna Evans - Midwife - departed Jan. 7 1843 age 97 years."

Younger may not have organized the church here, but the organization took place sometime between Nov. 22, 1755 and June 1758.

Daniel Marshall was the first pastor. He was a brother-in-law of Sheubel Sterns. Sheubel Sterns and his party of 16 organized the church at Sandy Creek Nov. 22, 1755. Three years later they had increased to three churches and 900 members. Abbotts Creek was the first arm and Deep River the second.

In June 1758 these three churches formed themselves into the Sandy Creek Association which still exists as a Missionary Baptist Association. This was the fourth Baptist association to be organized in America. Seventeen years later the association had 42 churches and 125 ministers; it's boundries were on the North the Potomac River, on the West the Miss. River, on the South S.C. and on the East the Atlantic Ocean.

Daniel Marshall was pastor till 1763, when he moved to S. C. For the next 20 years there is no record of the activity of the church. A large number of the settlers in the community went to S.C. with Marshall.

In 1783 George Winfield Pope was called as pastor and served for 31 years; he was a man of great ability, force and voice, the church building during these years was a small log structure. It is said that often when Pope would preach, it would not hold half the people, many would stand on the outside to hear him, his voice could be heard for a mile on still nights.

Pope after serving the church for 31 years, also moved to S.C. In 1819, Ashley Swaim was called as pastor and served till the split in 1832. Abbotts Creek church remained a member of the Sandy Creek Association till 1825, when it became a charter member of the Abbotts Creek Union Association, which was organized November 17, 1825 at Liberty church. In 1832 the missionary element in the church helped to organize the Liberty Association.

Marshall, Pope and Swaim were the only pastors of the church during it's first 74 years of existence.

The above information is largely from Henry Sheets history of the Liberty Association.

At the March meeting 1832, the church at Abbott's Creek led by the Pastor, Ashley Swaim, declared non-fellowship against the Baptist State Convention, Bible Societies, Sunday Schools, and all aids to the Baptist State Convention, the vote being 34 to 11.

At the April and May meetings the minority tried to get the majority to rescind their action, but to no avail. At the June Meeting the minority decided to make one more effort, and to avoid any misunderstanding, put their grievance in writing, signing their names. The majority refused to take any action. Realizing they had no hope of re-dress, fifteen members withdrew from the conference, namely: Alexander Thomas, William Raper, James Evans, James Odell, Davis Raper, Stephen Gusford, Hannah Thomas, Keziah Raper, Anna Evans, Elizabeth Brown, Elizabeth Payne, Sarah Gusford, Phoebe Horney, Mary Evans, and Marth Teague.

After a short conference they decided to meet the fourth Saturday in June to make plans for the purpose of forming themselves into an organized church.

Saturday before the fourth Sunday in June they met at the Abbott's Creek Meeting house, and after the singing and a prayer by Brother Alexander Thomas, they proceeded in conference as follows:

First, if any of the members who signed the above paper should be dissatisfied, they are at liberty to turn back. Stephen Gusford and his wife, Sarah, went back.

Second, that we call Elder Eli Phillips, Thomas Armstrong, and William Down as Presbytery to meet with us the Fourth day of July 1832 to examine us as to our profession of faith and if found in order to organize us into a regular Baptist Church.

The Presbytery reported as follows: We, the undersigned elders met at Abbott's Creek meeting house the fourth day of July 1832 and examined five brethren and eight sisters in regard to their profession of faith: Alexander Thomas, William Raper, James Evans, James Odell, Davis Raper, Hannah Thomas, Keziah Raper, Anna Evans, Elizabeth Brown, Elizabeth Payne, Phoebe Horney, Mary Evans and Marth Teague, and found them, according to the Bible, sound in faith and doctrine. We therefore constitute them into a regular Baptist Church and recommend them to the fellowship of all Baptist churches and Associations, signed,

Eli Phillips,
William Dowd
James Wait

At the August meeting 1832 it was unanimously agreed to have the Saturday before the third Sunday in each month as our time of meeting.

At the December meeting William Raper was returned as deacon of the church, he having been a regular ordained deacon before the split. Elected were Brother Phillip Horney writing clerk and Davis Raper assistant clerk, and Brother Joseph Spurgeon singing clerk.

The two divisions worshipped in the same house until April, 1834 when the minority was locked out by the majority. On Friday, June 19th, 1835, Elder Eli Phillips preached the first sermon in the new church, a small log house, from the 39th verse of the 5th Chapter of John, "Search the Scriptures, for in them ye think ye have eternal life, and they are they which testify of Me."

At the February meeting 1833 Elder Eli Phillips was elected pastor, serving until 1844, a period of twelve years. Elder Phillips was pastor of several churches and was also appointed missionary by the Association for one-half of his time, therefore he was assisted in his pastoral duties by Elders Wiseman, Crutchfield, and Lanier.

At the May meeting 1843 the church being without a clerk, John

Teague was elected. He served till 1879.

The following brethren served as pastors: Elder William Hamner from 1844 to 1848. Elder Benjamin Lanier from 1848 to 1850, Elder William Turner from 1850 to 1851, Elder John Robertson from 1851 to 1853, Elder Benjamin Lanier from 1853 to 1855, Elder William Turner from 1855 to 1859. From 1859 to 1861 the church was without a pastor.

In September 1861 Elder John Robertson was elected pastor. He resigned in 1863. Elder J. B. Jackson served as pastor from 1863 to 1868.

At the December meeting 1868 a committee was appointed to collect funds for the purpose of building a larger church, but the committee failed to raise the funds.

Rev. J.B. Richardson served as pastor from 1868 to 1871. Brother G. W. Harmon was called as supply for the remainder of the year 1871. Elder William Turner was elected in 1872 and served until 1879. Rev. R. R. Moore served during the year 1880. We then called Rev. S. F. Conrad who served until 1882. John Teague resigned as clerk December 1880, having served as clerk for thirty-seven years. W. R. Hedgecock was elected clerk and served until his death one year later, October 11, 1881. W. B. Waff was then elected clerk and served one year. C.H. Teague was elected clerk in 1882, Rev. S.H. Thompson was called as pastor in 1882 and resigned in 1885. Brother William Turner was then elected pastor, but died on his way home from his regular appointment at New Friendship Church April 6, 1889. Brother Turner served four terms as pastor of Abbotts Creek church making a total of eighteen years.

In May 1889 Rev. J.N. Stalling was called as Pastor and served until 1893.

At the December meeting 1893 a committee was appointed to draw some plans for the enlargement of the house. The committee decided to build a room 26 by 42 at the east end of the present building. The report was adopted and the room built at a cost of $287.00.

In January 1894 Rev. J. M. Hilliard was elected as pastor, and he served until 1904 when Rev. Thomas Carrick was called. Brother Carrick served until 1916. C. H. Teague resigned as clerk in 1916, having served thirty-three and one-half years.

W. D. Spurgeon was then elected clerk. In January 1917 Rev. J. M. Hilliard was called and served as supply until 1923, making a total of sixteen years that he served as pastor.

In 1923 Rev. E. F. Mumford was called as pastor. Under his leadership the church and Sunday School outgrew the church building, and it was decided in regular conference January 1926 to erect the present house of worship, which was dedicated to God's service May 20, 1928, costing $20,000.00 with 11 Sunday School rooms.

Since the organization of the church it has had fourteen pastors, six clerks, and 710 members enrolled. The present enrollment is 206.

Rev. E. F. Mumford preached his last sermon on January 17, 1937.

On February 7, 1937 Rev. V. M. Swaim was called as supply pastor, however due to ill health, the following supplied - Rev. Van Carroll of Denton, Rev. J. C. Brock, Rev. A. Lincoln Fulk, Rev. R. A. Britt and Rev. T. W. Bray.

On June 6, 1937 the church voted to call Rev. T. W. Bray as pastor, and he began his work as pastor on July 4, 1937, continuing till November 1, 1940. During Rev. Bray's pastorage a B.T.U. was organized, a parsonage was built at a cost of $2500.00. Rev. E. F. Mumford returned as supply pastor.

Rev. B. A. Mitchell was called as pastor on March 2nd, 1941 and began his work on May 18th, being the first pastor to live in the parsonage. He served until March 3rd, 1949.

At this time, Dr. A. B. Conrad a retired minister supplied until Rev. A. R. Snipes was called on August 14th, 1949 serving until November 20, 1950. The church was without a regular pastor until March 4, 1951 when Rev. W. H. Walton began his ministry as pastor and served until October 14th, 1962.

Rev. Jimmy Hinson was called as interim pastor, serving in this capacity until April 14th, 1963 when Rev. Joe D. Coltrane began his work as pastor.

Last year, 1964, the Church reported 432 members and 454 in Sunday School.

BRIEF HISTORY OF NEW FRIENDSHIP BAPTIST CHURCH JANUARY 27, 1827 - 1965

The New Friendship Baptist Church, organized January 27, 1827,

is in suburbia Winston-Salem, 4245 Old Lexington Road, or "Old 109". The location was in Stokes County then, and the address was Salem, N.C., because that time antedated Winston - Salem, and Forsyth County. The site of the church meeting house is "beautiful for situation" overlooking the skyline of metropolitan Winston - Salem.

Elder William Dowd, "after preaching a few years in "Charles School House" adjacent to the present location of the church house, led in the organization of the church and served as it's first pastor. He was a missionary from Friendship Baptist Church in Moore County, a state Baptist leader, serving as Vice-President of the Baptist State Convention in 1830, a "fervent preacher of the Gospel" loyal to the teachings of the New Testament Doctrines, and dynamic in his leadership for a progressive church movement. He was like a veritable Gibralter, for Missions and Sunday Schools, and a well trained minister. When church divisions came he was among the progressive missionary Baptists always. The Jamestown Baptist Church assisted in constituting the organization of the new church at New Friendship. Churches that have grown out of New Friendship are Waughtown and Southside Baptist Churches of the City, Wallburg Baptist Church and also Pleasant Fork Church. Starting the mission services in Waughtown about 1868 the promotion had the support of The First Baptist Church of the City.

New Friendship was present at the first session of the Baptist State Convention, held April 15-18, 1831 at Rogers Cross Roads in Wake County, and was represented by the Pastor William Dowd.

The church became a member of the Liberty Association soon after it's organization in 1832, and has been a member since that time. For a few years before it had belonged to the Abbotts Creek Union Association. The Liberty Association met with the church in 1848, 1859, 1871, 1889, 1905, 1920, 1941, 1953, 1965.

The Church has had eighteen pastors, namely: William Dowd, Mattheus D. Freeman, Peter Owen, William Turner, F. H. Jones, Henry Sheets, G. W. Reid, Thomas Carrick, O. A. Keller, A. L. McLenden, V. M. Swaim, V. H. Harrell, B. K. Mason, E. F. Baker, Luther James Matthews, who became the first full time pastor, April 6, 1941, A. C. Lovelace, W. N. Brookshire, and Robert C. Foster. William Turner served the church for almost forty years during which the church had it's best growth. Two divisions have come to the church, one in 1833 when there was a separation because of the then controversy over Missions. Nearly one-third of the membership went with the Hardshell Baptists. Then, again, in 1862 there was a pastoral-church controversy when about one hundred members left with the pastor to organize a new church. From the names listed it is remembered that several of those pastors were "among the best" serving in North Carolina.

There have been three houses of worship. The first was built about 1828 and was a wood structure appropriate for that time.

It was rectangular, sixty by forty feet, with two front doors, an A roof, shutters on windows, boards of the inside wall ran up and down, and the pews were hand made. The front faced the east and virgin woods surrounded the building. Only a narrow road led into the church grounds where the trees were used for hitching posts for the horses, mules and oxen. Generally, the members used the same tree regularly for hitching and feeding animals. The second building was erected in 1890 with brick made and burned on the church grounds at a cost of $2,000.00. A vestibule and tower were added later, of brick, at a cost of $50.00. The bell in the tower rang first January 23, 1892, and cost $12.50. In 1928 an educational building was built adjoining the back of the Sanctuary. A few years later a basement was dug under this building, by the young men of the church, there by adding several more Sunday Schools rooms. In 1953 a more modern educational building was built at a cost of $51,000.00. The present pastorium was built in 1937. The third Sanctuary was erected in 1964 and used for the first time, November 22, 1964, deeply appreciated by the church family and community. It is designed to meet the needs of the church for worship, education, missions training, music, and social activities in this age of 1965. The building is comfortable in all respects, has adequate equipment in the three story Educational Building, spacious lawns, excellent teaching tools, splendid social activities arrangements of Pavilion, and Fellowship Hall. The Sanctuary and parts of the Educational Building are Air Conditioned. The entire building is renewed and redecorated attractively, and the lawns and yards are most beautiful with appropriate shrubs and flowers, islands, traffic and parking arrangement.

Clerks who have served the church are: Larkin Terry, Joseph Thomas, S. M. Charles, C. A. Rominger, P. E. Leight, W. R. Rominger, Lewis Wilson, S. A. Hege, B. F. Charles, A. J. Hartman, Maskey Smith, and Farris Swaim.

Four men have been set aside to preach the Gospel, namely: R. Jeffrey Charles, 1862, Lewis Banner (Colored), 1868, G. Wisemen Harmon, 1871, Samuel B. Wilson, 1872.

The Sunday School was organized in 1880 with R.A. Womack as Superintendent. The sixteen General Superintendents of the Sunday School have been men of finest character and leadership. The present Superintendent is Gaither C. Lewis, Sr. In December, 1883, a "Missionary Society of females" was organized with Mrs. William Turner as President. The present President of the W.M.U. is Mrs. Farris Swaim. A Baptist Young People's Union was organized in 1923, with Mrs. Conrad F. Montsinger, as President, but lasted less than a year. The BYPU was reorganized in 1930 with Robert Hartman, President...changed to BTU. The present President of the Training Union is James Enscore.

The Trustees of the church now are: Ralph Hartman, S. O. Hinkle, Sr., and J. E. Cook. Those who have served are: John Charles, W. Dowd, Moses Stewart, Larkin Terry, Joseph Turner, Alexander Delap, G. W. Hege, Samuel H. Loughnour, William S.

Swaim, J. O. Teague, Felix Sink, John A. Hartman, H. F. Motsinger, Alexander J. Hartman, Erastus Swaim, G.A. Hartman and Elmer Snyder.

DEACONS of the church are: William Zeb West, Chm., S. O. Hinkle, Sr., J. E. Cook, G.C. Lewis, Sr., Robah Wilson, Marvin Nifong, James A. Reid, William R. Cook, Ralph Hartman, George Barnes, Reid Hartman, and B. C. Swaim.

The PROSPECT of the church has never been brighter than now, 1965. God has been gracious to us, and our spirit of unity is excellent, our growth is very thrifty, the possibilities are wonderful. The church has standardized organizations for Sunday School, Training Union, W.M.U., and Brotherhood.

SOURCES of information for this history are: Records of the church, Sheets History of Liberty Association, Minutes of Liberty Association, and some living members who remember facts pertinent to future memories.

63. Moderator, Carl Hemphill, appointed the Nominating Committee. This committee is included in the Directory.

64. The Memorial Service for Our Beloved Dead was conducted by C. F. Bailey.

65. The Resolutions Committee Report was presented by James R. Helvey. A motion was passed that each resolution be voted on separately. After discussion on each resolution, resolutions 1, 2, 4 and 5 were accepted by the vote of the messengers. Resolution 3 was defeated. (There seemed to be the feeling that not enough time had been given for the messengers to study the wording of the defeated resolution which is included below for the record.)

The 1965 Resolutions Committee recommends the following for consideration and approval by the Liberty Baptist Association meeting in the one hundred and thirty-third annual session:

1. Whereas Abbott's Creek and New Friendship Baptist churches have graciously entertained and hospitably provided for the messengers of the one hundred and thirty-third annual meeting of the Liberty Baptist Association, and

Whereas the Moderator, host pastors, music director, clerk and program committee and personnel have contributed to making these sessions of the 1965 annual meeting inspirational and meaningful, and

Whereas Leonard Rollins, our associational missionary has done another excellent job in leading and working with the 45 churches of the Liberty Baptist Association in fulfilling the commission of Christ

from Lexington to the uttermost parts of the world,

Therefore be it resolved that we, the messengers, express our appreciation in resolution, renewed dedication to Jesus Christ, and greater achievement in the primary task of our local churches in the year ahead.

2. Whereas the 1965 North Carolina state Legislature granted more ABC elections in counties and municipalities in the state than ever before, and

Whereas the Senator Joe Sink induced the city of Lexington to consider the approval of legalized liquor stores and beer and wine in a city-wide election, and

Whereas religious and civic leaders and citizens of that Davidson County seat soundly defeated the legalization of liquor and beer and wine in the election of August 24,

Therefore be it resolved that the Liberty Baptist Association go on record as commending the people of Lexington, North Carolina for their moral stand and their noble example to all the county, and to thank those who worked so hard and diligently to achieve this victory for civic righteousness, and to urge all messengers of the Liberty Baptist Association to encourage their churches and fellow citizens to participate more actively in the election of county legislative representatives, and to give more financial support to the Christian Action League of North Carolina and to work more diligently in the curtailment of liquor distribution, legal and illegal, and in the elimination of alcoholic advertising.

3. Whereas the Klu Klux Klan has once again reared its ugly head in the state of North Carolina, and

Whereas its requirements for membership are contrary to the life and teachings of Jesus Christ, and

Whereas its activities only stir up strife among the races and confusion concerning the eternal meaning of the cross, and

Whereas many reputable groups and governmental leaders have declared their opposition to the Klan,

Therefore, be it resolved that the Liberty Baptist Association go on record as opposing the unChrist-like views and actions of the Klu Klux Klan and riotous demonstrations of any lawless group and that we commend to the churches of this association their continued practice of an open door to all who would enter to worship in peace, remembering the words of Christ, "He that cometh to me I shall in no wise cast out;" and that we so imitate the life and teachings of Christ in all our human relations that our witness and actions will eliminate the need for any clanish activities and contribute to the equality and justice for all, bringing a peace among the races and a revival of genuine Americanism to our land.

Note: This resolution was defeated by the vote of the messengers.

4. Whereas the Speaker Ban Law has raised a question concerning the status of public higher educational institutions in North Carolina, and

Whereas North Carolina is the only state whose legislature has resorted to such restrictions of free speech in order to deal with Communism, and

Whereas Communistic tactics are contrary to our American way of life and the freedoms which we have inherited thru sacrifice and enjoy only in eternal vigilance, and

Whereas now there is some question as to the legality of the North Carolina legislative districting,

Therefore be it resolved that messengers of the Liberty Baptist association give greater attention to the principles upon which our liberties are based so that we shall not be guilty of compromising these principles in our eagerness to gain advantage over our adversaries, and that we become more attentive to the processes of government locally, as well as internationally so that we may participate in a Christian structuring of the great society in which we live.

5. Whereas 13 churches of our association reported no contributions to the Cooperative Program for the first six months of this year, and 6 none for the year and 14 none to the association and

Whereas numerous speakers at our annual associational meeting have pointed to the decreasing percentage of gifts going outside the local churches and increasing needs of our denominational program, particularly Christian education, and

Whereas the constitution specifies that a cooperating church is one which contributes to the financial program of the association,

Therefore, be it resolved that the Executive Committee utilize every means to see whether or not churches of Liberty Baptist Association are truly missionary in sharing their gifts and encourage and guide pastors and leaders of each church to develop adequate stewardship programs in order that Liberty Baptist Association may take a leading part in fulfilling the commission of Christ and that members of our churches may grow as faithful stewards.
